Associational Missionary Report
Craig Bailey
January 2005-December 2005

We begin 2006 with much sadness around Buncombe Baptist Association. The loss of Pastor John Thomas is still fresh in our memories. We continue to pray for the family and the Ecclesia church family. Likewise, we continue to pray for the Ricky Townsend family at Corinth in the tragic loss of his brother-in-law just before Christmas.

The Billy Cline family at Celebration Church mourns the loss of son, David a week ago. We remember them in prayer, but rejoice in the fact that a young man and young lady both received Christ as Savior and Lord at the funeral service on Saturday at Merrimon Avenue Church. Also, this past week we learned of the tragic loss of Mitch Carver serving our country in Iraq. We extend our prayers and support for the Kyle Carver family in their loss. These tragedies have, once again, united our BBA family in prayer and encouragement during the most difficult of times.

It's hard to even write about other items that pale in significance next to the important issues of life in the Family of God. We do, however, rejoice in the fact that 2005 finished on a positive note for our association as finances had a year-end spurt upward. Our Fall Meeting was well attended, and we continue to marvel at the missionary response of our churches to the needs of hurricane victims in the Gulf Region.

Our partnership with the Gulf Coast Baptist Association in Mississippi has been a fruitful one. BBA churches are present practically every week assisting with feeding, recovery and rebuilding needs. Because of our excellent budget response in December, we were also able to send $1000 of Partnership Missions funds directly to Gulf Coast Association for rebuilding needs. Much needs to be done, but we have demonstrated that our churches are willing to follow through and continue our growing relationship with these churches. We express our special thanks to Baptist Men of North Carolina, whose missionary efforts are being praised all over the region.

Personally, I have visited 55 of our churches, along with return visits to several by request. Unfortunately, I've had return visits to many of our churches to fill pulpits after the loss of a pastor or to train a pastor search team. Please pray for our churches as they seek out new leadership for the coming important years. I look forward to visiting at least once in 65 or more churches by the time of my first year's anniversary in April and continuing needed follow-up with others.

New church plants are in progress in our region. New Life is sponsoring a cutting-edge start to reach 18-30 year old unchurched single and married adults. CRUX is led by Pastor Bryan Robbins. Blue Ridge Community Church is being planted in East Asheville and led by Pastor Nick King. They are presently meeting in the Blue Ridge Conference Center. Pleasant Hill Hispanic is the second work started in our area by Pastor Samuel Rodriguez meeting at Pleasant Hill Church. Biltmore will launch Pinnacle Church (Heath Davis) in March in Haywood County near Canton. We are grateful for the good start at North Point, where Gray Little is the Pastor. Now under watch care membership in BBA, they are raising funds for land purchase in North Buncombe County.

Our Education Team continues to plan for a fall launch of Seminary Extension in our association. We are currently seeking out possible teachers for courses. Requirements include at least a Master's degree in the field of study and agreement with the Baptist Faith and Message 2000. Seminary Extension is a cooperative work of the six SBC seminaries with extensions all over the globe. Undergraduate courses include work for ministers and lay persons leading to certificates, diplomas and bachelor degrees.

I am grateful to Clark Henderson and our Evangelism Team as they lead us in key events this year. Associational Baptism Rallies will be held in August and September to celebrate the SBC-wide emphasis to win one million people to Christ. And, we continue to pray and plan toward a possible Franklin Graham Festival in our area in 2008 or 2009. We are asking for letters of support from churches, businesses and key individuals that can be presented to the Billy Graham Evangelistic Association in the coming months. Those can be turned in to our office or sent to Rev. Clark Henderson at Newbridge.

Finally, we look forward to June in anticipation of the Southern Baptist Convention meeting in Greensboro. Support this meeting with your prayers, attendance and participation in Crossover. Mission participation in our sister city will yield fruit in Buncombe County when our members return home to organize similar projects here. Let's welcome our brothers and sisters from across the nation to North Carolina with open arms and a demonstration of how we all benefit from working together.

Church and Community Ministries Report

Norma Melton, Director

January 2005-December 2005

"...I tell you the truth, whatever you did for one of the least of these brothers of mine, you did for me." (Matthew 25:40, NIV) Buncombe Baptists have continued to answer the command of Jesus and respond with the kind of concern that He modeled throughout the New Testament. Churches have come together to intentionally do missions and ministry, reaching out in Asheville and beyond.

Easter and Memorial Day weekends gave opportunities for church teams to be servants at the I-26 Rest Areas. Hundreds of people received a cup of coffee along with Bibles, tracts, Jesus videos and other religious literature. Church teams again saw hundreds of people at the July Bele Chere Street Festival where cups of cold water were given in Jesus' name.

Our Association hosted an English as a Second Language (ESL) workshop May 12-14. Several of our churches are involved in teaching English as a Second Language. This is becoming an increasingly needed ministry in our communities.

Summertime gave opportunity for college student summer missionaries, Whitney Thompson and Ryan Capell, to work with Children's Choir Camp, Children's Mission Camp, Backyard Bible Clubs, Vacation Bible Schools and various other ministries.

In an effort to assist churches to reach beyond the church walls a Prayerwalk Training Conference was held in August. Many churches reported a new awareness of needs in their communities as a result of the prayerwalks.

September brought a unique time for volunteer teams to be servants among the carnival workers at the WNC Mountain State Fair. A young couple that travels across the country participating with an activity at fairs shared their tithe of $1000 to the fair ministry. They said that sometimes they see people giving out Bibles to carnival workers which is good. However, they noted that the volunteer teams were not only giving out Bibles; but the teams were doing what the Bible says we should do as Christians loving our "neighbors". Praise the Lord for such a testimony!

At the invitation of the North American Mission Board I have participated in three On Mission Celebrations this year (Alaska, Arkansas, Alabama) and was the North American missionary speaker at the Hawaii-Pacific Baptist State Convention in Honolulu, Hawaii. I am grateful for each time that I have to share about how God is working through Buncombe Baptists.

The ultimate focus of ministry in Christ's name is individuals who have needs. Through the many volunteers in Buncombe Baptist churches needs were met during this past Christmas season.

- Thank you for your commitment to help minister to 345 Angel Tree® children and their parents. As gifts were given to these children families were touched in Jesus' name and prisoners experienced the love of Christ through you.
- Thank you for being a part of ministry to more that 500 hundred other children who were able to receive gifts for Christmas because Buncombe Baptists partnered with Asheville Buncombe Christian Community Ministries by allowing them to use the Gayle D. Brown Ministry Center during November and December.
- Thank you for providing 332 "Red Boxes" containing hygiene items and Scripture. Boxes were distributed to residents at the Black Mountain Women's Correctional Facility, the Martha Home, the ABCCM Women and Children's Shelter, the Lewis Rathbun Center and a nursing home. Also, the wives of Fruitland Bible Institute students and many clients connected with Asheville Pregnancy Support Services and Families Together received boxes.
- Thank you for providing a Christmas party at the Black Mountain Women's Correctional Facility. The love of Jesus was shared through a devotional and Christian clowns.
- Thank you for singing at the Grove Park Inn. The Christmas message of Christ's love filled the lobby. Faces were aglow with smiles as people listened. Some even joined in.
- Thank you for caring as each Buncombe Baptist church reached out in individual and unique ways to lovingly answer the Biblical call to minister.

Christian Women's Job Corps® (CWJC) update information: The CWJC advisory board is in the process of evaluation regarding the direction of the ministry. Currently we are without a certified coordinator which is needed to continue the ministry. One possibility is to use the money in the Buncombe Baptist Association budget for CWJC to hire a coordinator on a part time basis.

During 2006 churches will have opportunity for teams to participate in various ministries. You may begin now signing up teams for the Easter and Memorial Day Rest Area Ministry and Bele Chere. Also, we will again be involved at the Mountain State Fair. Through Youth on

Mission and Appalachian Regional Ministry various opportunities will be made available for churches to minister and be the recipients of ministry.

Buncombe Baptists will be employing summer missionaries for 2006. These college students will be working in summer camps, Vacation Bible Schools, Backyard Bible Clubs, Bele Chere, and various outreach efforts to share the Gospel. If you know a college student interested in applying, please contact Norma Melton for an application.

Thank you for praying, giving, and going in Jesus' name

ORDER OF BUSINESSS COMMITTEE

Mike Adcock, Chairman

The Order of Business Committee would like to make the following recommendation:

The 125th meeting, Spring 2006, May 8, 2006, will be held at Grassy Branch Baptist Church. The speaker for the evening will be Mike Licona from the North American Mission Board.

The 125th meeting, Fall 2006, October 9, 2006, will be held at New Morgan Hill Baptist Church. The speaker for the evening will be Kevin Bennett, pastor of Mountain View Baptist Church in Black Mountain, North Carolina.

ORDINATIONS TEAM

Dean Huggins, Team Leader

July 1, 2004 – June 30, 2005

The Ordinations Committee counts it a privilege to assist churches in examining and recommending candidates to the gospel ministry. At the request of the member church, the Buncombe Baptist Association Ordinations Committee will examine a candidate and recommend him back to the member church for ordination. The church is then responsible to ordain the candidate, usually in an ordination service. A pamphlet entitled "Suggested Guidelines Leading to Ordination" is available in the associational office for anyone needing assistance with or information concerning ordination.

The following candidates were examined for ordination to the gospel ministry:

Terry Hollifield, Pole Creek Baptist, March 14, 2005
Aaron Burgner, Pole Creek Baptist, May 23, 2005
Sam Bennett, Bent Creek Baptist, July 25, 2005
Jesse Looney, Oak Grove Baptist, August 15, 2005
Jim Holmes, Berea Baptist, October 1, 2005

MEMBERSHIP COMMITTEE

James Lamb, Chairman

On Tuesday evening, October 14, 2004, at West Asheville Baptist Church, the membership committee recommended that Ecclesia Baptist be received with the association under watch care for one year.

After one year, October 11, 2005, we recommend that the Ecclesia Baptist be accepted into full membership of the Buncombe Baptist Association with all its rights and benefits, along with its responsibilities.

The Membership Committee has received a request for membership into the association from the North Point Baptist Church, Weaverville, North Carolina. North Point is a new church start by the West Asheville Baptist Church and has been meeting since 2004. They have recently been chartered as a church and are ready to move on with their mission.

The Membership Committee, made up of James Lamb, Nina Fisher, Ronnie Owen and Roger Rearden, along with Director of Missions Craig Bailey, met with Dr. Gray Little (Pastor) and recommend that the Buncombe Baptist Association receive North Point Baptist Church into membership under watch care for one year with all its rights and benefits provided in the constitution and bylaws.

IN MEMORIAM

Since our Fall meeting, October 2004, a total of 223 persons *"have fought the good fight, have finished the course, and have kept the faith."* There were *seven* deacons and *two* ordained ministers.

The Order of Business Committee makes a motion that the 2005 Buncombe Baptist Association Minutes be dedicated to the following ordained ministers:

Reverend Lewis Gibson, Black Mountain First Baptist Church

Reverend Hatcher Elliott, Swannanoa First Baptist Church

UNC ASHEVILLE BAPTIST STUDENT UNION

David Stone, Campus Minister

Here in Asheville, college students have a ministry designed just to meet their needs. The Baptist Student Union (BSU) has been serving at the UNCA campus for the past 16 years. By offering weekly Bible studies, worship, lunches provided by Buncombe Baptist Churches, and Christian fellowship the BSU seeks to pastor the Christian and reach the lost college students of Asheville.

This past year has been one of growth and renewal. We have endeavored to increase our ministry impact on campus and in the community. The number of students impacted by our efforts has steadily increased over the past year. Out reach to local ministries has flourished. As we continue to minister to students, it is our desire to prepare them to give back to the local church by offering youth retreat weekends, drama, music, or message to your church.

We have also endeavored to revitalize our facility. Students use the BSU house, which is opened from 8:00 a.m. to 11:00 p.m. weekly, as a place to hang out, have Bible studies, study for class, do laundry, prepare a fellowship meal, watch movies, pray, and play. Through generous donations from NC businesses, local churches, and individuals we are nearly done with remodeling the facility to make it more student friendly. Wireless internet allows the students to be able to study and do research from anywhere in the house. Yet, even with all of this progress, there are ways that you or your church can help us further.

What we still need:
Electrical work—replacing the old light fixtures and sockets
Landscaping—shrubbery, mulch
Plumbing—bathroom renovation, adding showerheads
Carpentry—fixing the porch, finishing the trim work
Driveway—we need our gravel/dirt driveway paved and our parking area increased.
Funding—would your church consider us in their annual budget
Prayer—always needed as we endeavor to reach out to the campuses of Asheville

If you can help with any of these items, please feel free to contact David Stone.

Board of Directors: Craig Bailey, Buncombe Baptist Association; Larry Basinger, Merrimon Avenue Baptist Church; Vollie Barnwell, North Point Baptist Church; Buddy Corbin, Calvary Baptist; Aundria Gaddy, UNCA BSU President; Jim McCoy, Weaverville First Baptist: Stephen Summers; Jason Woodby, UNCA Graduate; Joe Yelton, Hominy Baptist.

CHRISTIAN LIFE AND PUBLIC AFFAIRS

Gail Harding, Consultant

During the past year 10 monthly INFO PAGES have been emailed to Buncombe Baptist churches. A special INFO PAGE is now being prepared dealing with the pornography issue.

In addition to the social/moral issue resources (books and videos) available at the Resource Center, CDs on **abstinence, Christian citizenship, education, entertainment & pop culture, gambling, hunger, kids & money, parenting, race relations, sanctity of life, substance abuse, and the ten commandments** have been added. These CDs contain sermon notes, fact sheets, articles, resources, and audio. Please take advantage of these resources, most of which have come from The Ethics & Religious Liberty Commission of the Southern Baptist Convention.

At the state level, a 23-year battle has been lost as Governor Mike Easley, on August 31, signed House Bill 1023 - North Carolina State Lottery Act. With two "no' vote absentees (one in bed on doctor's orders, one on his honeymoon), Lt. Gov. Beverly Perdue, who can only vote to break a tie, cast the deciding vote (25-24). The House had passed the bill in April (61-59). The Buncombe County representation voted as follows:
Senators - **NO:** Tom Apodaca, R-District 48; Martin L. Nesbitt, Jr., D-District 49

Representatives - YES: Susan C. Fisher, D-District 114; Bruce Goforth, D-District 115;
Wilma M. Sherrill, R-District 116

The state legislature will reconvene in May for the 2006 session.

On the national level, concern exists over Supreme Court decisions that affect us presently and will for years to come. The confirmation of a new Chief Justice, John Roberts, and nomination of Harriet Miers to the Sandra Day O'Conner seat leave the nation wondering what direction this Court will take in the current session as it faces some of the most critical issues of the day - including cases dealing directly with abortion and life issues (partial birth abortion, parental consent, right to die), as well as religious liberty and free exercise issues.

To effectively be salt and light we must be informed, involved, and in prayer.

ANNUITY BOARD

OFFICE OF GUIDESTONE FINANCIAL RESOURCES FOR THE BAPTIST STATE CONVENTION OF NC

Johnny E. Ross, GuideStone State Representative

The name change from the Annuity Board of the Southern Baptist Convention to GuideStone Financial Resources, SBC, became official with action at the annual convention in Nashville, TN, in June of this year. With the name change comes a renewed effort from the national agency and the individual state conventions to service more effectively the needs of church employees relating to retirement, insurance, planning financial support, church and clergy tax issues, etc.

In an ongoing effort to provide a variety of insurance products priced competitively to meet the diverse needs of our constituency, GuideStone continues to negotiate with insurance providers for the best price. Moving to Blue Cross/Blue Shield Highmark as the primary provider and to the Blue Cross/Blue Shield Highmark as the primary provider and to the Blue Cross/Blue Shield national network has saved millions of dollars this year for our churches and church employees. Unfortunately, pastors and employees of our smaller churches (less than 10 employees) are at the greatest disadvantage because of the requirement to prove evidence of good health in order to qualify for coverage. We continue to encourage new students in our divinity schools, Bible institute, and seminary to take advantage of the 31 day open enrollment period commiserate with their first time enrollment in one of these schools.

The need for retirement planning among our church employees continues to be a challenge, which must be met through meaningful educational experiences. The most difficult task is getting the appropriate information to key decisionmakers in our churches—church treasurers, budget/finance committee members, personnel committees, deacon chairs, etc., who determine what retirement benefits, if any, the church will provide for their pastors and other church employees. Many of these key leaders are unaware of the protection benefits-disability and survivor—in the Church Annuity Plan, which are **provided at no cost** to North Carolina retirement participants who meet the eligibility requirements. During calendar year 2004, 964 disability checks totaling $459, 166.09 and 15 survivor checks totaling $328,655.38 were sent to North Carolina church employees and their families.

Without question, the most disturbing part of my work is the large numbers of pastors who come to retirement with Social Security as their only source of income. This is especially sad for those who have served our churches for many years and have little or **no** retirement monies to rely on in their latter years. Presently, GuideStone is providing financial assistance on a monthly basis to 244 retired pastors and church employees here in North Carolina through the Adopt An Annuitant and Relief Ministries.

Finally, it is our desire to increase the level of retirement participation from 5,165 participants in 2,354 churches, which represents 61% of our NC churches as of June 30, 2005, and to serve all of our churches and their employees with the appropriate products to meet their needs. For more information, call the Baptist State Convention of NC at 8-800-395-5102 extensions 320 or 321, visit our website at www.northcarolinabaptists.org, call GuideStone at 8-800-262-0511, or visit the GuideStone website at www.GuideStone.org.

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA
July 2004-July 2005

Celebrating our past. . .charting our future!. . . Baptist Children's Homes has set its sights courageously toward the future as it observes 120-historic-years of service. Since 1885 when 9-year-old Mary Presson was admitted as a child in care, Baptist Children's Homes has been a beacon and a haven to children. Baptist Children's Homes has touched thousands upon thousands of lives throughout three centuries, never afraid to meet the ever-changing needs of children and families, yet never wavering from its fundamental mission.

In the dawn of a new millennium, Baptist Children's Homes stands poised. BCH proudly charts an exciting pathway to the future through its new strategic plan: *Guiding Star. . . illuminating the Lives of Children and Families.*

Lives are miraculously changed. Tears of boys and girls evaporate and hopeful smiles bloom. Through the remarkable efforts of North Carolina Baptists and the love and leadership of God, Baptist Children's Homes continues its mission of *helping hurting children. . . healing broken families*—offering the promise of a better tomorrow to those we serve now and in the years to come.

***GuidingStar Defines Bold Path*. . .** After a year-long effort led by BCH President Michael C. Blackwell, Baptist Children's Homes launched *GuidingStar. . .Illuminating the Lives of Children and Families.* The new strategic plan was approved by the Trustees in their September 2004 meeting and was officially introduced in February of this year. Comprised of defined core values and determined focus, *GuidingStar* was created with essential input from all BCH staff. Blackwell's vision was to create a strategy that could be utilized for years to come.

Family Gathering II Celebrates 120 years. . ."Family Gathering II" brought together all staff members and children from Baptist Children's Homes facilities statewide to celebrate the agency's 120th anniversary. The historic day was held on June 14, 2005, at Mills Home in Thomasville and was only the second time the entire "BCH family" has gathered at the same time and place. Everyone participated in a day of games, singing and a worship program in the campus church.

North Carolina Baptists "Roundup" Food for BCH. . . The "Food Roundup" was held in April 2005 for the second time in three years. North Carolina Baptists poured out their support by collecting, sorting and delivering essential food and supplies for all BCH's geographic area. Associations reported church participating was high as Directors of Missions allowed their offices to become key collection points for donations. Volunteers donated their time to help sort and count and food.

Many Voices, One Story. . .This year's Thanksgiving Offering theme, "There for Me" represents the pivotal role individuals play in the lives of hurting children. Baptist Children's Homes represents the outstretched hands of God, supported by North Carolina Baptists through their prayer and financial support. BCH staff lends their lives and their hearts daily to care for the physical, spiritual and emotional needs of boys and girls. Just as Jesus proclaims in the scriptures, "I will never leave you nor forsake," dedicated friends have made the same promise to the children who walk through BCH's doors. It is only through North Carolina Baptists' support and commitment that BCH can continue to make a difference. This year's statewide Thanksgiving Offering goal is $1,350,000. This represents a $50,-000 increase from last year. Challenge your church to participate in the 2005 Thanksgiving Offering.

Breaking New Ground. . .Baptist Children's Homes continues to make a difference around the state. On September 26, 2004, BCH broke ground for two new Developmental Disabilities Ministry group homes in Zionville. "Joy Cove Ministries," the homes for adults with developmental disabilities, are currently under construction on the original Camp Joy property near Boone. . .Three BCH direct care staff became the first child care workers in the state to be professionally certified through the "Children and Family Services Association, North Carolina. Two other staff members received certification to train additional child care workers for professional certification. . .Groundbreaking for the Alverta Bolick DDM Group home in Asheville took place on November 30, 2004. The home is under construction. . .A "Laying the Foundation" ceremony on February 9, 2005 celebrated the building of the Harmony Homes DDM residence in Dunn. The home was built in cooperation with Housing and Urban Development and Harnett County's Association for Retarded Citizens. . .The building of Kennedy Home's new education center was commemorated with a groundbreaking ceremony on July 3, 2005. In partnership with Lenoir County Schools, the facility will house the specialized education program serving Kennedy Home residents and other students from the community.

BAPTIST STATE CONVENTION OF NORTH CAROLINA

John Butler, President, Board of Directors
George Bullard, Acting Executive Director-Treasurer

NC BAPTIST FAITH SOARING DURING LEADERSHIP TRANSITION

Change can drag behind us like an anchor or lift us like a balloon. Executive Director-Treasurer Jim Royston's move to the pastorate of First Baptist Church, Mooresville in September 2005 will be a change catalyst in the life of the Baptist State Convention of North Carolina. George Bullard, named acting executive director-treasurer by the Executive Committee in July, assures North Carolina Baptists that "your staff will soar during this interim period, both in current work and plans for the future."

Royston held the office for nearly eight years, and will be recognized for his service during ceremonies at the Baptist State Convention annual meeting, November 15.

"We will continue to resource North Carolina Baptist congregations, to plant churches, train workers, nurture partnerships and to answer questions," said Bullard Royston's associate for two years. "I have every confidence in our future, and in our ability to move forward with purpose and direction during the interim."

Peninsula Baptist Church Pastor Robert Jackson will lead a 14-member search committee.

While the change revolving around Convention leadership garnered the most attention in 1005, the deep, steady work of your Baptist State Convention continued to flow.

Operating under the mandate to resource congregations, Convention staff interacted with thousands of people from hundreds of churches and dozens of associational partners. From core efforts to plant churches, partner with state conventions in more unchurched populations, provide Christian education and benevolent care and other dozens of training opportunities in every area of church ministry, Convention staff also have been creative in nurturing new avenues of ministry.

Thousands of young people every summer are confronted with the choice of life-changing commitments in the inspirational setting of camps and conference centers. **The North Carolina Baptist Assembly at Fort Caswell, Caraway Conference Center, Camp Caraway, Mundo Vista and Truett Camp**—each in its unique way—host hundreds of groups who flock to these places to listen, learn, participate and be inspired by program professionals and personalities.

Hollifield Leadership Center and **Lake Hickory Learning Communities** host some of the best and brightest 21st century Christian ministry thought leaders for a series of learning experiences to build capacity among various learning communities. These communities have formed around the areas of **Christian Leadership, Coaching, Sustaining Pastoral Excellence, Spiritual Strategic Journeys, and Congregational Transformation Experiences.**

Because many churches cannot sponsor a new church start by the themselves, partnerships are vital for progress. **The Associational Partnerships Team** believes associations have a great opportunity to make significant and positive impact on local Baptist churches today.

Within one hour of blasting an email promotion of Eddie Hammett's new book *Spiritual Leadership in a Secular Age,* nine orders for it were placed through the bookstore on the www.northcarolinabaptists.org website.

Finding new ways to communicate effectively with a diverse, geographically distant constituency is a constant challenge for the **Public Relations and Resource Development** group at the Baptist State Convention. From the new website, to lobby furniture in the Convention Staff Building in Cary, to audio and video magazines, media relations and the content of every promotional piece for every seminar and training event by convention staff, public relations tries to communicate a consistent message.

Cooperative Program Missions Giving and the **North Carolina Missions Offering** undergird all mission and ministry activities of Baptist State Convention staff. Mike Creswell, senior consultant for CPMG promotion, has created the 1-3-6 Challenge to North Carolina Baptist churches—challenging them to increase their percentage giving by one percentage point within the next three years.

North Carolina is swelling with people and many new Baptist churches are needed to provide a place where people can discover genuine love and faith. The **Church Planting Team** works with new church planters, trained mentors, sponsoring churches and Baptist Associations to help train church planting pastors and plant new churches where they are needed.

Members of the **Mission Growth Evangelism Team** minister to college students as they begin a new chapter in their life on a college or university campus. **The Church Growth Team** operates approximately 40 different ministries in helping NC Baptist churches reach out to the lost in their communities and in resort areas, including reaching cowboys, motorcycle riders. **Lay Renewal** is seeing renewal as testimonies of lay-led events revitalizing churches warm our hearts

Fruitland Baptist Bible Institute now offers classes in Spanish, and an academic partnership has been established with the college at Southeastern Seminary.

A basic "Prayer, Care & Share" evangelism strategy plan for churches and associations is available via the Evangelism office.

A **prayer affinity initiative** with Wyoming Baptists provides strategic prayer journeys in Wyoming, prayer walking and traveling across the state.

Too many pastors are retiring with no source of support, often because pastors and church lay leaders are unaware of the protection benefits—disability and survivor—in the **Church Annuity Plan,** which are provided at no cost to North Carolina retirement participants.

Congregational services teams help congregations discover and move into their futures. Only churches that see themselves into a vital, growing, active future will move toward it.

One of the partnership methods is **Christian coaching.** Coaching assumes that a unique "solution seed" lies within every challenge. Coaches are being trained and coaching is coming into its own as a way for trained and caring individuals to come alongside a congregation and its leadership to help them discover and live into their own futures.

Besides growing ministries among military families with a deployed member, in 1005 the Baptist State Convention began a chaplaincy ministry directly related to teams providing disaster relief.

The Church building consultants did dozens of on site, personal consultations.

Pursuing Vital Ministry is a congregational journey of discovery that involves the passionate core of your church to develop a future story to which your congregation will live into. Pastors learn to trust, as one did, that "people had keen insight and God was speaking to their hearts about the future story of (our) church. It involved a journey that would help us reach the point of discovering God's vision for the church and help us to live into that journey."

Preschool and Children's Ministry Certification trains workers and staff to meet the challenges of this culture. It also teaches ways to minister to children and families outside the church family, even forging relationships with local schools.

After North Carolina legislators passed a lottery bill in September, **Council on Christian Life and Public Affairs,** Director Steve Sumerel says the battle now is to mitigate the social ills that a lottery will bring.

Hurricane Katrina sharply focused one of **North Carolina Baptist Men's** significant areas of work. Disaster relief is just one of 14 ministries of Baptist Men.

Woman's Missionary Union of North Carolina sponsored CrossWalk North Carolina, in which associational groups literally carried a large cross the length of the state, with a grand finale held May 13-15, 2005, at Caswell. Over 7,150 youth in more than 61 associations were involved.

WMU also was at the heart of a national Triad Missions FEST/Family FEST in July in the Central Triad, Piedmont and Pilot Mountain associations. It was the largest event of its type involving over 700 volunteers from 15 states in missions.

The ministries of Baptist Men and Woman's Missionary Union are funded by gifts to the North Carolina Missions Offering.

North Carolina Baptist social services agencies, the **Children's Homes, Retirement Homes and Hospital continued** their service to "the least of these" who need a caring touch during a moment, or a decade of trauma.

Other teams from **Bible Drill,** to **personal evangelism,** to **multicultural and language ministries,** to **business services** and **week day education, music and all state youth choir** and **Sunday School** and others also employed active, effective ministries in 2005. These called, trained Christian professionals are your team helping to mobilize Baptists for ministry.

The mission and ministries your Baptist State Convention provides, in partnership with churches, associations and national bodies, are made possible by gifts through **Cooperative Program Missions Giving** and the **North Carolina Missions Offering.** Each association receives 10 percent of NCMO gifts given by churches in that association.

Your Baptist State Convention staff is eager and ready to resource your congregation. Contact them at 1-800-395-5102 or through the web at www.northcarolinabaptists.org. You can write to 205 Convention Drive, Cary, NC 27511.

NORTH CAROLINA BAPTIST FOUNDATION, INC.

Harold G. Kroger, Chair, Board of Directors
M. Clay Warf, Executive Director

The mission of the North Carolina Baptist Foundation since its inception in 1920 has been to assist the Convention and its institutions and agencies in increasing an awareness among North Carolina Baptists of Christian estate stewardship principles as a means of financially undergirding churches, institutions and mission endeavors on a permanent basis. The uniqueness of the ministries and services provided by the institutions and General Board staff merits increased financial support. The Foundation accomplishes these objectives by offering assistance in estate planning counsel, will preparation, planned giving, charitable remainder trusts, endowment funds and church fund management.

During 2004, the Foundation assisted individuals in establishing 42 endowment funds and 17 charitable remainder trusts totaling $2.9 million and received $4.9 million in contributions to existing endowments all of which will ultimately benefit countless Baptist causes on a permanent basis. Programs were provided for churches and associations during the year to promote "Make a Will Month," Christian estate stewardship, and church fund management. Over $1.3 million from churches and institutions came under management to enhance numerous ministries including scholarships, building funds, cemetery funds, benevolence funds, general operating funds and other various mission causes. Overall, the Foundation received $9.1 million contributions during 2004 for Christian causes.

The Foundation employs professional money managers to invest these funds according to an investment policy adopted by its Board. Four investment pools are offered: a growth fund, a balanced fund, an income fund and a fixed income fund. The Foundation uses the services of Salomon Smith Barney to help select top money managers and evaluate performance. As of December 31, 2004, the Foundation held $125.8 million under management.

During 2004, our contributions totaled $5.5 million, with charity receiving $3.5 million and individuals, through trusts, receiving $2 million. During the 84-year history of The North Carolina Baptist Foundation, Inc., $27 million had been distributed to individuals and $47.6 million to Baptist churches, institutions and mission causes for a grand historical total of $74.6 million.

ADDITIONAL HIGHLIGHTS AT NORTH CAROLINA BAPTIST HOSPITAL

Minister's subsidy

A subsidy of up to 25% on Baptist Hospital bills is provided to ministers (and their dependents) serving N.C. Baptist churches, Associational Missionaries in N.C., Baptist missionaries, and retired Baptist ministers living in N.C. Those needing assistance with medical appointments at NCBH are welcome to call Church and Community Relations (336-716-3027). This subsidy is made possible by the Hospital's W.K. McGee Patient Service Fund, with support from the Mother's Day Offering as needed. Nearly $80,000 was provided to ministers in FY 2005.

We are very thankful for the support of North Carolina Baptists in fulfilling our mission. The minister's subsidy is one way, among many, that we are able to give back.

Ministers Care Plan

A partnership between Baptist Hospital's CareNet Counseling Centers and the BSC of NC makes low cost, professional counseling available to full-time ministers and their families serving N.C. Baptist churches. The BSC provides $45 per session (20 sessions per year), the minister pays $20 per session, and CareNet subsidizes the remaining cost. When ministers go to approved counseling centers outside the CareNet system, they may pay slightly more.

Educational Seminars

We provide several seminars to Pastors Conferences at no cost. Programs include:

- *The Faith Factor in Health and Healing*
- *Speaking to Unspeakable Pain: The Minister as Crisis Counselor*
- *Pastoral Care in a Prozac World: Ministering to Those Burdened by Stress, Anxiety, and Depression.*

National Rankings Place Baptist Hospital Among Nation's Best

- We continue to be ranked among America's top 50 hospitals by *U.S. News and World Report.*
- We are *one of America's top 15 major teaching hospitals* according to the Solucient Top 100 Hospitals, one of the nation's most comprehensive ratings of hospitals.
- We have the highest level of accreditation from the Joint Commission on Accreditation of Health Care Organizations (JACHO).
- Our patient satisfaction scores are among the nation's highest—in the top 1% compared to our peers.

Notes from the "Vision Casting" Meeting were shared. Considering where the association is and where it needs to be a list of critical issues was compiled. From that list, four priorities were given:

1. Reaching people through Bible study/evangelism/listening
2. Leadership Development
3. Strengthen churches/meet churches' needs
4. Meeting human needs

Our leader, Leon Boyd, suggested we set goals to address these objectives and that the goals should be specific, attainable and measurable.

The moderator reported that Steve Ackerman had resigned as chairman of the Director of Missions Search Committee and that he had asked James Lamb to serve as chairman. There were seven persons on the original committee. It is Wayne's recommendation that we do not need to add another person to the committee. The committee has already started its work and does not feel it is necessary.

James Lamb, chairman of the Director of Missions Search Committee, gave an update from that committee.

- Request prayer from the Leadership Council
- Believe God has the right person in His mind and heart for our leadership
- The committee meets together, we pray together, we're open and honest with one another. We discuss our goals.
- Resumes were prioritized and an honest research was done.
- Questionnaires were sent out to the church leadership. Some good information was received.
- We met with Lester Evans from the NC Baptist State Convention.
- A profile has been done to determine who we feel God would have us to bring.
- "Vision Casting" weekend was very helpful.
- One candidate has been interviewed.
- The Moderator and personnel committee have been asked to develop a job description for an interim director of missions and a permanent director of missions.
- The finance committee has been asked to develop a salary package that can be offered as the process progresses.

Kevin Bennett and Wayne Roper, other members of the search committee, shared about their work on the committee.

Gayle made some remarks concerning the importance of this position. This person will set the direction of the Association. Buncombe Baptist Association is one of the largest in the state and is well respected. He suggests that the committee possibly look for an experienced director of missions.

The Moderator announced that Gayle has resigned as Interim Director of Missions, effective December 31, 2004.

James Lamb gave an update on the search for an interim director of missions. A resume has been received from a retired director of missions and James has talked with him by phone. The committee will meet on Wednesday, November 24, 2004 to discuss this. Hopefully, this person can begin January 1, 2005.

A special prayer for the Search Committee was led by Steve Harris.

A motion was made by Perry Brindley that the Search Committee maintain the number of six members. The vote was unanimous. James stated that the committee would not bring a recommendation unless they were unanimous.

Gayle shared that he will be working more hours with Baptist Retirement Homes. He will be traveling from Hickory and Shelby to the west, speaking in churches about the ministries of the retirement homes.

There were no other business items to be discussed. Gene King made a motion that the meeting be adjourned.

BUNCOMBE BAPTIST ASSOCIATION
LEADERSHIP COUNCIL MEETING
Monday, January 17, 2005

MINUTES

The evening began with supper at 6:00 p.m. At 6:45 p.m. Wayne Higgins, Moderator, called the meeting to order. Members present were: Wayne Higgins, Nancy Owen, Clark Henderson, Gene King, Stan Willet, Tom Pierce, Dean Huggins, Kyle Carver, Kim Black, Norma Melton, Scott Shields, Gail Harding, Edwina Messer, Shirley Lawson, Kevin Bennett, James Lamb, and Cathryn Kinser. Others in attendance were: Barbara Pierce, Susie Black, J. Billy Graham, Anne Graham, Harold Blankenship and Ava Peek.

Wayne expressed thanks to the ladies who prepared the meal and those who served it. He also introduced J. Billy Graham, the new interim Director of Missions. His wife, Anne, was also present.

After special prayer requests were named, Gene King led in prayer.

Minutes from the November 22, 2004 meeting were distributed. There were no additions or corrections. The minutes were accepted as information.

Kyle Carver, Chairman of the Finance Committee, reviewed the financial reports.

- The report was a preliminary report, because the books for 2004 will not be closed for another week.
- December receipts were a little less than average. Year-to-date actual expenditures were $247,849.80 and our income was $292,519.66, with a difference of $44,669.86. He reminded us that we had not been paying the salary for a a full-time director of missions, but an interim director of missions.
- Two $5,000 payments have been made against the principal on the indebtedness on the Gayle D. Brown Ministry Center.

There were some corrections to be made on the 2005 budget.

506702 Secretary/Receptionist annuity should be 2,318 instead of 2,260. This figure was based on a $22,000 salary and not $23,175.

An error in addition in "Total Administrative Expenses." Figure should have been $147,155 not $147,315.

With the addition of item #1 and correction of item #2 the "Total Administrative Expenses" figure should be $147,213, changing the revised total budget figure to $338,985 instead of $339,087.

No vote was needed to make these changes.

The Finance Committee will meet this Thursday, January 20, 2005, to overview the 2006 budget. Committee chairpersons, team leaders and consultants will receive forms for their ministry needs. The committee will discuss ways to decrease our indebtedness on the Ministry Center.

The chairman made a motion that the report be accepted; Gene King seconded the motion. The preliminary financial report was accepted.

Wayne stated that the Personnel Committee had developed a job description for the new Director of Missions. Copies of the job description were distributed after the reading of the committee's report.

James Lamb, Chairman of the Search Committee, recognized the members of the committee that were in attendance. They were: Kevin Bennett, Ava Peek and Harold Blankenship.

A special called meeting is scheduled for Monday, January 31, 2005, at 7:00 p.m. at Merrimon Avenue for the purpose of voting on the permanent Director of Missions. He will be meeting the staff, pastors and others at the Resource Center at 4:30 p.m.

This is the Director of Missions Search Committee's report submitted to the Leadership Council.

The DOM Search Committee has reached a decision to present, as a candidate for permanent Director of Missions, Dr. Craig Bailey. This presentation will be made on January 31, 2005 at Merrimon Avenue Baptist Church at 7:00 p.m. This meeting has been called for this purpose.

Dr. Bailey's resume begins with the words: "*Today's missionary must relate to such a broad range of people and churches that background is increasingly important. I've had the privilege of serving in full-time and part-time ministry positions, from staff ministry to a senior pastorate with four full-time staff associates, from rural churches to the suburbs. I have been a successful church planter and have turned around stagnant, older churches.*"

"From this background God called me to assist churches in becoming all they could be for Him. I believe the local association is the ideal place from which to fulfill this calling. God's confirmation came first at the North American Mission Board when I attended the training conference for potential associational missionaries. He opened a door of ministry, which has allowed me to work with a dynamic metro Atlanta association as a consultant to help churches become healthy congregations. For three years I have also worked on the Church Health Team of the Georgia Baptist Convention in developing strategies to help our churches achieve health and growth."

"As a trained consultant with Natural Church Development, Church Central Associates, and others, I have the tools to help the local congregation."

Dr. Bailey's ministry objective is "*To serve the Southern Baptist family of churches in a denominational and/or associational role that will promote Kingdom growth and glorify the Lord Jesus Christ.*"

He is married to the former Sue Kitchens of Covington, Georgia, 1976. They have two daughters: Joy, a 2003 graduate of Southern Seminary in Louisville, Kentucky, with a Master's Degree in Religious Education, who is married to Southern Student, Tim Mercer; Libby, a graduate of Charleston Southern University, who has recently married the son of the Executive Secretary of the South Carolina Baptist State Convention.

He is qualified for service by way of serving as Director of Church Health, Stone Mountain Baptist Association, Conyers, Georgia. Here he serves an east metro Atlanta association of urban, suburban and rural churches primarily in DeKalb, Rockdale, and Newton Counties. He also serves on church health team for the Georgia Baptist Convention. He also serves as transitional pastor for the Park Place Baptist Church. He served as pastor, Second Baptist Church, Beech Island, South Carolina where he reorganized a struggling congregation leading them to new records in attendance, giving and baptisms, while eliminating a large debt.

He served as a church planter with the Georgia Baptist Convention where he founded the Perimeter Road Baptist Church, Valdosta, Georgia. A church which started with about 20 people from First Baptist and earned three Eagles for Sunday School growth. Top 75 in baptisms in Georgia for four years. Completed two building programs which became debt free in eight years.

Dr. Bailey has a Ph.D. in Christian education, Master of Theology, graduate work in missions, Bachelor of Ministry, Associate of Arts, additional studies in business and computer technology.

Much professional training in leader training, church development, church health, church planter, F.A.I.T.H. church building, etc.

He comes highly recommended and referenced by many outstanding leaders. One reference said in answer to the question, Do you think the candidate has the appropriate gifts and/or personality for associational ministry—specifically with regards to the position of Director of Missionary? Why? "Absolutely. Craig's giftedness and passion for ministry is apparent in every aspect of his work. That coupled with his desire to see leaders excel and grow in their God-given capacities makes him a wonderful candidate for the Director of Missions."

Letters will be sent to pastors sharing information about this person and the called meeting. Kyle Carver, Chairman of the Finance Committee, asked if the current package of compensation as indicated in the budget 2005 would need to be adjusted. Wayne stated that Dr. Bailey had been given information about the salary package. At this point, no adjustment needs to be made.

The Search Committee further recommended that the vote taken on January 31, 2005 would be by standing vote. A question was asked if we voted by standing vote, how would we identify messengers. The answer was that all messengers would register with their messenger card. At that time messengers could be given a colored ballot to hold up as they vote.

Another question was raised: Would people vote more honestly if we voted by secret ballot instead of standing? The answer given by Kevin Bennett was that the committee felt that the vote should be taken as we had in electing Directors of Missions in the past. The motion to vote by standing vote was accepted.

Another recommendation by the Search Committee was that this person should be elected with at least a 75% vote. The vote to adopt this recommendation was accepted.

Kevin Bennett shared with the Council the process the committee went through to select the candidate for the Director of Missions.

- ☐ Gayle recommended a person from the state convention to come and provide training

- Worked through a book called "Leader Search" Included in that book were recommendations for surveys which were mailed out and emailed to leadership within our association
- From that information, the committee developed a compilation of al of that, perceived needs, direction people felt the direction should go
- Gayle scheduled a "Vision Casting" weekend. More information was gathered.
- A profile was developed. Take resumes look at needs, direction and vision that was being cast through that process—this is what a person would look like
- Through this process there was unity in the first choice, without discussion.
- The committee has met in other places.
- The process has been a very thorough one.

Billy Graham affirmed the committee for arranging the 4:30 p.m. time on Monday to allow Dr. Bailey to meet the staff and pastors. A time would also be given at the 7:00 p.m. meeting time to ask questions before the vote was taken.

James further stated that the committee had received 69 resumes, from several states, some locally and even internationally. There were some very good ones. It's been amazing how God has worked through this committee—that Independently, once the profile was developed, that the committee members could go through all the resumes and all seven members of the committee (this was before Steve Ackerman resigned as chairperson of the committee) agreed on the top three candidates.

Wayne expressed thanks to the committee and to the staff.

There was no other business.

Kevin Bennett announced that Mountain View is sending teams on Tuesday, Thursday and Saturday to Clyde for disaster recovery. If anyone is interested, call the church office.

Motion to adjourn was made by Kim Black; Scott Shields seconded.

Meeting was adjourned with a closing prayer.

Jonathan Gibson, Worship Leader from Merrimon Avenue, led the congregation in an opening hymn, "All Hail the Power of Jesus' Name."

Wayne Higgins, Moderator, called the meeting to order. He stated that the purpose of the meeting was to consider a person for the position of Director of Missions of Buncombe

Baptist Association. Letters were mailed to give a two-week notice of this meeting, according to the constitution and bylaws. On Monday, January 17, 2005, the Associational Leadership Council made a decision that a vote of 75% would be needed to elect this person.

The Moderator shared some personal thoughts.

9. Our Association has a bright and exciting future.

Gene King, Vice-Moderator, led in prayer.

Jonathan led us in singing "Great Is Thy Faithfulness."

Kevin Bennett, a member of the Director of Missions Search Committee, shared with the messengers the process the committee used to seek a new Director of Missions.

- The team met, prayed, laughed, cried and labored together
- First order of business was to elect an interim director of Missions. Gayle Brown, was elected and served from July to December 2004. Dr. J. Billy Graham began serving on January 4, 2005.
- Met 30 times over a period of 8 months in various places at various times and with various people.
- Received input of numerous folks through the association, Baptist State Convention and North American Mission Board
- Had Sessions with the ministers' conference, ministers' prayer team, moderator, leadership council, staff, interim directors of missions.
- Met with Lester Evans, consultant with the Baptist State Convention
- Mailed out approximately 500 questionnaires to associational leaders
- Participated in a "Vision Casting" weekend, led by Leon Boyd
- Developed a strategy, personnel profile, charted a course to discover the person God desired us to have as our new Director of Mission
- Received 69 resumes. Through a process of evaluation, continuing prayer and close scrutiny, the resumes were prioritized. The members were urged to work independently to choose the top two candidates. Each member of the committee chose the same for number one and number two. The person to be presented tonight was the top candidate throughout the process.
- God has a glorious plan and purpose for this association. We must focus on what God has given us

James Lamb, chairman of the Search Committee, recognized the members of the committee in attendance at the meeting. He also thanked the pastor, staff and members of the

Merrimon Avenue Baptist Church for hosting tonight's meeting. He thanked the hospitality committee of the association for planning and preparing the reception held earlier in the day to give people an opportunity to meet Dr and Mrs. Craig Bailey.

James introduced Dr. Bailey. Dr. Bailey shared his testimony He shared his vision for missions and ministry in the association. It's about building our churches and helping them to accomplish their mission.

The Moderator recognized again the search committee and especially James Lamb, chairman.

As chairman of the search committee, James Lamb, made the following motion: The Director of Missions Search Committee now moves the election of Craig Bailey to serve the Buncombe Baptist Association as permanent Director of Missions. Coming from a committee does not require a second.

Joe Babb (Arden FBC) asked if an adjustment would need to be made to the compensation package for Director of Missions salary currently stated in the 2005 budget.

The moderator stated that the 2005 budget has been approved and within that budget is a package for a permanent director of Missions. This has been discussed with Craig and he's in agreement with that, at least at this time.

James further stated that the search committee has talked with Craig but that he has not met with the finance committee yet. Since the cost of living is a little higher here in this area than in the area where he now lives there may need to be an adjustment on the housing allowance. He (James) has talked with the finance committee and the moderator and there seems to be no problem with being able to make whatever adjustments there would be necessary. The budget is a foundation to work with and we have discussed that--then would just be the adjustment of the amount of housing allowance and salary, etc.

(Wayne) But within the same total compensation package. That is the understanding at this point.

Wayne stated that the Leadership Council had voted on January 17, 2005 that a 75% vote would be necessary in favor of any candidate that would be presented as Director of Missions.

A standing vote was taken. There was no opposition. Dr. Craig Bailey was elected as the new Director of Missions of Buncombe Baptist Association. He will begin his work on Monday, April 4, 2005.

James recognized Billy Graham who has served as interim director of missions for the past three months. Wayne also expressed his appreciation for Billy Graham. A special thanks was extended to Norma, Nancy, and Susie.

Wayne Roper dismissed the meeting with prayer.

Mike Adcock, chairman of the Order of Business Committee, recommended that the printed program for the evening be adopted, with one addition. A report sharing needs of the Baptist Children's Homes of North Carolina would be given after the Constitution Committee Report. The program with the change was adopted.

The Moderator announced that the Cathryn Kinser and Denise Fryar were appointed as members of the Enrollment Committee who served to register the messengers attending the meeting.

Gene King, Vide-Moderator, recognized new pastors and staff. Aaron Burgner, Associate Pastor of Family Life, at Pole Creek Baptist Church was welcomed into the association.

Rick Ramsey, Minister of Music of Grace Baptist, led the congregation in singing "Open the Eyes of My Heart" and "I Sing Praises."

Dr. Craig Bailey was officially installed as the new Director of Missions of Buncombe Baptist Association. Gene King read I Peter 5:1-11. The Moderator challenged the messengers of the association to pray, support, and encourage Dr. Bailey is this new work.

Ken Kessler, Senior Consultant, Associational Partnerships of the Baptist State Convention of North Carolina, brought greetings from the state convention.

The choir ministered by singing "I'm in His Care."

Bud Dotson, treasurer, gave the financial report.

1. Receipts are 10% below budgetary needs.
2. A gift of $9,600 has been received from a lady who had been a friend of the association.
3. The balance on the ministry annex is $196,934.08.
4. The financial report was approved as printed on page 26.

Perry Brindley, chairman of the Nominations Committee shared that committee's report. The report included, mission teams, church ministries teams, ministry consultants, and administrative committee chairs. These leaders, when elected, will help the committee select other team members.

James Lamb, chairman of the Membership Committee gave that committee's report. The membership committee received a request for membership from the Calvary Baptist Church of Fairview.

The committee met with Pastor Chris Reese and three of the leaders of the church. After reviewing the constitution and by-laws along with the mission statement and hearing of their desire to work along with the churches in the Association, we believe they are prepared to become an active member of the Buncombe Baptist Association. We recommend they be received into watch care membership for one year with all the rights and responsibilit8ies according the constitution.

This committee would like to express appreciation to J. Billy Graham for his work with the Calvary Baptist Church to inform them as to the work of the association, and of his presence at the meeting with this committee. Also the committee expresses appreciation to Dr. Craig Bailey for this presence and participation in that same meeting.

Other committee members are Nina Fisher, Ronnie Owen, D. J. Abernathy and Roger Rearden.

Shirley Lawson, chairperson of the Constitution Committee, brought the following motion. At the request of the Nominations Committee, the Constitution Committee would like to make the following motion: The Constitution Committee makes a motion to suspend the rule to allow the Moderator and Vice-Moderator to serve one more year. Roberts Rules of Order provides for the suspension of the rules for one item without changing the constitution.

This motion is being made to assure a good transition and offer greater assistance during our transition with Dr. Bailey.

There were no questions or discussion. The motion was adopted unanimously.

Howard Candler shared news about the Baptist Children's Homes. The Alberta Bolick Group Home is being built at Calvary Baptist on Haywood Road. An additional $10,000 is still needed to break ground. He encouraged the messengers to help with this money.

He thanked the churches for the food drive for the Children's Homes. The drive in the western part of the state was the greatest.

The association at work:

Norma introduced Ryan Capell and Whitney Thompson, our summer missionaries. Ryan is a member at Black Mountain First Baptist and Whitney is a member at Pole Creek Baptist.

Ryan is a rising senior at Gardner-Webb University and Whitney is a rising sophomore at AB Tech. They will begin their work on May 31.

Norma shared

- ☐ a letter from an inmate in Durham who had received a salvation bracelet made by someone in our association.
- ☐ about children who had been helped through the Angel Tree Ministry.
- ☐ about a lady she met in Arkansas who had stopped at one of our rest areas

Kyle Carver, a member of Newfound, shared about his church's participation in the rest area. ministry.

Al Braddock, a member of Skyland, shared about his church's trip to Park Slope Church in Manhattan, New York.

The congregation sang the hymn "Praise Him! Praise Him!"

Gayle Brown introduced our speaker for the evening, Reverend Charles Roesel, Pastor of First Baptist Church, Leesburg, Florida.

The IMPACT Singers of Grace Baptist sang "Above All."

Using the scripture Mark 2:12, Reverend Roesel, he shared some lessons we could learn from this passage.

1. Hurting—as long as we minister to hurting people we will never be without an audience.
   Jesus Christ does not measure the validity of a church's ministry by how many people stream to the sanctuary, but how many are serving Him in the streets between Sundays

2. Heart—four men who cared, knelt, picked the man up and carried him to Jesus. If we're going to reach the church for Christ, we need to loose the laity. Our churches are dying from staff infection. If we're going to reach the world for Christ, we're going to have to do some new things and we need to do the old unusually well.

3. Hindrances—crowd stood between them and Jesus They were men of compassion, creativity and cooperation.

4. Healer-Lord Jesus. Don't ever ask "Can we afford it?" Ask "If it's God's will?" If it is God's will, you can do it.

Chris Reese, Pastor of Calvary of Fairview Baptist, prayed the prayer of benediction.

BUNCOMBE BAPTIST ASSOCIATION
LEADERSHIP COUNCIL MEETING
Monday, June 27, 2005

MINUTES

The evening began with supper at 6:00 p.m. At 6:45 p.m. Wayne Higgins, Moderator, called the meeting to order. Members present were: Craig Bailey, Kevin Bennett, Etheline Branch, Perry Brindley, Gail Harding, Steve Harris (New Life), Wayne Higgins, Cathryn Kinser, Shirley Lawson, Norma Melton, Nancy Owen, Tom Pierce, Scott Shields.

Wayne expressed thanks to the ladies who prepared the meal and those who served it.

After special prayer requests were named, Wayne Higgins led in prayer.

Steve Harris made a motion and Kevin Bennett seconded the motion that the minutes be approved as printed.

Craig Bailey reviewed the financial reports.

- ☐ The year-to-date balance is a negative balance. We're at the mid-year point and the money is coming in. We have several churches who send money quarterly and some who may be a little behind.

- ☐ The accountant, chairman of the finance committee, director of missions and director of church and community ministries are working to clean up some designated accounts.

A motion was made by Steve Harris and seconded by Scott Shields that the report be accepted.

Partnership Missions:

Scott Shields, leader of the partnership missions team, shared that we have several churches involved in partnership missions. We want to help our churches in training, equipping, and networking together. Another training time is scheduled possibly for the fall.

Kevin Bennett, pastor of Mountain View, reported that his church has a group that goes every other month to Nicaragua. They are building a mission training facility to hopefully start a Bible institute. Four and one-half acres of land have been purchased.

Craig announced that, at the end of May, Scott will be the new minister of evangelism at West Asheville Baptist Church.

New Work:

- Steve Harris shared that 80-85% of graduating seniors leave churches. A lot of attention is being given to the emerging church—18-30, postmodern generation.

- At New Life Community Church, a young man is working to start a church within a church, called CRUX. Reaching out to the 18-30 age range, the group will meet on Sunday night. It will be highly relational. Two cell groups have already started. In the fall they will start worshipping together on Sunday evenings. Some funding from the State Convention has been requested.

- The committee is working with a young man through Appalachian Planters from the Boone and Spruce Pine area to start a new church in the Haw Creek area of Asheville, called Blue Ridge Community Church. Funds have been requested from the Baptist State Convention and the North American Mission Board.

Nominations Committee Report: Perry Brindley reported two recommendations.
Terry Hollifield, Associate Pastor of Spiritual Life of Pole Creek, to be elected as Sunday School Director of the association.
Ricky Townsend, pastor of Corinth Baptist, be added to the recreation team.

Motion made by Kevin Bennett and seconded by Scott Shields to accept these recommendations. The recommendations were adopted.

The nominations committee will ask the constitution committee to look closely at dissolving the Pastor/Staff/Church Relations Committee and Capital Funds Development Committee.

Pastor/Staff/Church Relations: The duties of this committee can best be done through our director of missions and in consultation with leadership of the state convention. There is also an associational Denominational Consultant that could possibly be used.

Capital Funds Development Committee: At present, the finance committee deals with capital funds development issues.

This is a constitutional change that will be presented to the messengers at the first session of the fall meeting and voted on at the second session.

Another recommendation from the Nominations Committee was reported by Tom Pierce, a member of the committee. The committee would like to recommend that Perry Brindley be elected as vice-moderator to fill the unexpired term of Gene King who has accepted the pastorate of a church in another county.

These recommendations were adopted.

Wayne announced that the NCBM held a disaster relief training this past week end.

Susie Black reviewed the properties committee report as printed in the book of reports. All items reported at the April 2005 Leadership Council have been done.

Properties Committee Report
Kim Black, Chairman

1. Interior and exterior painting has been completed. This includes the tower structure and exterior handrails along with several hallways and rooms.
2. A new-galvanized door and frame was purchased and installed by Construction Hardware in the tower to replace the rusted out door and frame.
3. The south side exterior of the Gayle Brown ministry building was pressure washed to remove mold and algae created by the tree line next to the building. The trimming of these same trees will be addressed at the next properties meeting.
4. New handicap signs were purchased and installed in front of the Resource Center to replace the faded ones.
5. A new Oreck vacuum cleaner has been purchased as the old one was worn out.
6. A new Gayle Brown ministry building directional sign was donated by Larry Coleman Sign Company and installed at the end of the parking lot to give better directions to this building.
7. Acquiring an in-line camera service from Rooter King of Asheville eliminated a suspected blockage in the sewer lines. No blockage was present in any sewer lines, thus no further investigation is required. Sewer system is fine.
8. Some ceiling tiles were replaced in the Resource Center and the bathrooms that had been damaged or had stain marks.
9. Curtains in the ministry center have been dry-cleaned and need to be reinstalled.
10. Quotes are currently being obtained to clean off the brush along Hazel Mill Road to improve the looks along the roadside. Further information concerning this will be forth coming at the next meeting. Volunteers have done some cleaning, but more cleaning is necessary. Also, mulching will help prevent growth of underbrush.
11. All upholstered furniture in the office was dry cleaned by Appalachian Carpet and Textile Cleaning.

Association at Work:

Craig reported that he had been in 22 churches for a service. There are 10 churches already calendared for speaking engagements or other church events.

He and Sue will be visiting churches looking for a home church.

The first Church Health Survey is scheduled at Skyland First in August.

Several events are scheduled for next spring.
March 2006—Prayer Evangelism Conference at Biltmore
April 2006 – Interfaith Evangelism Conference
These will be regional conferences.

June 2006 – SBC 2006 – Crossover Greensboro. Teams will be mobilized and trained to win people to Christ. Teams from our area will be in Greensboro for Crossover, but will also conduct similar events in our association.

Craig presented a change in our office hours. At present, our hours are Monday – Thursday, 8:30 a.m. – 5:00 p.m. and Friday, 8:30 a.m. – 12:30 p.m. After a time of discussion, the members of the Council decided to change office hours to delete Friday. We would advertise Monday through Thursday office hours of 8:30 a.m. 5:00 p.m. with the office closed on Friday. Staff may be able to work and answer phones when needed, but the expectation of someone being present every Friday would be eliminated. COST: Minor savings from financial viewpoint; some inconvenience while people get used to new hours

The moderator stated that it was very important that we convey to our churches that we are not cutting resources or services to our churches. This information will be publicized in the "Ministrygram" and newsletter.

A motion was made by Cathryn Kinser and seconded by Kevin Bennett that this recommendation be approved.

A motion was made by Kevin Bennett and seconded by Steve Harris that the meeting be adjourned.

Craig Bailey closed the meeting with prayer.

BUNCOMBE BAPTIST ASSOCIATION
LEADERSHIP COUNCIL MEETING
Monday, September 19, 2005

MINUTES

The evening began with supper at 6:00 p.m. At 6:45 p.m. Wayne Higgins, Moderator, called the meeting to order. Members present were: Craig Bailey, Kevin Bennett, Kim Black, Etheline Branch, Perry Brindley, Kyle Carver, Bud Dotson, Gail Harding, Steve Harris (New Life), Wayne Higgins, Cathryn Kinser, Ann Lytle, Shirley Lawson, Norma Melton, and Nancy Owen

Wayne expressed thanks to the ladies who prepared the meal and those who served it. After several prayer requests, Norma Melton led in prayer.

Wayne referred to the minutes printed in the book of reports. Kevin Bennett made a motion and Kim Black seconded the motion that the minutes be approved as printed.

Bud Dotson reviewed the financial reports.

- Disaster Relief: To date, just under $50,000 has been sent to North Carolina Baptist Men for disaster relief.

- Capital Debt reduction emphasis: Due to the extensive needs for disaster relief, Craig and Bud decided to postpone the campaign to reduce the debt on the ministry center. As of to date, our ministry center debt balance is $187,758.35, and our checking account balance is $24.136.51.

- Men's Basketball. Bud announced that for two years the basketball league had operated with a minus balance. Bud recommended that the Leadership Council instruct the Recreation Committee that the 2005-06 season would begin with a negative balance, and that the deficit amount for the 2004-05 season will be divided among the 16 teams that played in the league and added to the entry fee for the new season. The recommendation was adopted.

  A member of the finance committee has been elected to serve on the recreation committee. An effort will be made to determine all income and disbursements for this year, giving special attention to the cost of using gyms where the teams play.

- Mileage rate adjustment: Bud made a motion that we accept the IRS' new ruling to adjust the allowed mileage rate reimbursement from 40.5 cents per mile to 48.5 cents. Kyle requested that we follow the IRS ruling. Perry seconded this motion. The motion was adopted.

- Auditor's Report:

    1. Continue to clean up designated accounts, especially those with a smaller balance.
    2. Establish someone to overview the accounts
    3. Internal controls are excellent. Receipts may be logged onto an Excel spreadsheet instead of recording them by hand in a notebook.
    4. Continue to use different account numbers for designated and general fund accounts
    5. No firm recommendation from the auditor.
    6. There is a much stronger balance sheet than some businesses.

Bud made the motion that an adjustment be made in the housing allowance for the Director of Missions for October-December 2005. The request is made for a new designation of the housing allowance from the present annualized $14,000 per year to $7,500 for the final quarter of 2005. This would be $2,500 per month, or $1,250 per pay period. This amount should balance out the year to reflect actual housing costs. Perry seconded the motion. The motion was adopted.

Steve Harris made a motion, and Perry Brindley seconded the motion to make this adjustment in the housing allowance for the Director of Missions.

The financial report was approved.

Kyle Carver reviewed the 2006 proposed budget. A 3 1/2% raise is being proposed for all staff.

Nancy Owen asked a question regarding line item# 506307 "Printing of Annuals." No amount had been requested. She suggested that $700 be put in the budget for this. Kevin Bennett made a motion and Steve Harris seconded the motion to add this amount to the proposed 2006 budget. The motion was adopted.

Another question was raised regarding Christmas bonuses for the staff. It was suggested that the personnel committee, together with the finance committee look at this matter.

The properties committee will make a recommendation to the finance committee regarding our liability insurance. One bid has come in and another one is due. The budget amount may need to be adjusted. The final figure will be included in the 2006 proposed budget to be voted on at the fall meeting.

The increase is a 4.7% for the overall budget.

Kyle Carver made a motion from the finance committee that the proposed 2006 budget be approved.

Steve Harris asked a question about developing a plan to communicate to our churches to encourage them, when developing their budgets, to increase their giving to the association. He suggested that a letter be sent to each church pastor, chairman of deacons and missions committee chairperson. The letter would be written by Craig and would include a copy of the 2006 proposed budget, which gives a picture of the ministries in which the association is involved.

Dr. Bailey had intended to send a letter per month, and the first one has been sent. Because of the disaster relief requests, no other letter has been sent.

Partnership Missions.

Scott Shields has just returned from the Gulf Coast and will be meeting with four churches, Tuesday, September 20, at 11:30 a.m. at Cornerstone Restaurant who are interested in making a trip to the Gulf Coast. Mountain View will be going in October. Churches are encouraged to click on the NAMB website to get information about "Adopt-A-Church."

Properties Committee Report, Kim Black, Chairman,

1. Mr. Wayne Smith and his volunteers with the Experiencing God Through Missions, Inc. group, along with some other staff volunteers were able to make a significant dent in the Hazel Mill Road bank cleanup efforts on Saturday, September 10, 2005. Total Lawn Care will be coming behind this cleanup, spraying weed killer on this same bank to help kill the remaining weeds. The ultimate goal is to completely clean the bank along Hazel Mill Road and place mulch along this same bank for easy cleanup. Our thanks to all the volunteers involved.
2. Mr. Bobby Hensley was hired to clean the upper property line where the brush and weeds had grown up and looked a mess. All of that has been cleaned and the brush has been removed.
3. Upcoming projects include:
    A. Cleaning the windows inside and out of the office building. Volunteers could be used for project if available.
    B. Tree trimming at the Gayle Brown Ministry building.

C. Some further bush and tree trimming along with some additional mulching around our tree and shrub beds is to be taken care of by Total Lawn Care

Nominations Committee Report, Perry Brindley, Chairman.

Kevin Bennett read the following resolution:

WHEREAS, Bobby Welch, President of the Southern Baptist Convention, has issued the "Everyone Can" Kingdom Challenge, asking us to "Witness, Win and Baptize One Million" people in the 2005-2006 church year, and

WHEREAS, he has also requested local associations and churches to hold public baptismal rallies to celebrate new life in Christ among this year's converts, and

WHEREAS, associations of the Baptist State Convention of North Carolina should set the example in evangelistic efforts with the Southern Baptist Convention meeting June 13-14, 2006 in Greensboro, NC, and

WHEREAS, the stated goal of the BBA Evangelism Team is to "promote the work of evangelism, providing resources to aid churches in evangelism, assisting churches to develop local evangelism ministries, and planning area-wide evangelism efforts."

THEREFORE, BE IT RESOLVED, that the Buncombe Baptist Association request all of its member churches to celebrate with sister churches our common heritage and history by participating in public associational baptismal rallies during the summer of 2006.

Kevin Bennett made a motion and Steve Harris seconded it to accept this resolution.

The Association at Work
- Reports from our churches indicate that the summer missionaries did a fantastic job.
- Missions Camp—new churches participated this year
- Bele Chere—very good place for our Diaper-Changing station; lots of parents came by, and we have several new volunteers.
- Prayerwalking Workshop—80+ persons attended this training
- Mountain State Fair—we were able to minister to the carnival workers, fair goers, inmates who come to help and several homeless folk from down town. More that 160 various decisions were made. A donation of $1,000 was made by a vendor at the Fair.
- New ministries may be added to our Fair Ministry next year.
- A new logo has been developed for the association
- Craig has been in 37 of our churches and they have been very receptive to him.

Craig shared that a representative from American Church Coatings would like to put up a display of their company's product at our Fall Meeting. After some discussion, Gail Harding made a motion that we needed to establish a policy in order to allow vendors to display their products at future meetings. Bud seconded the motion, and it was adopted. It was felt that it could be a good thing, but that more might want to be involved and it may be too soon for this year's meeting. It was further decided that the Officers of Association should develop this policy and to look at policies the Baptist State Convention uses for vendors making displays at their annual meeting.

Kevin Bennett made a motion that the meeting be adjourned. The motion was adopted.

Since our fall meeting, October 2004, 223 persons *"have fought the good fight, have finished the course, and have kept the faith."* There were seven deacons and two ordained ministers. Buncombe Baptist Association
Leadership Council Meeting
Monday, November 7, 2005
Baptist Resource Center

Wayne Higgins, Moderator, Presided. After thanking the associational staff for their provisions for the meeting and meal, the meeting was called to order.

Following a request for prayer for Dr. Bailey and his wife, Sue, and for Sue's father who is critically ill, other requests were taken and Kyle Carver led in prayer.

Minutes of the last Association Leadership Council Meeting were approved as printed.

Bud Dotson presented the financial update (figures through the end of September).

The following items were included:

- ☐ A small additional payment has been made toward the debt retirement, the debt is now about $180,000. (Recommendation had been made by Dr. Bailey and Bud that we delay any emphasis on debt reduction due to the on-going work of our disaster relief efforts). Bud stated that an individual who says that he feels led to help in the debt reduction had approached him.
- ☐ Note was made that there is currently a budget deficit of $14,593; however, because of a $32,000 plus reserve amount, and the fact that some churches will catch up by the end of the year, the financial condition is okay as of now.
- ☐ Wayne commented that a question was asked about the amount in the current budget for staff Christmas bonuses. The finance and personnel committees will need to discuss this.

- ☐ An application for scholarship monies through the John G. Hicks Scholarship Fund has been forwarded to the corporation officers. At the current time, there is no committee or group that takes care of approving these applications. However, there is a scholarship consultant who works with the corporation officers. Ann Lytle is the Scholarship Consultant. She also received a copy of the application. The request for scholarship funding was for Timothy Gabriel Brown, a member of Biltmore Baptist Church, who will be attending Southwestern Seminary. A motion was made and seconded to grant the scholarship for $500. After the first year, it will be necessary for him to reapply for future scholarship funds. Nancy Owen will notify Timothy Brown and the North Carolina Baptist Foundation of this scholarship award. The funds will be disbursed from the Foundation to the school.

The Partnership Missions update was given by Norma Melton in the absence of Scott Shields. Norma presented the following information:

- ☐ Norma distributed information about the Mississippi Partnership that was also distributed at the Fall Meeting. The motion was made and seconded that the Buncombe Baptist Association enter into a formal partnership with the Gulf Coast Baptist Association (which include Biloxi and Gulfport) to assist with recovery efforts. The motion was approved. Any church in our Association can go on line and sign up with NAMB to adopt a church. The local church would then be directly partnered with a church in the Gulf Coast Association. Norma shared a letter which was sent to Dr. Bailey from a pastor of a Vietnamese church in Biloxi (in the Gulf Coast Baptist Association) which had been totally destroyed. Their membership has been displaced and very few have been able to return. This church must start "from scratch" to rebuild. The letter included photographs of the church and surrounding area so devastated by hurricane Katrina. The pastor stated, "Suddenly, overnight, everything collapsed, including our church finance...any help is needed and appreciated. God bless your staff and fellow association as you help us." Susie Black noted that a list of suggestions of things adopting churches can do is included on the back of the information Norma distributed. Several teams from churches in our association have recently gone to areas in several states (Louisiana, Mississippi, Alabama and Florida) for disaster relief including the Gulf Coast Baptist Association.

Perry Brindley presented the following recommendations from the Nominations Committee:

- ☐ That Gordon Wilson, a member of West Asheville Baptist Church, serve on the Recreation Committee. Nancy Owen stated that she met with the Recreation Team and the basketball coaches at their first organization meeting last week. They have increased the fee to $550 (there is still a deficit in this line item of the budget). There were about thirteen churches represented at this meeting. It is expected that there will be about sixteen teams (and some teams that are non-association teams) so it looks like a very active season. The teams will use two gyms: Pole Creek and Trinity (on Shelburne Road). Each team will sign a "Church Usage Form" from the participating churches. In addition, the Buncombe Baptist Association Basketball League has provided a form signed by Danny, Greg, Dr. Craig Bailey and the Recreation Committee Chairperson for each gym. This means that Pole Creek will pay the $575 entry fee. We will, in turn, pay them $575 to play in their gym). Trinity Baptist will pay a $1,100 entry fee.; We will, in turn pay them $1,100 to play in their gym two days. The recommendation was approved as presented.

- Vacancies that still exist are: Chairperson for the Properties Committee, an additional member on the Membership Committee, and a person to serve as Music Director.

Norma Melton gave a report on "happenings within the Association."

- Each Christmas Prison Chaplains, through Prison Fellowship and Christian churches make available a program called "Angel Tree" in order for prisoners' children to receive Christmas gifts. Information has been distributed for over 250 names of children in Buncombe County who have been submitted for the Angel Tree project. There are approximately 160 additional names yet to be distributed. There is still a great need for sponsors to provide gifts (two gifts—each $15 to $20 in value) for these children. Information about the plan of salvation can be included with these gifts.
- The Red Box Ministry (a red box containing toiletry items, etc., which are distributed at Christmas to women who are incarcerated, to women's shelters, and others) is another on-going project during this season.
- The Associational Adult Choir will be singing on December 10 at the Grove Park Inn at 11:00 a.m. and 1:00 p.m.
- Information was distributed about the ministers, spouses and church staff Christmas dinner that will be held on December 5th at the Resource Center.
- There are Hunger Funds available that churches and associations can apply for through the Baptist State Convention. These monies come from a partnership with the North American Mission Board and the Baptist State Convention. Application. This funding is made through the Associational Office and can be used in various ways for food only for needy people. Up to $3000 per year can be requested per agency or organization or by a church. Two requests have been submitted recently: ABCCM is low on food and an application was submitted and $3000 has been received for use specifically for the Hominy Valley site. An application was also submitted for the Vanderbilt Apartments in downtown Asheville (apartments for low income people). These funds will be used to supplement a food pantry to provide food for needy people who are residents there. Representatives from the Buncombe Baptists are also allowed to go into this apartment community for Bible studies, crafts and to distribute literature as a ministry there.
- Another ministry is Holiday Angel, which is a toy ministry that ABCCM coordinates. The coordinator of this ministry uses the facilities at the Resource Center. ABCCM pays for the phone at the annex building during the time the facility is being used for this ministry. The annex building is also used by the Slavic Ministry in Asheville and Asheville Pregnancy Support Services.
- Norma shared a pamphlet about Youth on Missions, which is coordinated by Harry Fowler. Youth groups sign up through Mr. Fowler to go to various places in the United States and Canada for mission projects. Mr. Fowler takes care of the lodging, meals, etc. with the money from the participants. Associations and churches use these youth groups for construction, Backyard Bible Clubs and various ministry projects. It is being proposed that Asheville be listed as one of the sites. Dr. Bailey would like to have youth on Mission come to Asheville this summer for a week in June. There would be about 200 youth who would be here in the Asheville area. The Associational Office would coordinate their work in the Asheville area. For example, a church may need some type of repair work; these youth (under the supervision of adults) could come and work with you for a week. There may be homes in your community in need of some repair, etc. Your church may be interested in doing a Backyard Bible Club, or

you may need help with Vacation Bible School. There is a need, for instance, at Vanderbilt Apartments to help some of the residents who are unable to do major cleaning, etc. Churches requesting workers would not necessarily have any financial responsibility except the cost of repair material, etc. There is a deadline for our office to let them know what projects we have and how many students we could use. Norma will be meeting tomorrow (November 8) at the Resource Center with Scott Shields and LaCount Anderson about Youth on Missions. A motion was entertained and approved to participate in this ministry. (LaCount Anderson was a former staff member of First Baptist Weaverville.)

Susie Black gave the following update on current projects of the Properties Committee

- This committee hopes, by then end of this year, to have the bank near the road cleared and the ivy removed from the big tree near the building.
- Plans are also underway to pressure wash the front porch and steps
- The removal of the three trees leaning on the Gayle Brown Center should be soon completed, as well. This will finish up the remaining projects of the Properties Committee. Appreciation was expressed for Kim Black and the leadership he has provided during his tenure as Chairman of the Properties Committee.

There being no further business, the meeting was adjourned with a closing prayer.

Change Your World. . . Resource Church Vision

May 21-28, 2006 Associational Emphasis Week

The most powerful force on earth is the life-changing message of Jesus Christ proclaimed by the Bride of Christ. The local Southern Baptist Association is poised to resource the church in a multitude of ways to help it fulfill the Great Commission. As on mission churches are faithful to their calling and as associations join hands with them lives will be touched and our world will be changed by the power of God.

Accountants' Report

To the Finance Committee
Buncombe Baptist Association
Asheville, North Carolina

We have audited the accompanying statement of financial position of Buncombe Baptist Association (a non-profit organization) as of December 31, 2004, and the related statements of activites, functional expenses, and cash flows for the year then ended. These financial statments are the responsibility of the Assocation's management. Our resposibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Buncombe Baptist Association as of December 31, 2004, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

MISSIONARY REPORT

What a wonderful year it has been in the BBA! I've been blessed to share in so many of our churches and experience the excitement of the Body of Christ as we worship, grow and serve. I'm looking forward with anxious anticipation to the coming year of growth.

Mississippi Update

The response of our churches to the Mississippi Partnership has been beyond my wildest expectations. BBA churches continue to schedule trips to assist the rebuilding efforts in Gulf Coast Association, which is nearing the completion of 300 homes! Several churches have fall trips planned, and we will continue associational support of Baptist Men and Gulf Coast Association as long as our funding continues to be strong.

New Partnerships

A team from four of our churches returned from a mission trip to Clearmont, Wyoming in July. Next year our partnership with Wyoming will be one of the primary mission targets for our association along with the new Eastern Canada partnership. We had a special meeting with representatives of the BSCNC updating the various partnership mission opportunities. Information on all of these will be available at the Resource Center. I would encourage every church to set aside time and funds for at least one mission trip in 2007. We can help you with the details and put you together with experienced churches.

A Strong Summer

The busy spring season was followed by an equally hectic summer in BBA. We hosted three summer missionaries this year, and they were well received and well used by our churches. Youth on Mission Teams also served in a limited capacity this year in some of our churches. For the summer of 2007 we will have Youth on Mission teams and a group of youth from a "Fuge" week at Ridgecrest available to serve in BBA churches.

Our children's choir camp and mission camp groups were once again strong. Some of our churches also participated in Crossover Triad the week before the Southern Baptist Convention meeting in Greensboro. It was a joy to see so many of our churches represented at the historic SBC meeting. Our new convention president has strong ties to the Carolinas and will serve us well in the coming year.

Baptism Rallies

We held four Associational Baptism Rallies as we celebrated the push to win one million people to Christ this year. Each was a wonderful success for the churches that participated. Over 200 were baptized and many others heard the Gospel for the first time. We look forward to having future rallies as a regular part of our evangelism and missions calendar next summer.

Seminary Extension

Classes began in September with our first two groups taught by Mark Ball and Stephen Summers. The next semester will start in January with two new classes for anyone in ministry or laity. Courses may be taken for credit or personal enrichment. Pick up a registration packet at the Resource Center today. And, if you are interested in earning an accredited Bachelor's degree using Seminary Extension courses and other credits, pick up the flyer from Judson College.

Global Focus Conference

One of our newest churches, North Point, conducted their first Global Missions Conference in September. It was a delight to set up the BBA information booth and have the opportunity to teach during the event. Biltmore has just completed another successful Global Impact event. I would love to see more of our churches have mission-focused weeks or weekends to emphasize world missions. Our staff will be glad to assist you with the planning and preparation for your mission event.

New Year Changes

I also want to thank our Associational Strategy Planning Team for meeting and helping us make some key decisions in 2006. We have a simplified structure planned for 2007, but we will not need to make any constitutional changes at the Fall Meeting. Instead, we will just allow our present teams to meet in the combined group structure in the coming year and work out the details that can be presented in our future meetings. This streamlined organization will give us greater efficiency and more contact with our churches.
Watch the *Heartbeat* and your mailbox for the meeting times of your group. Most of our meetings will take place on Monday evenings. In accordance with our prayer emphasis, we will be adding an associational Prayer Coordinator to serve in the CCM group. Help us to pray now for the person God has planned for this important volunteer position.

Yours for Healthy Churches,

Craig Bailey

CHURCH AND COMMUNITY MINISTRIES

Norma Melton

Through the ministry of volunteers in Buncombe Baptist churches the love of Jesus was shared to thousands of people. Church and Community Ministries has provided ways for redeemed individuals to share the gospel and meet spiritual, physical, mental and emotional needs of people inside and outside the church doors.

- 345 Angel Tree® children and their families were touched in Jesus' name and prisoners experienced the love of Christ.
- More than 500 other children were able to receive gifts last Christmas because Buncombe Baptists partnered with Asheville Buncombe Community Christian Ministries by allowing them to use the Gayle Brown Ministry Center.
- 332 "Red Boxes" containing hygiene items and Scripture were distributed at Christmas to various groups and agencies in the Asheville area.
- A Christmas party where the story of Jesus was shared brought smiles to the inmates at Black Mountain Women's Correctional Facility.

- The Christmas message filled the lobby of the Grove Park Inn as the Buncombe Baptist Adult Chorale sang. In May and in September the Chorale shared two other concerts where Jesus was lifted and the congregation worshiped with the Chorale.
- The associational WMU Leadership Team hosted the annual day of prayer in November and hosted the WMU annual meeting in April. The annual meeting theme, "International Holiday," provided an opportunity to learn how the gospel is being shared around the world. The Leadership Team provided a fish fry appreciation dinner for pastors.
- Buncombe Baptists employed three summer college student missionaries who served with excellence in many areas. Missionaries were Carla Bowlin, Whitney Thompson and Justin Davis.
- Church teams met hundreds of people at the I-26 Interstate Rest Areas during Easter and Memorial Day weekends.
- An increasing interest in literacy ministry among our churches has provided more opportunities to share with various language groups in Asheville and to share with children who need help through tutoring. On August 24 persons attended an English as a Second Language workshop held at the Resource Center.
- Church teams witnessed in downtown Asheville through a diaper changing station at Bele Chere. Several people received Christ at the booth.
- Children's Choir Camp gave an opportunity for boys and girls to praise God through a musical.
- Children's Mission Camp concluded with about twelve children making decisions for Christ.
- Churches have been encouraged to prayerwalk their communities. The associational staff is now prayerwalking an area of Asheville once a month.
- The Christian Women's Job Corps® advisory board has been in the process of evaluation this year regarding the direction of the ministry. Edwina Messer has will be the volunteer CWJC site coordinator. She will be attending training in November and the ministry will again be active after the first of the new year.
- The Western North Carolina Mountain State Fair Ministry continues to be an exciting time of reaching out to carnival workers and thousands of people who attend the fair. About 150 decisions for Christ were reported through this year's efforts. Lives were changed as church teams from several associations were available to serve God at the fairgrounds.
- Over 300 senior adults enjoyed fellowship and a meal at the annual senior adult fellowship. Then they experienced a "Walk Through the Jerusalem Marketplace."

During this year I have had opportunity to share in several of our churches. Also, I have shared with other associational churches how Buncombe Baptists are involved in ministry. In April I spent ten days in Wyoming participating in an On Mission Celebration at the request of the North American Mission Board. North Carolina currently has a mission partnership with Wyoming. I ask you to pray about going there on a mission trip. The needs are tremendous and God is working!

Morgan Haynes, a member of West Asheville Baptist Church and a senior at Erwin High School is presently working as an intern with the Association. The school is allowing her to receive credit for volunteering during her first period class this semester.

God continues to bless as volunteers serve in His name! Thank you for serving.

ORDINATIONS TEAM
October 2005-October 2006

The Ordinations Team counts it a privilege to assist churches in examining and recommending candidates to the gospel ministry. At the request of the member church, the Team examines a candidate and recommends him back to the member church for ordination. The church is then responsible to ordain the candidate, usually in an ordination service.

The following candidates were examined for ordination to the gospel ministry.

Dan Anderson, Oakley Baptist, March 11, 2006

Foster Massey, Mountain View Baptist, June 15, 2006
Michael Williams, Mountain View Baptist, June 15, 2006
Tim Sanders, Emma's Grove Baptist, July 17, 2006

CHRISTIAN LIFE AND PUBLIC AFFAIRS ANNUAL REPORT—2006

Gail Harding, Consultant

In addition to the monthly INFO PAGES which addressed many social/moral issues, **pornography** was addressed at length in a special October 2005 INFO PAGE. Another **SPECIAL INFO PAGE** will go out in early October 2006 explaining at length what churches and pastors may or may not do during the election season. (Often pastors are frightened to even hint at what might be considered "politics" for fear of losing their tax free exemption status. They have even received letters warning that could be the case if they distribute voter guides, etc.) This should answer most questions, allowing the church family to be both salt and light. Christians practice their citizenship responsibilities through the privilege of voting for our rulers, and addressing the social/moral issues of the day. We must be informed to do each of these well. Barna research shows that only 8% of Baptists have a Biblical world view. What a challenge!

CDs have been added to the CL&PA resources covering the following topics: sanctity of human life; race relations, substance abuse; entertainment & pop culture; citizenship; health care; gambling; and world hunger. (The Ethics & Religious Liberty Commission will no longer make these CDs available.) Please avail yourselves of these and other resources available at the Buncombe Baptist Resource Center.

Issues that continue to demand our attention include internet gambling and pornography, child sexual predators, protecting the Biblical model of family, homosexual influence on society, abortion, human cloning, stem cell research, and multiple problems resulting from the increasing number of illegal immigrants present and continuing to enter our state and country.

I am available to help you obtain information on any of these issues and to help you establish a Christian Life & Public Affairs committee in your church. Contact me at gailharding@brinet.com

As a ministry of the North Carolina Baptist State Convention, the Baptist Student Union (BSU) has been serving the UNCA campus for the past 18 years. We offer weekly Bible studies, worship, and Christian community on the UNCA Campus. The BSU seeks to reach lost students and pastor collegiate believers in Asheville.

This past year has been a great year of growth. We have increased our ministry impact on campus and are developing a strong body of believers that can share and live out their faith on the college campus. We have been blessed by having your pastors come in for "Encounter," our Thursday night worship service, and encourage and challenge us in our faith. This new year has great promise with a large group of new students who have gotten involved in he ministry of BSU.

We have been active in partnering with churches and Baptist organizations in outreach. As we continue to minister to students and teach them how to minister, it is our desire to prepare them to give back to you, the local churches, by offering youth retreat weekends, drama, or music to your church. Additionally, students use the BSU house, which is open from 8:00 a.m. to 11:00 p.m. weekly, as a place to hang out, have Bible studies, study for class, do laundry, prepare a fellowship meal, watch movies, pray and play.

Operating as a non-profit, our ministry can accept tax deductible contributions like a church or charity. Our Board of Directors hopes to find ways to increase funding for our ministry to help us reach other Asheville area campuses. Please pray for us as we endeavor to broaden our ministry.

Ways that you and your church can get involved:

- Pray for our ministry
- Become a spiritual mentor for a student
- Support Baptist Campus Ministry financially

Christ's Blessings,
David Stone—UNCA Campus Minister

Our Board of Directors: Craig Bailey, Buncombe Baptist Association; Larry Basinger, Merrimon Avenue Baptist Church; Vollie Barnwell, North Point Baptist Church; Jim McCoy, Weaverville First Baptist Church; Joe Yelton, Hominy Baptist Church; Stephen Summers, Jason Woodby—UNCA graduate.

GuideStone Financial Resources
Baptist State Convention of North Carolina, Inc.
Johnny E. Ross, GuideStone State Representative

During the past year significant strides have been made to provide the very best service to employees of our churches and agencies who are active participants in the retirement plan, jointly administered by GuideStone Financial Resources, SBC, and the Baptist Convention of NC, Inc., and to those who have purchased insurance products from GuideStone. Through a contractual agreement with Morningstar Associates, LLC, a registered investment advisor, retirement participants now have access online to a leading innovator in offering retirement advice. Specifically,. Morningstar Retirement Manager offers objective, expert recommendations and resources to help participants make clear decisions about their retirement plans. Never before have we been able to offer this incredible service at no cost to our retirement participants.

In the life and health areas enhancements continue to be made to provide additional flexibility in plan options, deductibles and competitive rates. Taking advantage of significant discounts through Highmark Blue Cross Blue Shield, medical plan rates have been stabilized. While over 40% of personal plan participants received a decrease in rates in 2005, over 57% of personal plan medical participants received a decrease in rates for 2006. The 31 day open enrollment period for new students in our divinity schools, Bible institute, and seminary continues to be an attractive option for this target group.

During the past year the importance of the protection benefits (disability and survivor), which come free to those who are active participants in the Church Retirement Plan and who are serving an eligible church, was magnified with 100 participants receiving disability protection benefits and 40 families receiving survivor benefits because of that many deaths among our church employees. One widow, whose pastor/husband in his early 50's suffered a stroke and died within ten days, received a survivor benefit check in the amount of $50,000 in addition to the money in his retirement account. The survivor check of $50,000 came quickly (also tax free) and proved to be a "lifesaver" to this widow. As in previous years, the great challenge is to educate our church employees and key lay leaders in our churches about these great benefits **provided at no cost** to those church employees who meet the eligibility requirements.

Furthermore, we gladly cooperate with the Endowment ministry at GuideStone to provide ongoing and one-time financial assistance to retired ministers and widows of ministers who are living in poverty. As of June 30, we have 222 North Carolinians, who have met the very strict guidelines, receiving financial assistance from GuideStone Financial Resources. Unfortunately, others could be assisted if we only knew who they were.

In conclusion, it is our strong desire to increase the level of retirement participation and to serve all of our churches and their employees with the appropriate information/products to meet their needs. BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA
July 2005-July 2006

***Many voices, One Story**...*North Carolina Baptists attending the Baptist State Convention Tuesday evening, November 15, 2005, sat as the lights in the Joel Coliseum in Winston-Salem dimmed. Messengers and guests arrived anticipating the night's report from Baptist Children's Homes (BCH). Every five years, the Institution presents a 30-minute expanded report, which many people view as the highlight of the convention.

The crowd present this night leaned forward as the first child stepped to the microphone to tell her story. Children and residents representing BCH's four campuses, wilderness camping program, group homes and developmental disabilities ministry filled the stage area. The 2005 meeting was BCH's opportunity to share the ministry through children's testimonies and songs while highlighting the Institution's 120th anniversary.

BCH president Michael C. Blackwell enthusiastically addressed the group declaring, "We are uniquely, proudly, passionately, and incurably a part of the North Carolina Baptist family." To close the presentation, Broyhill Home resident Jennifer and developmental disabilities resident Marcie sang "Jesus Loves Me." "These are God's miracle children..." Blackwell said, "I want you to see in those eyes the eyes of our God who loves children."

But the true pinnacle of the evening for one special child occurred away from the eyes of messengers. "We were all saying goodbye when I looked down and saw Jennifer crying," said Lou Arnsdorff, Jennifer's child care worker. (Jennifer has just sung on stage.) A tearful Jennifer told Arnsdorff, "I just want to ask Jesus into my heart." In a crowded hallway outside the auditorium, Jennifer accepted Christ as her Savior.

***Show you love**...*This year's Baptist Children's Homes' offering theme, "Show You Love," represents the pivotal role individuals and churches play in the lives of hurting children. North Carolina Baptists show their love through the prayer and financial support. It is only through this commitment that BCH can continue to make a difference. This year's statewide offering goal is $1,375,000. This represents a $25,000 increased from last year. Challenge your church to participate in the 2006 Offering Campaign.

***Biography Unveiled**...*The biography of BCH president Michael C. Blackwell was published and officially unveiled to the public in April. *Just Call Me Mickey: From Mill Village to Mills Homes, the Journey of Michael C. Blackwell* was written by the late Wint Capel, former editor of the *Thomasville Times.* The book chronicles Blackwell's life from his humble beginnings as a boy living in the mill village town of Gastonia to becoming president of one of the largest private children's homes in the southeast United States.

***New PMG members named**...*Baptist Children's Homes' president Michael C. Blackwell announced several key administrative appointments in June. Nancy McNeill was named BCH's Executive Vice President (EVP) of Operations overseeing the statewide Institution's day-to-day operations. Jim Edminson was appointed BCH's Institutional Director for Communications directing the agency's statewide communications. Shane Nixon has been named BCH's Institutional Director of Information Services directing BCH's technology services and broadening his role of service. McNeill, Edminson and Nixon will serve on Blackwell's President's Management Group (PMG).

Former resident, BCH child care worker, and administrative office manager, Jennifer Shore was appointed Executive Assistant to the President and longtime staff member Ron Richardson was named Manager, Institutional Support Services.

Dedicated to the Glory of God...Baptist Children's Homes set its sights towards the future expanding its services to children and families.

- The Alverta Bolick Home in Asheville was dedicated in May. The facility is home to developmentally disabled adults in the Asheville Area.
- The campaign to build two similar facilities for special needs adults in the Sanford community began in August 2005.
- A state-of-the-art education center in Kinston was dedicated in July. The new Reverend Kenneth E. Haigler & William "Bill" Overcash Education Center offers an on-campus school to residents at BCH's Kennecdy Home.
- The Winifred Lindsay and Three Forks Homes for developmentally disabled adults were dedicated August 27 in Boone.
- Groundbreaking for DDM homes in Sanford and Asheboro will take place September 10 and October 14 respectively.

THE NORTH CAROLINA BAPTIST FOUNDATION, INC.
2006 Annual Report

M. Clay Warf, Executive Director
Nancy V.Hunter, Chair, Board of Directors

The mission of the North Carolina Baptist Foundation since its inception in 1920 has been to assist the Convention and its institutions and agencies in increasing an awareness among North Carolina Baptists of Christian estate stewardship principles as a means of financially undergirding churches, institutions and mission endeavors on a permanent basis. The uniqueness of the ministries and services provided by the institutions and General Board staff merits increased financial support. The Foundation accomplishes these objectives by offering assistance in estate planning counsel, will preparation, planned giving, charitable remainder trusts, endowment funds and church fund management.

During 2005, the Foundation assisted individuals in establishing 49 endowment funds and 12 charitable remainder trusts totaling $1.8 million and received $7.1 million in contributions to existing endowments all of which will ultimately benefit countless Baptist causes on a permanent basis. Programs were provided for churches and associations during the year to promote "Make a Will Month," Christian estate stewardship, and church fund management. Over $1.5 million from churches and institutions came under management to enhance numerous ministries including scholarships, building funds, cemetery funds, benevolence funds, general operating funds and other various mission causes. Overall, the Foundation received $10.6 million contributions during 2005 for Christian causes.

The Foundation employs professional money managers to invest these funds according to an investment policy adopted by its Board. Four investment pools are offered: a growth fund, a balanced fund, an income fund and a fixed income fund. The Foundation uses the services of Salomon Smith Barney to help select top money managers and evaluate performance. As of December 31, 2005, the Foundation held $136.1 million under management.

During 2005, our distributions totaled $7.8 million, with charity receiving $5.7 million and individuals, through trusts, receiving $2.1 million. During the 85-year history of The North Carolina Baptist Foundation, Inc., $29.1 million has been distributed to individuals and $53.3 million to Baptist churches, institutions and mission causes for a grand historical total of $82.4 million.

COUNCIL ON CHRISTIAN HIGHER EDUCATION
BAPTIST STATE CONVENTION OF NORTH CAROLINA
2006

Appreciate the Past, Celebrate the Present, Anticipate the Future

Across the years Campbell, Chowan, Gardner-Webb, and Wingate Universities and Mars Hill College have emphasized that all Christians are called to ministry whatever their vocation. Each of the schools has in the past and continues to assist students in understanding how they can live out their calling and faith in the world.

Each of the schools also places a high priority on educating persons for vocational ministry and missions. In 2005 there were 495 Ministerial Students in our North Carolina Baptist universities and college.

Thanks to your support for Christian Higher Education the Baptist State Convention provided financial aid to 551 North Carolina Baptist students in the amount of $1,176,551 in 2005. These students received an average of $2,135. From Buncombe Association 30 students received scholarship aid. These students came from the following churches: Asheville First, Beaverdam, Beverly Hills, Biltmore, Black Mountain First, Flat Creek, Gashes Creek, Hominy, Jupiter, Merrimon Avenue, New Liberty, New Life Community, Pleasant Hill, Ridgeway, Swannanoa First, The Celebration Church, Weaverville First, West Asheville and Woodland Hills.

Without your assistance many of these deserving students would not have been able to attend a Baptist college or university. Thank you Campbell, Chowan, Gardner-Webb, Mars Hill and Wingate for providing education with a Christian mission. And thank you Baptist churches for supporting North Carolina Baptist students. Together you are honoring your heritage as you impact the world for good and for God.

BIBLICAL RECORDER
2006 Associational Report

The *Biblical Recorder* is now in the 173rd year of service to Baptists in North Carolina, a ministry that now extends around the world. The *Recorders* mission is "to further Christ's kingdom among North Carolina Baptists by providing relevant news, insightful opinions and supportive resources in a timely and accessible fashion."

The *Recorder* was founded in 1833 and has served since that time as the official news journal of the Baptist State Convention of North Carolina, even though it was privately owned and operated until 1939, when it became a convention agency. As it has from the beginning, the *Recorder* relates to the full spectrum of BSC churches, and reports on matters of interest to them.

In keeping with principles outlined in its charter and reflected in the Baptist State Convention Articles and Bylaws, the *Recorder* staff works "to maintain and safeguard the inalienable rights and privileges of a free press, these rights and privileges being consistent with the traditional Baptist emphasis upon the freedom, under Christ, of both the human spirit and Baptist churches."

The *Biblical Recorder* is widely acknowledged to be in the top echelon of state Baptist Papers, winning national honors from the Baptist Communicator's Association every year since 2000, including the prestigious Burkhalter Award for news writing in 2001 and numerous first place awards for news and editorial writing.

As many readers now prefer electronic media to traditional print formats, the *Biblical Recorder* maintains a popular and rapidly growing presence on the World Wide Web. The website. *www.biblicalrecorder.org,* provides much of each paper's content online, as well as access to classified ads, online Bible study resources, and a portal to other news services. The site is updated frequently with breaking news items and other articles of interest.

A blog or weblog by the editor at *http://journal.biblicalrecorder.org* offers an additional source of news and opinion that also provides an online community for dialogue and an opportunity for readers to post their own blogs or comments.

The *Recorder* currently averages about 45,000 print copies per issue, most of which are read by more than one person. In addition, *www.biblicalrecorder.org* attracts more than 250,000 unique readers per month, giving North Carolina Baptists' state paper a wider reach than ever before.

As a BSCNC agency, the *Biblical Recorder* gratefully receives annual support from Cooperative Missions Giving contributions, making it possible to offer the *Recorder* at subscription rates below the actual cost. Leadership Council Meeting
Monday, November 7, 2005
Baptist Resource Center
11:30 a.m.

MINUTES

Wayne Higgins, Moderator, Presided. After thanking the associational staff for their provisions for the meeting and meal, the meeting was called to order.

Following a request for prayer for Dr. Bailey and his wife, Sue, and for Sue's father who is critically ill, other requests were taken and Kyle Carver led in prayer.

Minutes of the last association leadership council meeting were approved as printed.

Bud Dotson presented the financial update (figures through the end of September).

The following items were included:

- ☐ A small additional payment has been made toward the debt retirement; the debt is now about $180,000. (Recommendation had been made by Dr. Bailey and Bud that we delay any emphasis on debt reduction due to the on-going work of our disaster relief efforts). Bud stated that an individual who says that he feels led to help in the debt reduction had approached him.
- ☐ Note was made that there is currently a budget deficit of $14,593; however, because of a $32,000 plus reserve amount, and the fact that some churches will catch up by the end of the year, the financial condition is okay as of now.
- ☐ Wayne commented that a question was asked about the amount in the current budget for staff Christmas bonuses. The finance and personnel committees will need to discuss this.
- ☐ An application for scholarship monies through the John G. Hicks Scholarship Fund has been forwarded to the corporation officers. At the current time, there is no committee or group that takes care of approving these applications. However, there is a scholarship consultant who works with the corporation officers. Ann Lytle is the scholarship consultant. She also received a copy of the application. The request for scholarship funding was for Timothy Gabriel Brown, a member of Biltmore Baptist Church, who will be attending Southwestern Seminary. A motion was made and seconded to grant the scholarship for $500. After the first year, it will be

necessary for him to reapply for future scholarship funds. Nancy Owen will notify Timothy Brown and the North Carolina Baptist Foundation of this scholarship award. The funds will be disbursed from the Foundation to the school.

The partnership missions update was given by Norma Melton in the absence of Scott Shields. Norma presented the following information:

- ☐ Norma distributed information about the Mississippi partnership that was also distributed at the Fall Meeting. The motion was made and seconded that the Buncombe Baptist Association enter into a formal partnership with the Gulf Coast Baptist Association (which include Biloxi and Gulfport) to assist with recovery efforts. The motion was approved. Any church in our association can go on line and sign up with NAMB to adopt a church. The local church would then be directly partnered with a church in the Gulf Coast Association. Norma shared a letter which was sent to Dr. Bailey from a pastor of a Vietnamese church in Biloxi (in the Gulf Coast Baptist Association) which had been totally destroyed. Their membership has been displaced and very few have been able to return. This church must start "from scratch" to rebuild. The letter included photographs of the church and surrounding area so devastated by hurricane Katrina. The pastor stated, "Suddenly, overnight, everything collapsed, including our church finance... any help is needed and appreciated. God bless your staff and fellow association as you help us." Susie Black noted that a list of suggestions of things adopting churches can do is included on the back of the information Norma distributed. Several teams from churches in our association have recently gone to areas in several states (Louisiana, Mississippi, Alabama and Florida) for disaster relief including the Gulf Coast Baptist Association.

Perry Brindley presented the following recommendations from the nominations committee:

- ☐ That Gordon Wilson, a member of West Asheville Baptist Church, serve on the recreation team. Nancy Owen stated that she met with the recreation team and the basketball coaches at their first organization meeting last week. They have increased the fee to $550 (there is still a deficit in this line item of the budget). There were about thirteen churches represented at this meeting. It is expected that there will be about sixteen teams (and some teams that are non-association teams) so it looks like a very active season. The teams will use two gyms: Pole Creek and Trinity (on Shelburne Road). Each team will sign a "Church Usage Form" from the participating churches. In addition, the Buncombe Baptist Association Basketball League has provided a form signed by Danny, Greg, Dr. Craig Bailey and the recreation team leader for each gym. This means that the participating churches will pay the entry fee and the association will, in turn, pay for the use of the church's gym. The recommendation was approved as presented.
- ☐ Vacancies that still exist are: chairperson for the properties committee, an additional member on the membership committee, and a person to serve as music director.

Norma Melton gave a report on "happenings within the Association."

- ☐ Each Christmas prison chaplains, through Prison Fellowship and Christian churches make available a program called "Angel Tree" in order for prisoners' children to receive Christmas gifts. Information has been distributed for over 250 names of children in Buncombe County who have been submitted for the Angel Tree project. There are approximately 160 additional names yet to be distributed. There is still a great need for sponsors to provide gifts (two gifts—each $15 to $20 in value) for these children. Information about the plan of salvation can be included with these gifts.

- The Red Box Ministry (a red box containing toiletry items, etc., which are distributed at Christmas to women who are incarcerated, to women's shelters, and others) is another on-going project during this season.
- The associational adult choir will be singing on December 10 at the Grove Park Inn at 11:00 a.m. and 1:00 p.m.
- Information was distributed about the ministers, spouses and church staff Christmas dinner that will be held on December 5th at the resource center.
- There are hunger funds available that churches and associations can apply for through the Baptist State Convention. These monies come from a partnership with the North American Mission Board and the Baptist State Convention. Up to $3000 per year can be requested per agency or organization or by a church. Two requests have been submitted recently: ABCCM is low on food and an application was submitted and $3000 has been received for use specifically for the Hominy Valley site. An application was also submitted for the Vanderbilt Apartments in downtown Asheville (apartments for low income people). These funds will be used to supplement a food pantry to provide food for needy people who are residents there. Representatives from Buncombe Baptists are also allowed to go into this apartment community for Bible studies, crafts and to distribute literature as a ministry there.
- Another ministry is holiday angel, which is a toy ministry that ABCCM coordinates. The coordinator of this ministry uses the facilities at the Ministry Annex. ABCCM pays for the phone at the annex building during the time the facility is being used for this ministry. The annex building is also used by the Slavic Ministry in Asheville and Asheville Pregnancy Support Services.
- Norma shared a pamphlet about Youth on Missions, which is coordinated by Harry Fowler. Youth groups sign up through Mr. Fowler to go to various places in the United States and Canada for mission projects. Mr. Fowler takes care of the lodging, meals, etc. with the money from the participants. Associations and churches use these youth groups for construction, Backyard Bible Clubs and various ministry projects. It is being proposed that Asheville be listed as one of the sites. Dr. Bailey would like to have youth on Mission come to Asheville this summer for a week in June. There would be about 200 youth who would be here in the Asheville area. Your church may be interested in doing a Backyard Bible Club, or you may need help with Vacation Bible School. There is a need, for instance, at Vanderbilt Apartments to help some of the residents who are unable to do major cleaning, etc. Churches requesting workers would not necessarily have any financial responsibility except the cost of repair material, etc. There is a deadline for our office to let them know what projects we have and how many students we could use. Norma will be meeting tomorrow (November 8) at the Resource Center with Scott Shields and LaCount Anderson about Youth on Missions. A motion was

entertained and approved to participate in this ministry. (LaCount Anderson was a former staff member of First Baptist Weaverville.)

Susie Black gave the following update on current projects of the properties committee

- ☐ This committee hopes, by then end of this year, to have the bank near the road cleared and the ivy removed from the big tree near the building.
- ☐ Plans are also underway to pressure wash the front porch and steps
- ☐ The removal of the three trees leaning on the Gayle Brown Center should be soon completed, as well. This will finish up the remaining projects of the properties committee. Appreciation was expressed for Kim Black and the leadership he has provided during his tenure as chairman of the properties committee.

There being no further business, the meeting was adjourned with a closing prayer.

LEADERSHIP COUNCIL MEETING
Monday, January 16, 2006
Baptist Resource Center
6:00 p.m.

MINUTES

Wayne Higgins, Moderator, called the meeting to order after the meal, prayer requests and prayer. Minutes of the last association leadership council meeting were approved as presented.

The following committee appointments were approved:

Nominating Committee: Charlie Sams, Chairman; New Members—Edwina Messer and Cathryn Kinser

The Order of Business Committee Chairman position is open.

The Financial update, presented by Kyle Carver, included the following: additional principal payments were made this month—the printed report shows the balance of $181,261.31 with the additional payments the balance is now down to $178,000. The first finance committee meeting for this year is scheduled for January 18, 2006. The financial report was approved as printed.

Dr. Craig Bailey and Norma Melton presented information about the association. Dr. Bailey extended the association's deepest sympathy in the following: To the Ecclesia Church family in the loss of 40-year old pastor John Thomas; to the family of Ricky Townsend, pastor at Corinth Church, in the tragic accident taking the life of his brother-in-law; to the Billy Cline family and Celebration Church in the loss of Dr. Cline's son, David Cline; and the Kyle Carver family in the loss of their son, Mitch Carver, in Iraq.

Dr. Bailey mentioned that other items…pale in significance next to the…issues of life in the Family of God…,however, we are thankful for many opportunities of ministry through the

Buncombe Baptist Association. We still have people every week from our association who are in Mississippi and New Orleans and also in partnership with the Gulf Coast Baptist Association. We were able to send $1000 recently to help buy materials and supplies for some of our folks who are helping there.

Dr. Bailey has been able to visit and/or minister to over half of the churches in the association. His visits and work with the churches has included church health projects, working with and training pastor search teams, new church plant projects that are on-going in the Association, and preaching in several of the churches. His goal is to visit all the churches before his one-year anniversary date in April.

The education team has met and is planning a fall launch of seminary extension courses in our association. They are currently seeking possible teachers for courses. The requirements for these teachers are listed in the handout.

Clark Henderson and the evangelism team will lead us in two key events. This year, associational baptism rallies will be held in August and September to celebrate the SBC-wide emphasis to win one million people to Christ. A Franklin Graham Festival will possibly be held in our area in 2008 or 2009. Letters of support from churches, businesses and key individuals are requested which can be presented to the Billy Graham Evangelistic Association. Letters can be turned in to the association office or sent to Rev. Cark Henderson at Newbridge.

The Southern Baptist Convention will meet in Greensboro in June. Dr. Bailey encouraged church participation in the many ministry opportunities there.

Buncombe Baptist Churches will host two huge regional events this spring: Apologetics/ Interfaith Evangelism Conference, April 6-8 at Woodland Hills Baptist Church; and A Great Commission Prayer Conference at Biltmore Baptist, March 16-18.

Norma Melton presented a report on the work going on through Church and Community Ministries. There were approximately 1,200 to 1,300 people whose lives were touched through the various ministries through the Association during the Christmas season.

- Through the Angel Tree Ministry, 345 children were given gifts, their parents were touched in Jesus' name and prisoners experienced the love of Christ.
- Buncombe Baptists partnered with Asheville-Buncombe Christian Community Ministries, which used the Gayle D. Brown Ministry Center during November and December, enabling more than 500 other children to receive gifts.
- Three hundred and thirty two "Red Boxes" containing hygiene items and scripture tracts were distributed to residents at the Black Mountain Women's Correctional Facility, the Martha Home, the ABCCM Women and Children's Shelter, the Lewis Rathburn Center, a nursing home, clients connected with Asheville Pregnancy Support Services and Families Together and also wives of Fruitland Bible Institute students.

- The love of Jesus was shared through a devotional message and Christian clowns at a Christmas party for about seventy women at the Black Mountain Women's Correctional Facility.
- A choir made up of persons from across the Association shared the Christmas message in music at the Grove Park.

The Christian Women's Job Corps Advisory Board is in the process of evaluating the direction of the ministry, which is now without a certified coordinator.

Some upcoming opportunities for ministry include: Easter and Memorial Day Rest Area Ministry, Bele Chere, The Mountain State Fair, and various opportunities for churches to minister and/or be recipients of ministry through Youth on Mission and Appalachian Regional Ministry.

College students will again be employed as summer missionaries through the Buncombe Baptist Association. These college students will be working in summer camps, Vacation Bible Schools, Backyard Bible Clubs, Bele Chere, and various outreach efforts. Contact Norma for an application, if you know a college student interested in applying.

The following miscellaneous business was presented: The associational staff has been working with printing businesses in the area to select a vendor to provide for the printing needs of the association such as letterhead stationery, business cards, printing of the newsletter, etc. Auten Printing has been selected to provide these printing services

Susie Black presented information about the media section of the resource center, which is in the process of being updated. The shelves have been painted and a number of outdated and unused books and materials have been removed from the media center and are being replaced with new multi-media kits and materials our churches and pastors need. A number of young ministers in the association were able to use the commentaries, etc., removed from the media center. The other materials will be used by church planters across the state as many of the church plants do not have any resources at all. Hopefully, by April we will be able to show off our new media center at an open house.

One of things missing in the media center is a flag. Susie recommended that we place a flag in the media center in memory of Mitch Carver and in gratitude of his service to our country. The recommendation received full support and a flag will be secured for this purpose.

The association is working to set up some disaster relief training in Buncombe Country.

The next meeting of the leadership council will be April 10, 2006, at the Resource Center.

The Associational Spring Meeting will be May 8, 6:30 p.m. at Grassy Branch Church. The Fall Meeting will be October 9, 6:30 p.m. at Woodland Hills Baptist Church.

As there was no further business, the meeting was adjourned.

New Nominees

Susie Black presented the properties committee report which included a proposal from the properties committee that Roberson Landscaping and Janitorial be hired to take care of the facilities and grounds of the Buncombe Baptist Ministry Resource Center and the Gayle D. Brown Ministry Center on Hazel Mill Road. The rate of pay would be $1160 per month. This would replace the current lawn and custodial care services. The committee feels this would best meet the needs of the Resource Center and eliminate having to call on outside sources to contract for various lawn care and maintenance problems. Questions were answered and the recommendation was approved as presented.

Bud Dotson and Kyle Carver presented the financial update. It was requested that the program areas have their budget requests to the committee by May 1, 2006. Copies of the financial statement were distributed (figures through the first quarter of this year).The debt balance continues to decrease steadily. Two years ago, there was a line item in the budget for "Church Starts" with no money in that budget. This year, the budget shows $15,000 in this line item. This money is being distributed each month for church starts.

Financing has been provided to have a flag pole and memorial (including benches, lighting, etc., so that the flag can be visible at all times) in memory of Mitch Carver and other veterans who have served from the Buncombe Baptist Association. A dedication service is planned for May during association week. Cathryn Kinser made a motion that a United States flag be erected on the Resource Center grounds. The motion was amended to add that a Christian flag also be erected in a manner that would be appropriate. This amended motion was adopted.

The financial report was approved as printed.

Dr. Craig Bailey and Norma Melton presented the association staff report. Norma reported on several ministry areas including the red boxes which are distributed at Christmas. She shared a story of the blessing provided through this ministry. Interviews are now in process for persons to serve as college student summer missionaries. Three positions will be available this year. One of these students will be working primarily with "Church Starts." The other two will be working with many activities going on during the summer months. These students will also be available to work in individual churches with Vacation Bible Schools, block parties, youth events, children's events, etc.

Don Welborn from Calvary Baptist is conducting the Adult Buncombe Baptist Chorale. The Chorale will be singing at Beverly Hills Baptist Church, on Sunday, May 7, 2006, at 3:00 p.m.

The rest area ministry will take place again Memorial Day Weekend. The fair ministry team is making plans for ministry at the 2006 WNC Mountain State Fair. The mission camp team and music team are planning for mission camp and children's choir camp. Norma has had an opportunity to speak in many churches this spring to share about Buncombe Baptist ministry work. Through the North American Mission Board, she will be going to Wyoming this month for an On Mission Celebration. The annual WMU leadership team hosted the annual WMU meeting at the Buncombe Baptist Resource Center on April 3, 2006. Our missionaries in residence at missions camp this year will be Jeff and Donna Maynard and their three children. They have been serving in South Africa.

Dr. Bailey informed the group of many opportunities for service that have taken place during this year and of upcoming events. Dr. Bobby Welch, President of the Southern Baptist Convention, will be in Asheville for three events: associational rally on April 23 @ West Asheville Baptist Church, BBA ministers' conference on Monday, April 24, and the Leadership Summit at Biltmore on April 27. The North Carolina State Bible Drill will be held at Biltmore Baptist on April 28-29. The Apologetics/Interfaith Evangelism Conference was held at Woodland Hills, and the State Prayer Evangelism Conference at Biltmore. New church plants are continuing to work in the Buncombe Association including Pinnacle Church in Canton, a mission of Biltmore, launched on March 26 at Pisgah High School with 400 in attendance.

Our education team continues to plan for a fall launch of Seminary Extension. Several teachers have been secured. Lester Evans of our Baptist State Convention will be assisting in this endeavor.

Churches which have disaster relief vehicles may be asked to bring them to the spring meeting for people to tour them and so that churches to get ideas for setting up their own disaster relief vans. Dr. Bailey stated work is ongoing with the strategy planning team to bring a recommendation about reorganization.

The first Sunday in April was Dr. Bailey's first anniversary as Director of Missions in the Buncombe Association. During this year, Dr. Bailey has made 127 visits in 68 churches in the association (for worship services).

The next meeting will be a luncheon meeting on June 26, 2006. There being no further business, the meeting was adjourned with a closing prayer.

Leadership Council Meeting
Monday, June 26, 2006
Baptist Resource Center
11:30 a.m.

MINUTES

Wayne Higgins, Moderator, called the meeting to order and presided after giving thanks for the meal and welcoming the group. Dr. Bailey introduced the Summer Missionaries: Whitney Thompson, member at Pole Creek, and a student at AB Tech; Carla Bowlin, Member at Mount Carmel, and a recent graduate of Appalachian State University; and Justin Davis, member at West Asheville, and a student at NC State University.

The Minutes of the last Association Leadership Council Meeting and the Spring Meeting were approved as printed.

Dr. Bailey presented the Association Strategy Committee Report. Beginning September 5, 2006, Buncombe Baptists will be offering Seminary Extension classes at the Resource Center. These will be undergraduate courses that are credited and can be transferred (depending on the program). Various certificates and diplomas can be earned.

Also included in Dr. Bailey's report was information about the Southern Baptist Convention which was held in Winston-Salem, NC, this year. Across the Convention, there have been more than eight hundred decisions for Christ and twenty-six church starts. Many associations in North Carolina are planning Baptism Rallies. Multiple Baptism Rallies are planned in our Association. Biltmore Baptist Church was commended for leading this effort, and for preparing the materials that are now being used all over the Convention and the country. The leadership for the Baptism Rallies has been coordinated by Carl Toth at Biltmore. Also serving on the team are our BBA Evangelism Chairman, Clark Henderson, along with Kevin Bennett and Dennis Thurman.

The Strategy Planning Team is currently meeting regarding the Association reorganization strategy. This committee is requesting input from the Leadership Council and others as they continue to meet during the summer to have a proposal ready for presentation by the fall. A printed report from this committee was distributed. This committee is working on a recommendation for a simplified structure for the Association. The objectives of this plan include the following: (1) to have a simple purpose-driven approach to ministry; (2) a streamlined administrative structure; (3) a simplified calendar; (4) a focus on the local church; (5) a simplified purpose-driven budget to go along with the simplified administration. The recommendations and suggestions from the Leadership Council Meeting will be passed along to the Strategy Planning Team which is chaired by Kevin Bennett. There will possibly be four elements to this basic organizational model: An Administrative Team which will include properties, personnel and finance; four Ministry Teams (each having sub-teams as needed) (1) Evangelism and Missions; (2) Church and Community Ministries; (3) Education and Discipleship; and (4) Membership and Worship. Under this strategy, the Leadership Council would consist of the Administrative Team leadership, the four ministry team leaders, the Association staff and officers. These changes will potentially reduce the number of meetings required annually under the present structure.

A suggestion was made that the four teams might be: (1) Evangelism, Missions, and Membership (2) Church and Community Ministries (3) Education and Discipleship and (4) Prayer and Worship. This suggestion will be given to the Association Strategy Planning for their study.

The Financial Update was distributed and presented by Bud Dotson. Currently the Association is about $20,000 behind in our annual budget; however, as many churches (and individuals within the churches) make their contributions on a quarterly basis, the Association is actually about where we usually are financially at this time of the year.

The following items were presented as information: (1) The Finance Committee is in the process of doing a compilation for audit. (2) A veteran's memorial will soon be erected "In memory of Chief Warrant Officer Mitch Carver and all Buncombe Baptist veterans who gave their life for their country." Donations are being accepted for this memorial. Mitch Carver was the son of Finance Committee Chairman, Kyle Carver. Most of the money donated for this memorial has been given in memory of Mitch Carver; however, the wording of the plaque will also honor all Buncombe Baptist veterans who have made this ultimate sacrifice.

The Financial Report was accepted as presented.

Norma Melton presented the report from the Association staff. Information was presented on the Rest Area Ministry. (Two new rest area ministries, patterned after the Buncombe Baptist Ministry, have been started in other counties.) Plans are underway to expand this ministry to include a weekend during the leaf season in October.

Other upcoming ministry opportunities include:

- Children's Summer Sing
- Bele Chere Diaper Changing Station--July 28-30, 2006
- Heading for Summer Camp
- English as a Second Language workshops
- Senior Adult Fellowship, September 28, 2006
- Prayerwalk Weekend, August 18-20, 2006
- 2006 Mountain State Fair, (many opportunities for ministry)

The next meeting will be a luncheon meeting on September 18, 2006, at 11:30 a.m. at the Resource Center. After a motion to adjourn, the meeting was closed with prayer.

Leadership Council Meeting
Monday, September 18, 2006
Baptist Resource Center
11:30 a.m.

MINUTES

Wayne Higgins, Moderator, called the meeting to order. The agenda, minutes and additional information were distributed. Dr. Craig Bailey presented the Association Strategy Committee Report with an update on the progress of simplifying the structure to allow the current teams to work within the combined groups. This streamlined organizational plan will provide greater efficiency. In accordance with emphasis on prayer, an Associational Prayer Coordinator will be added to serve in the Church and Community Missions group. The four ministry groups, which were compared to the four chambers of the heart, will be Membership and Fellowship, Discipleship and Education, Church and Community Missions, and Evangelism and Missions.

The "worship" activities of the Association, (i.e., bringing new churches into the Association, Ministers Conference, the RA events, Baptist Men's Ministries, etc.) will fall under the Membership and Fellowship ministry group. The Discipleship and Education ministry group will include Sunday School, Discipleship, and Family Ministries allowing us to go into a church and help with any area, without having to call on another team. Seminary Extension, and informing the churches about upcoming training and education events will be included in this team. The Church and Community Missions ministry group will include the many ministries with which Norma, as Church and Community Missions Coordinator, is involved. The Evangelism and Missions Team will include ministries such as: The Jesus Video Project, Baptism Rallies, the Franklin Graham Crusade, etc.

The Administration Group will include the former Finance, Personnel, and Properties committees. An orientation meeting will be held on Monday, November 6, at 7:00 p.m. at the Resource Center for these three combined areas.

Restructuring these committees should provide a more efficient operation of the Association Ministries and streamline the number of meetings for the people involved. This new structure will include the two Association Meetings annually, The Leadership

Council will meet four times a year (two of these will be dinner meetings before the Associational Meetings). The Administrative Group will meet up to eight times annually. The Ministry Groups will meet quarterly together to talk about the objectives of the whole group then breakout into the four ministry groups for separate sub team meetings. Any team can call meetings as needed (in addition to those regularly scheduled).

A new position of Associational Prayer Coordinator is open at this time. This person would take prayer requests from each of the teams and from our churches, as well. This volunteer would help our Association to focus on prayer.
Bud Dotson presented the Financial Update as distributed at the meeting. The Veteran's Memorial, which was approved at the last meeting, has been partially installed and should be completed shortly. The dedication of the Buncombe Baptist Veterans' Memorial has been tentatively set for Veteran's Day, November 11, 2006. Contributions for this memorial may be sent to the Association office. The motion was made and seconded that the budget be accepted as printed.

Norma Melton presented the report from the Association staff. A summary of Church and Community ministries was distributed at the meeting. She shared information about the many opportunities for service over the summer months including: Children's Choir Camp, Diaper Changing Station at Bele Chere, Children's Mission Camp, English as a Second Language Workshop, Pastor Appreciation Dinner, Prayerwalk, Adult Buncombe Baptist Chorale, WNC Mountain State Fair and upcoming events such as "The Red Box Ministry," and "Angel Tree."

Dr. Bailey shared information about mission partnerships with Wyoming and Canada. There will be a meeting on Tuesday, September 19, with a group from the Baptist State Convention who will be introducing the new partnership with Canada. Eastern Canada is one of the most unchurched areas in this hemisphere. Churches are encouraged to send a representative to attend this meeting.

Dr. Bailey expressed appreciation to Clark Henderson and the Evangelism Team for their leadership in the evangelism rallies.

The Fall Associational Meeting will be held at Woodland Hills Baptist Church on October 9, 2006. A couple of interesting things are planned for this meeting. We are looking at starting a "Cowboy Church" in the area (as a part of the Cowboy Church Network). These are flourishing in a lot of areas in our state. A couple of churches in the area have been contacted regarding being initial sponsors. With the combined efforts of the Wyoming partnership and the Cowboy Church we are starting, a Western Theme-- "Blazing Trails for Christ"—is planned. Messengers are encouraged to dress Western for this event.

Information was also distributed regarding the Crossfire Ministries Golf Tournament which is to be held on Thursday, October 12, 2006.

There being no further business, the meeting was adjourned.

SPRING MEETING
May 8, 2006
Grassy Branch Baptist Church
6:30 p.m.

MINUTES

The Grassy Branch Choir presented the Call to Worship, "When He Reached Down His Hand for Me." The invocation and welcome were given by Ken Sausedo, host pastor. Rev. Sausedo and many in attendance were wearing their "Disaster Relief" shirts and hats as ministries and missions involvement were the emphasis of the meeting. Many churches brought their Disaster Relief mobile units.

Wayne Higgins, Moderator, declared the 2006 Spring Meeting of the Buncombe Baptist Association in session. God continues to work in our Association. Through Buncombe Baptists, we are reaching out to the United States and to the world through missions involvement including Disaster Relief, the Mountain State Fair Ministry, and the Rest Area

Ministry, etc. Moderator Higgins stated that our prayer should be for God to send each of us "on mission" for Him. "M&M"'s were distributed as a visual reminder of the many varieties of "Missions in Ministry."

Dr. Craig Bailey, Director of Missions, recognized new pastors and staff members: Ricky Townsend, pastor, Turkey Creek; Teddy Winter, Minister of Youth and Activities, Mount Carmel; and Bryan Lee, Minister of Youth, Beverly Hills.

Denominational Representative, Wayne Oakes, gave special recognitions and presented information about the Baptist State Convention. Wayne Higgins and Wayne Oakes recognized the two longest tenured pastors in the state of North Carolina. These pastors are both in the Buncombe Association: Rev. Robert Harris, the "Circuit Riding Minister" has been serving since 1949 for a total of fifty-seven years at Sulphur Springs Park Baptist Church. Rev. Charles Sprinkle will have served as pastor at the Glady Baptist Church for fifty-five years in June. Dr. Billy Cline was recognized for long-standing service in the Buncombe Association Dr. Cline was unable to be present due to a previous engagement. Rev. James Lamb was also recognized upon his retirement from the ministry at Grove Stone Baptist Church. He was made "Pastor Emeritus" of the Grove Stone Church. Rev. Lamb was presented a Certificate of Appreciation for his faithful service to our Lord and to the Buncombe Association.

Kyle Carver presented the Financial Report as printed in the Book of Reports.

The Nominating Committee Report, presented by Charlie Sams, was approved as printed.

James Lamb presented the Membership Committee Report as printed. After having been under "watch care" for a period of one year, the recommendation was approved that Calvary Baptist of Fairview be received into the membership of the Buncombe Baptist Association as a full member with all its rights, privileges and responsibilities.

The Evangelism Committee Report was presented by Clark Henderson. Rev. Henderson gave a charge to all churches to be part of evangelizing the world for Christ. The Evangelism Team is currently working with three on-going projects: (1) Bringing a Franklin Graham Festival to Asheville, (2) Planning for public baptisms as Buncombe Baptists join with the Southern Baptist Convention in their commitment to baptize one million this year; and (3) and the Jesus Video Project which has resulted in the deliverance of "Jesus" videos to nineteen of the twenty-three zip code areas.

Kevin Bennett shared the Association Strategy Planning Committee Report as printed in the "Book of Reports." At the fall meeting, the committee expects to have a proposal ready of a new, simplified organization of the Association. Some reorganization is planned. Information will be distributed when these recommendations are finalized and ready for presentation to the Association.

Norma Melton, from the Association Staff, shared some of the many areas Buncombe Baptists are working to share God's love.

- Buncombe Baptists reached out in love to more than 350 Angel Tree children whose parents are incarcerated
- Over 500 other children received gifts at Christmas as we partnered with ABCCM;
- God's love was shared with ladies at Black Mountain Correctional Facility at a party
- Travelers were greeted at the I-26 rest areas
- Red Boxes touched peoples' lives, not only at Christmas, but at Valentine's
- Christian Literacy Missions, through English as a Second Language, helped adults receive U.S. citizenship while the tutoring at children and youth programs gave children the opportunity that they needed to succeed.

Norma shared some of her experiences in Wyoming while participating in an "On Missions Celebration" at the request of the North American Missions Board. Ninety percent of the people in Wyoming are lost, the churches are small with bi-vocational ministers struggling to make ends meet. The Mormon influence is huge and is growing. A great ministry field is the large group of men who are going to the area to work in the oil fields. Prayer teams are being established in North Carolina to seek God's direction for the work there.

Dr. Craig Bailey referred to the information printed in the program and encouraged churches to continue to help in the reduction of the debt for the Resource Center. An urgent need in the Gulf area is for an icemaker. An offering was taken with these two needs in mind.

Dr. Bailey reported on the first Baptismal Rally which was held on May 7, 2006, at Freedom Baptist Church. With the church packed for the morning service and the temperatures in the 50's, twenty new converts were baptized in Freedom Lake.

After an offering and worship in music, missions and ministries testimonies were given. Those sharing their testimonies were: Randy Corn, Biltmore; Gary Roberts, Woodland Hills; Aundria Gaddy, UNCA BSU President; Barry Nichols, Grassy Branch and Scott Shields, West Asheville.

The meeting was adjourned after a Prayer of Commitment led by James Lamb.

FALL MEETING
Monday, October 9, 2006
Woodland Hills Baptist Church
6:30 P.M.

MINUTES

After pre-session music and the Call to Worship, Pastor Joe Dillon gave the invocation and welcome. In keeping with the theme, "Blazin' Trails for Christ," many were dressed in Western attire. Wayne Higgins declared the 125th meeting in session. Dr. Craig Bailey expressed appreciation to Woodland Hills Baptist Church for hosting this meeting and recognized special guests, new pastors and staff members. Rev. Cecil Fox, Pole Creek Baptist Church was added to those listed on page 14 "In Memoriam" of the Book of Reports. The recommendation was made that the 2006 Buncombe Association Minutes of the Fall Meeting be dedicated to the memory of: Reverend Lynn Crouch, Mountain View Baptist Church; Reverend Cecil Fox, Pole Creek Baptist Church; Reverend E. S. Morgan, Newbridge Baptist Church; Reverend George Roberts, West Asheville Baptist Church and Reverend Gordon Scruggs, Bethel Baptist Church.

After hymns of praise and worship, Charlie Sams presented the Nominations Committee Report and recommended the following General Officers of the Association: Moderator: Stan Willet of Berea Baptist; Vice-Moderator, Jim McCoy of Weaverville First Baptist; Clerk, Nancy Owen of Mount Carmel; and Treasurer, Bud Dotson of Fairview. The officers were elected as presented. The recommendations from the Nominating Committee as printed on pages 3-6 of the report were approved as printed.

Bud Dotson presented the financial report as printed on pages 16-25 of the report. The report was received as information. Bud invited all to attend the Veterans' Memorial Dedication ceremony on Saturday, November 11, 2006, at 11:00 a.m. at the Resource Center. Kyle Carver, Chairman of the Finance Committee, presented the Finance Report as printed on pages 24-25 in the booklet. The Finance Committee recommends increasing the budget for New Church Starts from $16,000 to $20,000 in the hope of starting more new churches in the Association. In addition, an increase for Summer Student Workers from $5,500 to $8,000 is recommended which may make it possible to increase the number of students from three to four for the summer of 2007. Under the line item for Interest Expenses—Mortgage, the recommended budget is the same as this past year's budget which was originally listed in two line items (one line item of $10,900 did not show up on the printed page). A five-percent increase is recommended across the board for compensation for the Association Staff. The budget as presented was approved.

James Lamb presented the Membership Committee Report recommending that North Point Baptist Church be received into full membership. North Point has been under watch care for the past year and proven themselves to be a strong church with a bright future. This recommendation was approved.

Wayne Higgins recognized with appreciation the Buncombe Baptist Association Staff—Dr. Craig Bailey, Director of Missions; Mrs. Norma Melton, Director of Church and Community Ministries; Mrs. Susie Black, Administrative Assistant; and Mrs. Nancy Owen, Communications Secretary.

Dr. Bailey mentioned the loss in Kyle Carver's family of their son Mitch whose life was taken in Iraq. Joe Dillon's son is getting ready to put his life on the line in another manner as a missionary in a black flag nation. His family will not see him for at least two years.

Dr. Bailey presented an award to Pastor Bob Blaylock of Ridgecrest Baptist Church from the N. C. Baptist State Convention in recognition of the church in the Association that has given the largest percentage per capita member as a congregation to the Cooperative Program in the past year.

Wayne Higgins was presented a gift from the Association in recognition for his outstanding service as Moderator of the Association for the past three years.

After the offertory hymn, Craig Bailey and Norma Melton shared a "Celebration of Missions." Norma shared Bucs' story. Bucs is a carnival worker from South Africa who was working at the Fair where he told Norma and Susie about coming to America to work so that he could earn enough money to buy a used electric wheel chair for his five-year old son, Jonathan, who has cerebral palsy. Through the earnings of Bucs, donations of co-workers and others who heard about Bucs' story, Norma and Susie were able to collect enough to buy a new wheelchair. Showing the wheelchair to those in attendance, Norma shared that she and Susie were leaving immediately following this meeting to drive to Sanford, NC, to take the wheelchair to Bucs. He does not know they will be delivering the chair in person. Norma shared many other ways the Buncombe Baptist Association is Blazin' Trails for Christ.

Dr. Bailey presented a slide presentation, "Celebration of Missions" highlighting the "Heartbeat of Missions in the Mountains" logo; the revised division of four ministry groups—Membership and Fellowship, Discipleship and Education, Church and Community Ministries, and Evangelism and Missions. By taking the existing teams and putting them into these four groups, the Association will be able to operate very efficiently and, thereby, streamline the number of required meetings.

Jeff Smith, head of the Cowboys Church Network, spoke on behalf of agencies and institutions. Thirty Cowboy Churches have been started in the past three and one-half years from Florida to Canada. Plans are underway to start a Cowboy Church in the Buncombe Association.

Dr. Bailey introduced speaker, Rev. Kevin Bennett, from one of the Association's most exciting and fastest growing churches, Mountain View Baptist Church.

After a prayer of commitment, led by Johnny Byrd, the meeting was adjourned

MISSIONARY REPORT

Dr. Craig Bailey

Three Hundred and One Hundred Twenty-five…

These are the two anniversaries we are celebrating simultaneously at the 2007 Fall Meeting of Buncombe Baptists. The first Baptist Association in America began 300 years ago, signaling the desire of Baptists to join together for mutual support and missions partnership.

Buncombe Baptist Association began in 1882. After planning meetings held at Bethel Baptist Church, a handful of churches held the first organizational meeting at Flat Creek Baptist Church. Today we meet 125 years later as an association of 94 churches with ministries and missions reaching around the world. As you enjoy the Parade of Flags tonight, let's thank God for the ability to touch the world for Christ from our association.

Partnership Missions…Our churches continue to set the example for others in giving to and going for missions. In the past year many of our churches have continued to help finish the work we started in Gulfport, MS, after Hurricane Katrina. This project with NC Baptist Men will have completed 700 homes by the end of this year. There will be continued opportunities to assist the gulf region with other projects for years to come.

We are two years into our **Wyoming Partnership.** Buncombe Baptists from ten churches participated in three weeks of projects in 2007 in Lyman, Green River, Casper, Opal and Granger. In 2008 the first ever **Regional Prayer Conference** will be held April 10-11 in Casper, featuring NC Baptists and other SBC leaders as we pray for revival and spiritual awakening in the Rocky Mountain region. Leaders include **Will Graham, James Walker, Carl Setterlind, Richard Blackaby, Claude King** and others.

In the summer of 2008 we will be building a mission church in **Opal, Wyoming.** The team is being coordinated by **Wayne Smith** with **Experiencing God Through Missions**. If you can come to participate in construction, or in a possible VBS or other outreach events following construction, please sign up at the EGTM display or call Susie at our office during the week. We also needs funds for building materials and supplies, which can be designated to the Opal project with EGTM or BBA.

New Partnerships... Some of our churches have already participated in the Mexico project that was started by Charles Alonso, Clark Henderson and the Newbridge Baptist Church. We will officially begin this work in earnest in 2008, expecting great things from God as we take more Baptists south of the border. And, for those who cannot participate in the trips that are longer and farther away, we have joined with the North American Mission Board to participate in Arms Around the Triangle in the fastest-growing area of South Carolina. These projects are only a half-day's drive and can be weekend or week-long projects for your church. Scott Shields is the coordinator

Did you know... Buncombe Baptists hosted 400 World Changers, 160 Youth on Mission, and 32 AXIS students this past summer? Thanks to Biltmore Baptist for hosting and housing World Changers and the 30+ churches that participated in one or all of these projects. These students had a tremendous impact on our region in a short amount of time. Pray as we look forward to 2008 with students once again coming to Asheville to help us touch people with the Gospel message. Youth on Mission and AXIS are already planning to return with some other possible groups in the works.

Seminary Extension...Classes began in September of 2006. The Fall Semester is in full swing having started on September 11. If you would like to take a course in the Spring, pick up a registration packet from Susie Black and watch the Heartbeat or the website for course information. Courses may be taken for credit or personal enrichment.

New Churches... At our last fall meeting you heard Jeff Smith, leader of the Cowboy Church Network, talk about the start of Blue Ridge Cowboy Church. It did start in January, and has been a fast-growing, people-reaching congregation that also supports associational and Cooperative Program missions! Anywhere from 150 to over 200 people worship each Tuesday night at the WNC Ag Center and the Blue Ridge Cowboy Church. This new church will be one of our top churches in baptisms for 2007.

Blue Ridge will also help sponsor our newest Cowboy Church in North Buncombe. As I am writing this report, the groundwork and sponsorships are coming together to kick off this congregation sometime this Fall. Rev. Gene Blankenship will be the pastor.

We are also excited about welcoming our newest church plants into watch care of the association this year. Missio Dei Church and Mosaic Church are cutting-edge churches attempting to reach into unreached cultural groups around Asheville. **Missio Dei** launched in September, even as Pastor Kurt Hannah and wife, Shannon, welcomed the birth of their third child. Missio Dei is meeting at Grace Baptist, while **Mosaic** is meeting at Haywood Street Methodist Church under the leadership of Pastor Mark Houghton.

One of our newer church plants combined with one of our existing, struggling churches to form **Mills Gap Baptist Church** last November. Continue to pray for Pastor John Davis and Becky as they work hard to grow the church. Their son, Kyle, was diagnosed with leukemia earlier this year.

Many of you have continued to pray for and support this young church planter and his family. Thank you!

Strengthening our Existing Churches…Our **Church Health Team** is now fully organized and available to assist your church. We can conduct the Church Health Survey and give personalized consultation to meet your church's specific needs. We mentored six BBA churches in the healthy Sunday School process in 2007 and will look for another group to mentor in the coming year.

Pray for our churches that have lost pastors or staff ministers this year. I will be glad to assist you in training and supporting your pastor search team or other search teams your church may need. Susie Black maintains our ministerial resume file, which always has a collection of information you can use, whether your church is looking for a pastor, staff minister or interim pastor.

We have sought to simplify our organization in the past year, so we can be available to assist our churches more readily. Although we have made great strides, we still have a long way to go. Pray for our Constitution and By-laws Committee. They will have the task of updating our foundational documents to reflect these changes and presenting them in the coming year. Thank you for the opportunity to serve Buncombe Baptists!

CHURCH AND COMMUNITY MINISTRIES

Norma Melton

A husband and wife who provide one of the entertainment rides each year at the Mountain State Fair made a comment to me a couple of years ago. The comment reflects how volunteers in Buncombe Baptist Association do ministry. The couple shared that they travel many places with their ride; they see many different religious groups handing out Bibles; however, they see our volunteers not only handing out Bibles but "doing what the Bible says to do". Thank you, Buncombe Baptists, for serving with this spirit!

In October of 2006 we sponsored the first fall **I-26 Rest Area Ministry**. Along with Rest Area Ministry at Easter and Memorial Day, hundreds of people were greeted in Jesus' name. It is always amazing to see how many needs are met of believers as well as nonbelievers at the Rest Areas.

Under the leadership of Edwina Messer, associational WMU director, **WMU leadership training** was provided in October. On November 6 WMU sponsored **Baptist Women World Day of Prayer** events in several districts of our association. The month of November ladies were busy preparing **Red Boxes** to be distributed to various agencies and organizations during the Christmas season. On December 5 WMU sponsored a party for the inmates at **Black Mountain Women's Correctional Facility** where Jesus was shared with the inmates. Other events sponsored by WMU were the annual WMU meeting and an **appreciation dinner for pastors and wives**. Edwina Messer is also serving as our **Christian Women's Job Corps** coordinator. Through this ministry women are being matched with mentors who provide a "hands up" support system.

To Buncombe Baptist Christmas always includes **Angel Tree®**, a ministry of Prison Fellowship. In December almost 400 children and their families were touched with the love of Jesus. Also, though a partnership with Asheville Buncombe Community Christian Ministries hundreds of other children were able to receive gifts through the **Holiday Angel Ministry**.

The **Buncombe Baptist Chorale**, under the direction of Don Welborn, filled the lobby of Grove Park Inn with music sharing the Christmas story with people from many areas of the world. Also, in the spring and in the fall the Chorale lifted the name of Jesus through worship services on Sunday afternoons.

We were fortunate to have three **summer college student missionaries** who served in churches and associational events throughout the summer. Missionaries were Jonathan Eller, Caroline Burkett and Angela Bollo. Also, Morgan Haynes, a high school senior, served an **internship** through the Buncombe County School system. She worked for one semester doing her first period class receiving credit at Erwin High School.

Jane Allison has continued to serve as a consultant in the area of **literacy**. She has assisted churches in the areas of Tutoring Children and Youth and English as a Second Language. The need continues to increase for both of these areas of ministry.
Buncombe Baptists were present at a booth in downtown Asheville during **Bele Chere**. Once again believers and nonbelievers experienced a Christian witness through the diaper changing station.

Children's Choir Camp and **Children's Mission Camp** gave opportunities for children to have hands on experiences and opportunities to fellowship among churches. Seeing people who were at one time campers in leadership roles at Mission Camp was a blessing.

The **Western North Carolina Mountain State Fair Ministry** Team under the leadership of Wayne Higgins continues to be blessed by God. The ministry continues to expand and opportunities to share the compassion and concern that Jesus taught us continue to grow. This is the largest ministry that brings several associations together in North Carolina to serve our Lord.

Under the leadership of Phyllis Smith over 300 **senior adults** enjoyed a fellowship at First Baptist Church, Swannanoa in September 2007. After a delicious meal the seniors delighted in hearing the Land of the Sky Boys quartet.

Our churches continue to be encouraged to **prayerwalk** in their communities. The associational staff also takes time to prayerwalk in the Asheville area.

I am grateful to have had several opportunities to share in some of our churches throughout the year. Also, I have participated in an **On Mission Celebration** in Kansas at the request of the North American Mission Board. A highlight for me this year was participating in an associational sponsored **mission trip** to Wyoming. The needs are tremendous in Wyoming. Please continue to pray for the partnership that Buncombe Association has with this area.

OPERATION
INASMUCH
Mobilizing Believers In Their Community
Matthew 25:40

Across North Carolina on April 19, 2008, churches will be simultaneously involved in Operation Inasmuch. **OPERATION INASMUCH** is a one-day mission blitz by church folk in their community. All ages in the church can mobilize to do what the Bible says to do. Matthew 25:40 reads, *"...I say unto you, inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me."*

IN MEMORIAM

Since our fall meeting, October 2006, a total of 249 persons *"have fought the good fight, have finished the course, and have kept the faith."* There were five deacons, two ordained ministers. and one pastor's wife.

Recommendation is made that the 2007 Buncombe Baptist Association Minutes be dedicated to Reverend Hobart Shope, Jr., Ridgeway; Dr. Robert Harris, Sulphur Springs Park, Bertie Phillips, wife of pastor Charles Phillips of Macedonia, and Ruth Bell Graham.

ORDINATIONS TEAM
October 2006-October 2007

The Ordinations Team counts it a privilege to assist churches in examining and recommending candidates to the gospel ministry. At the request of the member church, the Team examines a candidate and recommends him back to the member church for ordination. The church is then responsible to ordain the candidate, usually in an ordination service.

The following candidates were examined for ordination to the gospel ministry.

Jerry Wagner, Reed Memorial Baptist Church, January 15, 2007
Scott Holmquist, Bent Creek Baptist Church, May 14, 2007
Daniel Reese, The Celebration Church, August 7, 2007
Jeff Hudson, Arden First Baptist Church, August 29, 2007

CHURCH PLANTING/MEMBERSHIP TEAM

The church Planting/Membership Team recommends that the following churches be received into watch care.

- Missio Dei, Reverend Kurt Hannah, Pastor
- Mosaic Church, Reverend Mark Houghton, Pastor

This year we lost one of our team members, Samuel Rodriquez, to serve the South Carolina Baptist Convention as Hispanic Church Planting Consultant. We wish Samuel and his family the best as he leads SC Baptists to reach Hispanic people.

Remember to pray for our current and future church starts. The Blue Ridge Cowboy Church has been a great success. We hope to start a second cowboy church in the North Buncombe area soon. Also, pray for our new team members, Mike Anderson and Sabas Amador.

CHRISTIAN LIFE AND PUBLIC AFFAIRS ANNUAL REPORT—2007

Gail Harding, Consultant

In addition to briefly discussing multiple social/moral issues and legislation in the monthly INFO PAGE, in October we addressed Election/Political Guidelines in detail. This will be revisited in the 2008 election year.

Questions coming to the associational office are referred to me, and I am grateful to help people with contacts, info for papers they are writing or debates in which they are participating, etc.

The issues are ongoing as our culture continues its downward spiral, promoting the secular and seeking to remove any religious influence, especially Christian.

Major concerns include the increased activity of sexual predators, pulpit freedom of speech limitations if hate crimes legislation becomes law, increased negative content of TV programming, pornography proliferation on the internet, embryonic stem cell research. We will continue to inform you in these areas.

Something positive may come from the interest in a Life at Conception Act, which would declare unborn children "persons" as defined by the 14th Amendment to the Constitution, entitled to legal protection. The Supreme Court, in the Roe decision, said, "We need not resolve the difficult question of when life begins...if this suggestion of personhood is established...the fetus' right to life is then guaranteed specifically by the (14th) Amendment." There is hope and we should encourage our senators and representative to support a Life at Conception Act.

I am available to help you with additional information on any of these issues. I appreciate your comments and suggestions. Contact me at gailharding@brinet.com

Baptist Student Union
The UNIVERSITY of NORTH CAROLINA at ASHEVILLE

Greetings!

As we begin another school year, we wanted to take this opportunity to thank you for your support of the UNC-Asheville Baptist Student Union. Last year, your contributions to the BSU helped us to fund various outreach and missions projects, thereby enabling us to minister to students as well as the Asheville community.

Highlights for this past year include taking 15 students to Mississippi during spring break to work with the North Carolina Baptist Men in their relief efforts in Gulfport. Additionally, we now have four students serving on state-level BSU committees. Also, eight UNCA BSU students served as summer missionaries as close as Ridgecrest and as far away as Sri Lanka.

This year, we have a devoted and energetic student leadership team, and our hope is to reach more students on our campus. School has just begun, and we are doing many outreach events. Please pray for us as we endeavor to minister to our campus with the hope of Christ. Again, we appreciate your financial support and your continued prayers for the UNCA BSU.

Blessings,

David

Report for 2007 Book of Reports

Office of GuideStone Financial Resources for the Baptist State Convention of NC, Inc.

The GuideStone Team has been extremely busy during this past year to ensure prompt and accurate delivery of information related to retirement, insurance, staff compensation, tax issues, etc. that impact dramatically the care of persons who serve on church staff here in North Carolina. We celebrated the retirement of Amy Strickland as Administrative Specialist on our team and welcomed Betty Pleasant to that ministry position after a number of years in the convention's administrative offices. We are very grateful for the ministry of these ladies in assisting church staff and key church leaders.

On January 2, 2007, Guidestone Financial Resources, an agency of the Southern Baptist Convention headquartered in Dallas, Texas, introduced a new family of funds, *My Destination Funds*, which are date targeted to a retirement participant's projected retirement date at some point in the future. For those participants who choose to invest using these funds the hassle of keeping up with an appropriate asset allocation as the participant grows older is now removed. These funds are professionally managed and the asset allocation is adjusted automatically as the participant ages. This is a "great and wondrous" development since many church staff are focused primarily on ministry to people rather than managing their retirement account. Furthermore, the retirement funds at GuideStone exceeded their respective mutual fund peer universe median as measured by Lipper rankings during this past year.

The successful transition to a single provider for medical insurance for the GuideStone medical plans reaped great rewards as 57% of Personal Plan participants received no rate increase or a reduction in premiums. This is a "great and wonderful" thing for those who are covered with GuideStone medical insurance. Life and disability coverage continues to be tweaked to meet the needs of our church employees. Beginning with the 2007 fall semester all students enrolled at one of the Southern Baptist seminaries (we have Southeastern Seminary in North Carolina) will be covered with $10,000 of life insurance at no cost to the student and the 31 day of open enrollment from matriculation for new students continues to be very attractive.

The Church Retirement Plan is a major emphasis of the GuideStone team. We are working hard to educate church staff and key church leaders to the best retirement plan on the market today for employees of our Baptist churches. On April 1 of this year annual church budget eligibility requirements for the Mission/Church Assistance Fund were dramatically adjusted from the previous requirement of less than $40,000 per year to less than $75,000 per year. Many of our church pastors will now qualify to receive $50 per month for a five year period, but they must be active participants in the church retirement plan to receive this "great and wonderful" benefit.

Finally, we gladly promote the Endowment ministry at GuideStone to provide ongoing and one-time financial assistance to retired ministers and widows of ministers who are living in poverty. As of March 31, we had 204 North Carolinians, who have met the very strict guidelines and are receiving financial assistance from GuideStone Financial Resources. Please assist us in identifying those persons who might qualify for this assistance.

In closing, it is our strong desire to serve all of our churches and their employees with the appropriate information/products to meet their needs. BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA

(July 2006-July 2007)

Oak Ranch added to ministry. . .Baptist Children's Homes (BCH) entered into a relationship with Oak Ranch, a residential program for at-risk boys, to manage the facility. Located on the Lee-Harnett County line near Broadway, Oak Ranch features two existing cottages, administrative buildings and an eight-horse equine therapy component.

"This is a historic event," said BCH President Michael C. Blackwell. "Baptist Children's Homes and Oak Ranch share a vision to provide hope and healing to children. This is a natural merger, and we look into the future with great hope and tremendous expectation."

Plans are in place to accept boys into care at Oak Ranch beginning in October, 2007, but the property and Oak Ranch's distinctive equine therapy program are already being utilized by BCH residents and staff members from the institution's statewide locations.

New Program Helps Children With Intensive Challenges. . .BCH's new Level III program outreaches to children who are struggling to overcome a greater degree of emotional and behavioral issues. The service is designed to provide a highly structured and supervised residential environment that is responsive to the need for intensive, active therapeutic treatment and interventions.

Currently, BCH offers Level III child care services at Kennedy Home in Kinston and Moody Home in Franklin.

Developmental Disabilities Ministry Continues To Grow. . .On August 27, 2006, members of the Three Forks association, BCH staff and other supporters gathered for the dedication ceremony of two new Developmental Disabilities Ministry (DDM) homes for developmentally disabled adults in Zionville

The Three Forks Home is named in honor of the association for gifting the original Camp Joy property for the new homes. Lindsay Home is named in memory of Winifred B. Lindsay who donated a lead gift of $400,000. Churches, businesses, organizations and other community friends helped raise funds to build the homes. The new DDM homes are a part of Joy Cove Ministries serving families in Watauga County and the surrounding community.

BCH held a groundbreaking ceremony on September 10, 2006 to celebrate the expansion of its Developmental Disabilities Ministry to Sanford. BCH recently began building the two group homes to serve special needs adults in the Lee County area.

The Sanford based ministry has been tapped Willett Ministries. Jane Willett-Cromer, a resident of Gulf and mother of a developmentally disabled adult, gave three and a half acres of land for the Sanford-based homes to BCH in the memory of her husband Howard.

BCH and Cross Road Retirement Community in Asheboro hosted a "Laying the Foundation" ceremony on October 14, 2006. The ceremony celebrated the construction of BCH's new DDM group home. The group home is located on the Cross Road Retirement Community campus which is owned by Cross Road Baptist Church. It will be called "The Asheboro Home," and dedication ceremonies are scheduled for August 26, 2007.

The 3,000 square-foot facility offers a residence for six developmentally disabled adult women and will serve families in Randolph County and the surrounding community. The home was built in cooperation with the U.S. Department of Housing and Urban Development (HUD). BCH will operate the home, providing the services and the staff.

Baptists Touch BCH Through Technology...Children in BCH's care greeted Messengers at the 2006 annual session of the Baptist State Convention at the Greensboro Coliseum through the power of technology. Using a web camera link, five children at Mills Home in Thomasville carried on live, real-time conversations with convention attendees and thanked them for their love and support. Mills Home children answered questions and gave "high fives" to Messengers who viewed them on a large, flat panel display screen.

New Website Introduced...BCH also introduced the redesigned BCH Family (***www.bchfamily.org***) website during the November convention. The new website offers streamlined navigation making it easy to find information about BCH's statewide services and a variety of ways to support the ministry. New features include online journals and photo galleries from the ministries locations around the state.

Charity & Children Marks 120 Years...Charity & Children (C&C) marked its 120th anniversary in 2007. Throughout its history, it has been a strong voice speaking for Baptist Children's Homes conveying news, information, and children's success stories. The free publication is mailed to as many as 62,000 subscribers a month, with estimated readership in excess of 170,000 per issue.

Seven year ***C&C*** editor Jim Edminson introduced a new look for the paper in January utilizing concisely written stories, the use of vivid, large photos, ample white space, and contemporary artwork to make the publication more approachable to readers.

The BCH news publication is produced each month by its publisher and BCH president Michael C. Blackwell, Edminson, and Blake Ragsdale who was named Managing Editor in late 2006.

BCH Named One Of Triad's "Best Places To Work"... BCH was a finalist in the ***Triad Business Journal's*** annual "Best Places to Work" competition. The institution finished in the elite four of the "charitable nonprofits" category. BCH president Michael C. Blackwell, accompanied by members of his President's Management Group, accepted the award at a ceremony in High Point.

BCH's state administration offices, Mills Home residential campus and Weekday Education facilities in Thomasville, and group homes for developmentally disabled adults in Winston-Salem comprise BCH's Triad area services.

THE NORTH CAROLINA BAPTIST FOUNDATION, INC.
2006 ANNUAL REPORT

The mission of the North Carolina Baptist Foundation since its inception in 1920 has been to assist the Convention and its institutions and agencies in increasing an awareness among North Carolina Baptists of Christian estate stewardship principles as a means of financially undergirding churches, institutions and mission endeavors on a permanent basis. The uniqueness of the ministries and services provided by the institutions and General Board staff merits increased financial support. The Foundation accomplishes these objectives by offering assistance in estate planning counsel, Will preparation, planned giving, charitable remainder trusts, endowment funds and church fund management.

During 2006, the Foundation assisted individuals in establishing 49 endowment funds and 8 charitable remainder trusts totaling $2.6 million and received $6.5 million in contributions to existing endowments, all of which will ultimately benefit countless Baptist causes on a permanent basis. Programs were provided for churches and associations during the year to promote Make Your Will Month, Christian estate stewardship and church fund management. Over $2.6 million from churches and institutions came under management to enhance numerous ministries including scholarships, building funds, cemetery funds, benevolence funds, general operating funds and other various mission causes. Overall, the Foundation received $11.7 million in contributions during 2006 for Christian causes.

The Foundation employs professional money managers to invest these funds according to an investment policy adopted by its Board. Four investment pools are offered: a growth fund, a balanced fund, an income fund and a fixed income fund. The Foundation uses the services of Salomon Smith Barney to help select top money managers and evaluate performance. As of December 31, 2006, the Foundation held $153.1 million under management.

During 2006, our distributions totaled $8.4 million, with charity receiving $5.9 million and individuals, through trusts, receiving $2.5 million. During the 86-year history of The North Carolina Baptist Foundation, Inc., $31.6 million has been distributed to individuals and $59.2 million to Baptist churches, institutions and mission causes for a grand historical total of $90.8 million.

THE MOTHER'S DAY OFFERING: CARE IN THE NAME OF CHRIST'S LOVE

Thanks to the Christ-centered compassion of North Carolina Baptists, the Mother's Day Offering received **$708,600 in 2006**, exceeding the generosity of any previous year. Every dollar of every gift helps patients in serious financial need pay hospital bills for care received at Baptist. Having too much to qualify for government assistance, but not enough to pay bills they are responsible for, they feel the hand of God lifting their burdens.

"I thank North Carolina Baptists with all my heart for helping families like mine in times of need. We were so worried about my hospital bill and struggling under the burden. We are extremely relieved and grateful. I have said many prayers of thanks to God for helping us."

"We are very, very thankful for the Mother's Day Offering. We were so frightened by all the medical bills we didn't know how to pay. This gift was a miracle from God and made the biggest difference in our lives."

***"We are so relieved and grateful for the minister's subsidy at Baptist Hospital."*- N.C. Baptist pastor**

The minister's subsidy covers up to 25% of the hospital bills of ministers (and their dependents) serving N.C. Baptist churches for care received at Baptist Hospital. $76,785 was provided in 2006, made possible by the Hospital's W.K. McGee Patient Service Fund and the Mother's Day Offering.

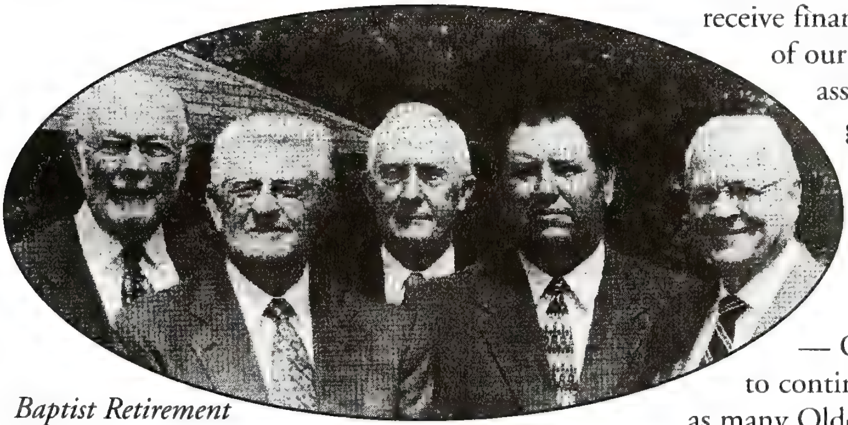
Our Partners in Caring

At Baptist Retirement Homes not only are physical needs met but spiritual needs as well. At our Western North Carolina Baptist Home in Asheville, at the Brookridge Retirement Community in Winston-Salem, at the Gardens of Taylor Glen in Concord, at The Taylor House in Albemarle, and at the Hamilton Baptist Home in Hamilton our Baptist chaplains serve as faithful reminders that "God is our refuge and strength."

In addition to regular worship services and Bible studies, personal visits with the chaplain enrich the lives of the residents.



Baptist Retirement Homes Chaplains

Because of your partnership with us — Baptist Retirement Homes is now serving more than 700 Older Adults in our five locations across North Carolina.

Because of your partnership with us — Baptist Retirement Homes provides a full range of services to Older Adults including independent living, assisted living and nursing care as well as special programming for those with dementia-related disorders such as Alzheimer's Disease.

Because of your partnership with us — Baptist Retirement Homes is a leader in giving care to Older Adults who lack sufficient financial resources to pay the full cost of the care they need and deserve. Sixty percent of our nursing care residents receive financial assistance and thirty-five percent of our assisted living care residents receive assistance. This care is made possible by gifts from our Baptist churches. In 2006, funds received from North Carolina Baptists totaled approximately $1.4 million.

Because of your partnership with us — Our commitment for the years ahead is to continue to bring the highest level of care to as many Older Adults as we possibly can — both those with financial resources and those who need financial assistance. We are counting on our Baptist churches to "*... not forget to do good and to share with others, for with such sacrifice God is pleased.*" *Hebrews 13:16.*

BAPTIST RETIREMENT HOMES
OF NORTH CAROLINA, INCORPORATED
PROUDLY SERVING OLDER ADULTS SINCE 1951

Dear Associational Leadership,

The theme of this year's 177th Baptist State Convention's annual session focuses upon the *Great and Wondrous Things* that God has been doing in and through North Carolina Baptists. I hope that as you gather to celebrate the many *Great and Wondrous Things* that God has been doing through the churches of your association this year, that you will join the Council on Christian Higher Education as we, too, celebrate God's work on the college and university campuses of institutions of higher education that cooperate with the Baptist State Convention of North Carolina.

The student body of each campus is growing, new facilities are being built, and students are provided with opportunities to grow academically and spiritually. Allow me to provide an example of only a few of the *Great and Wondrous Things* that God has done on each of the five campuses this year:

Campbell University – 2,835 undergraduate students; establishment of a football program; construction of a new convocation center and new chapel.

Chowan University –significant renovations underway; improvement of athletic facilities; growth of endowments now totaling over $21 million dollars; numerous students participated in missions trips and journeys to the Holy Land.

Gardner-Webb University – nearly 4,000 students from 34 states and 33 countries; new facilities for students with disabilities; new degree program – Master of Arts in Religion; marching band established; numerous students participated in missions trips to the Gulf Coast region, Canada, and Ecuador.

Mars Hill College – celebrated 150th anniversary; mission teams to Honduras, Greece, and New Orleans; established teacher education graduate degree program; new math and science building underway; renovations to athletic facilities.

Wingate University – over 1,800 students; 57 graduates comprised the School of Pharmacy's first graduating class; students involved in supporting the hunger relief efforts of the Charlotte Men's Shelter and Harvest Food Bank.

This year, undergraduate students were given the opportunity to apply for the Convention's Baptist Scholars Program scholarships on-line. The new application process is faster, easier, and much less complicated than the former paper applications.

I also hope that you will make plans to attend the annual session of the Baptist State Convention of North Carolina, to be held in Greensboro on Monday, November 12 through Wednesday, November 14. Please plan to stay for the Council on Christian Higher Education presentation on Wednesday as the council will be highlighting the *Great and Wondrous Things* God is doing in the lives of Baptist students as they "Call to Me ..." Jeremiah 33 : 3.

I remind you that your generous gifts to the Cooperative Program provide important support to these five schools through scholarships and other unrestricted funds. These five schools, Campbell University, Chowan University, Gardner-Webb University, Mars Hill College, and Wingate University, strive to provide educational opportunities from a Christian world view with a Baptist distinctive and are able to do so as you both give and pray for students, faculty, and campus leadership alike.

Brian K. Davis
Executive Director
Council on Christian Higher Education

MARS HILL COLLEGE

The 150th anniversary of Mars Hill College's ministry in the mountains of western North Carolina has provided ample evidence that God is still doing great and wondrous things here. A look around the campus reveals much physical evidence, but there is much more happening than simply new construction.

Our enrollment continues to move in a positive direction, thanks to the hard work of our admissions office staff (in conjunction with the entire campus community), and we expect more great things to come in that area in the days ahead. We're just a few weeks into the second year of a five-year, $2 million federal Title III Strengthening Institutions project that is enabling MHC to address many issues which impact small colleges' ability to attract, retain, and graduate students. Through this project and related initiatives we will be in excellent position to meet our institutional goal of increasing traditional student enrollment to 1,200 by 2011.

The ministry of Mars Hill is also being revealed through the work of Chaplain Todd Boling; Dr. Gordon Benton, our Director of Church and Community Relations; and the various student ministries on campus. Rev. Boling is helping continue a renewal of student interest and involvement in spiritual life, not only through our weekly Crossroads chapel services, but also through in-the-field mission work. As has been a long tradition at Mars Hill, several groups of students chose to spend their spring break, not relaxing at the beach, but rather in mission service around the world. The Christian Student Movement group worked in an orphanage and the surrounding community in Honduras; several students in the Refuge student ministry spent their break in Thessaloniki, Greece, working in a Gypsy village and on a Greek college campus; and the LifeWorks program took a team to New Orleans to continue ongoing hurricane recovery efforts that MHC students and staff have been involved with since the devastating storms of 2005. The past year, through the work of Dr. Benton, also saw the renewal of one of Mars Hill's longtime ministries: our conferences for pastors. We welcomed three dynamic ministers to campus for these conferences—Dr. Charles Chandler, Dr. Chuck Bugg, and Dr. Jim Henry—not to mention the local church pastors and other ministers who attended the conferences.

God is also doing wondrous things in the academic realm at Mars Hill. Our first Spring SLAM (Student Liberal Arts Mosaic) was a resounding success, as students exhibited, performed, displayed, and otherwise presented their research, performance, and creativity. Plans are already well underway for the second SLAM in the coming spring semester. Our athletes regularly receive recognition for their activities on the court and field, but we're also proud of their academic achievements. Several individual athletes received conference and regional "all academic team" recognition; two were named Academic All Americans; the women's cross country team earned national All-Academic Team Honors; and the women's basketball team was ranked for the second straight year in the Top 25 Team Honor Roll, which is based on the highest team grade point average among the NCAA's three divisions, NAIA, and junior/community colleges. Along with this good academic news comes more exciting news. At its spring meeting, the MHC board of trustees approved moving forward with plans to establish the college's first graduate level program, which will be in teacher education.

As for the (literal) concrete physical evidence, the landscape of the Mars Hill campus continues to grow. The Ferguson Math and Science Center is well on its way to completion as MHC's first new academic building in three decades. Our football team just played its last home game of the season over the weekend on our brand new field turf playing surface. That's just one of the major improvements to our primary athletic stadium, which has been totally upgraded with new grandstands and the new Scott Merrill Press Box, allowing our football, soccer, and lacrosse teams to play and practice in a state of the art facility.

ANNUAL REPORT

Fruitland Baptist Bible Institute

July 2006-June 2007

Students at Fruitland Baptist Bible Institute are here basically because they have received a call from God to serve him. Many of them are older. One student, after hearing other students talking about running from God, said, "If these professors don't let up, I am going to run some more." He graduated from Fruitland with an Associates degree. He recently received his Bachelor's degree from another school. We have students who come to Fruitland with a high school diploma. They get a G.E.D. and finish Fruitland. Many of them have completed Master's degrees and even Doctorates.

Christian education has been going on here at Fruitland since 1899. The campus was purchased by the Baptist State Convention of North Carolina in the early 1940's as a site for a conference center. Fruitland Baptist Bible Institute actually began on this campus in 1946.

A personal visit became the catalyst for the actual beginning of Fruitland as a Bible Institute. Dr. J. C. Canipe was the pastor of First Baptist Church of Boone, North Carolina. He learned that a fellow pastor in the area, Vilas Minton, was sick and needing some help. Dr. Canipe took a supply of groceries to the Minton family. He and Pastor Minton became friends. Later, Pastor Minton asked whether Dr. Canipe would start some classes for him and other pastors who had not had the opportunity for formal preparation for ministry. Dr. Canipe began some classes in the facilities of the First Baptist Church. Several pastors from the surrounding area joined the local pastors in attending these classes. Dr. Canipe was invited by the Baptist State Convention to move these classes to the Fruitland campus and the Bible institute began. We completed sixty years of service in 2006.

Fruitland continues to serve students with unique needs. Our student body is diverse in ages, ethnic and national backgrounds, academic achievement, and spiritual development. The common characteristics of these students are faith in Christ, an experience of a call to ministry, and a sense of need for basic academic, spiritual, and practical preparation.

Presently, Fruitland offers an associate degree in religion/church ministries involving two years of study. The degree requires either high school graduation or the G.E.D. and the completion of one-hundred and twenty-five quarter hours of academic credit. During the 2006-2007 year the cumulative, non-duplicated enrollment was 267. Many students go on to other institutions and graduate with honors.

Once again this year many special events took place. We had Founders' Days with Dr. Gray Allison from Memphis, Tennessee and Dr. Herb Reavis of Jacksonville, Florida. In October we had our annual Alumni Day and Preaching Week. Dr. D. L. Lowrie, retired pastor of First Baptist Church, Lubbock, Texas, was a visiting professor. His wife, Alice, spoke for the annual Women's Retreat led by Mrs. Ann Ridings.

Dr. Kenneth Ridings continues to serve as President of Fruitland. The expansion of the chapel is well under way. Hopes are high that it will be ready for graduation in December. Fruitland continues to fulfill a commitment to be "true to God's Word and loyal to His purpose." We invite you to come and visit the campus just east of Hendersonville, North Carolina. Groups from churches can arrange a tour and a meal in our cafeteria. Contact Ken Houston, Director of Campus Services, by e-mail at services@fruitland.edu or call 828-685-8886. Our web site may be accessed at www.fruitland.edu.

Thank you, North Carolina Baptists, for establishing and continuing to support the ministry of Fruitland Baptist Bible Institute. By doing so you strengthen a kingdom enterprise.

Your Cooperative Program, 2007

Throughout 2007 your Cooperative Program continued to be the best way for North Carolina Baptists to work together and *cooperatively* support a global, nationwide and statewide program of missions, evangelism and ministry.

No other program will send a Christian dollar to as many places or touch as many lives for God's Kingdom!

The 2007 Cooperative Program budget is for $37,786,000. It is only when we work together as Baptists and consolidate our missions dollars into a single unified budget that we can support major ministries and missions projects needed to share the gospel with a lost world!

Our Cooperative Program supports thousands of missionaries, ministry specialists and many types of work, yet it operates quite simply.

Here's how:

Each November when North Carolina Baptists hold their annual meeting, they adopt a Cooperative Program budget, currently in two-year cycles. That budget determines what work we support together and how much.

During the year congregations of all sizes, located across the state, send in their Cooperative Program checks to the Baptist State Convention office in Cary. There the accountants divide up the money according to the budget and send it on its way to the many ministries we support.

That's why we say we give *through* the Cooperative Program, not *to* it!

The Cooperative Program is a *channel*, the way we divide up money among Baptist causes we support; it is not a destination.

This is how we as North Carolina Baptists support five colleges and a Bible institute, a major children's home, missions work across North America and around the world, plus a newspaper and a foundation.

Your Cooperative Program also supports the staff of your Baptist State Convention. This staff -- your state missionaries -- help hundreds of churches like yours each year in many kinds of work, from prayer ministry and church outreach programs to Sunday School and music, to discipleship training, insurance and retirement programs for church staffs, among others.

Your Cooperative Program also provides hefty support to Woman's Missionary Union and North Carolina Baptist Men, augmenting the support you and other North Carolina Baptists provide these important organizations through the North Carolina Missions Offering.

Bright outlook

Consider that more than 1,500 churches increased their Cooperative Program giving amount for 2006 over 2005. That means more than a third of the convention's churches have voted with their pocketbooks for the 1-3-6 Challenge!

What's that? It's a challenge to every church to increase its Cooperative Program giving by 1 percent of its undesignated receipts over three years. If all convention churches will do so, it will produce $6 million a year in additional funds for the convention's vast program of work!

Biltmore Baptist church in Arden, led all convention churches on increasing Cooperative Program giving -- in 2006 the church gave $92,216 more than in 2005!

And consider the example of Peninsula Baptist Church, Mooresville.

This amazing 1,300-member congregation led all convention churches in total giving -- and set a record in the process! Peninsula's members contributed a record $422,607 through the Cooperative Program during 2006.

This was the first time in recent history that a single church gave more than 1 percent of the convention's total budget, which is $37.7 million in 2007!

But that wasn't all.

Peninsula also placed second in the amount of increase given through the Cooperative Program -- $69,341 more than in 2005, second only to Biltmore.

Further, Peninsula gave 26.8 percent of its undesignated receipts through the Cooperative Program, making it fourth in percentage giving among convention churches.

Some churches with much larger budgets than Peninsula's have the potential for joining the "1% Fellowship" but they do not come close to matching Peninsula's percentage of giving.

"Peninsula Baptist in Mooresville is an exceptional church with a great heart for missions," said Milton A. Hollifield Jr., executive director-treasurer of the convention.

All Sizes!

Peninsula presents a stirring lesson in missions support for congregations that are much larger.

But there are many North Carolina Baptist churches with fewer members which excel in missions giving.

For example, consider Westview Baptist Church in Shelby, led by Pastor Steve Ellis. Westview led the convention in total Cooperative Program giving in 2006 among churches with fewer than 400 members.

Westview's 399 members gave $54,012 through the Cooperative Program, which was almost 20 percent of their undesignated receipts. That percentage was the third highest for Cooperative Program giving among churches with fewer than 400 members.

Poplar Grove Baptist Church in Boone led the convention in the percentage of undesignated receipts given through the Cooperative Program. This 101-member church led by pastor Brian Davis gave slightly more than 20 percent of its undesignated receipts through the Cooperative Program.

Consider Oak Forest Baptist Church in Fletcher, led by senior pastor Matthew Williamson. This 294-member congregation gave just over $9,400 through the Cooperative Program in 2005, nothing in 2006, but then $15,350 in 2007, the biggest increase of any church with fewer than 400 members.

Such reports show that churches of all sizes can participate in one of the world's largest programs of Christian missions!

An ad series in the *Biblical Recorder* during 2007 featured some of the churches which made increases in Cooperative Program giving. The pastors of these churches were happy to promote their church's missions support record in this public forum.

Mud Creek Baptist Church, a Hendersonville church led by pastor Greg Mathis, was increasing its Cooperative Program by 6 percent over a three-year period.

Hopewell Baptist Church in Monroe doubled its Cooperative Program giving for 2007 and committed to increase it more for 2008, reported pastor Lee Pigg. In Raleigh, Trinity Baptist Church, led by pastor Jeff Roberts, increased its Cooperative Program giving by more than $28,000 for 2006.

Fuquay-Varina Baptist Church, located in the town of the same name, increased its

Cooperative Program giving by more than $25,000 and was one of the top overall contributors. Chris Conner is pastor.

These are just a few of the churches which boldly responded to the 1-3-6 Challenge and went beyond. Again, that challenge is for every church to increase its giving through the Cooperative Program by 1 percent of its undesignated receipts over three years. If all the convention-affiliated churches will do so, it would result in an additional $6 million a year for missions causes we Baptists hold dear.

But there's a prior challenge. That challenge is for more North Carolina Baptists to learn about the amazing variety and depth of missions, evangelism and ministry they support through their Cooperative Program.

We have had the Cooperative Program since 1925. It has served Baptists so well, that if we woke up tomorrow and did not have it, we would rush to recreate the same thing! It is work supporting and worth supporting more.

Giving will skyrocket when all North Carolina Baptists realize there's no other method which will send a Christian dollar to more places or touch more lives for God's Kingdom, than a dollar given through the Cooperative Program.

MISSISSIPPI
BAPTISTS

August 21, 2007

Buncombe Baptist Association
227 Hazel Mill Rd
Asheville NC 28806

To the wonderful people of Buncombe Baptist Association ,

We here in Mississippi along with people all across the Gulf Coast Region are coming up on the second anniversary of the arrival of a catastrophic storm named Katrina. Katrina came upon the shore of the Mississippi Gulf Coast two years ago but in reality, she has not left. Rarely is there a day when Katrina and her aftermath are not front-page news, and she is always present in the lives of folks across South Mississippi.

All of that said I want you to know how much we appreciate all of the marvelous things you have done over these months to make a difference in people's lives and for the Lord. The people from your church and the wonderful people across the Southern Baptist Convention have cared, come, contributed, cried, and celebrated with us every day and all along the way. Bless your sweet hearts you have made a difference. Because of your love and partnership families have been sustained, souls have been saved, churches have been rescued from the brink of disaster, and our Lord Jesus has been honored.

Frequently, in what seems like a daily occurrence, someone will ask me if things are back to normal on the coast. I am still somewhat shocked by the question. I am compelled to respond, "No, and it probably will never be back to normal as we once knew it. The good news is we are making progress. There are days that the sun is shining, optimism seems to come as a ray of light, and we all have a moment of refreshment as we realize that Jesus Christ is still Lord."

Your partnership and all that you have done, said, and brought has continued to be a great reservoir of God's grace touching lives all across the southern part of our state. It is just two small words, but one more time permit me to say from the depths of my heart and speaking for thousands of others, "*Thank You and may God richly, abundantly, and gloriously bless you.*"

Gratefully yours,

LEADERSHIP COUNCIL MEETING
Monday, January 8, 2007
11:30 a.m.
Baptist Resource Center

MINUTES

The evening began with dinner at 6:00 p.m. Stan Willet, Moderator, called the meeting to order. He expressed thanks for the meal and to those who served it. Stan referred to the minutes of the last meeting. There being no additions or corrections, the minutes were approved as printed.

Susie Black and Bud Dotson presented information about a new alarm system for the Resource Center and the Annex Building. Part of the system, which was installed when the building was completed, is still usable, but part needs replacing. Several bids have been received, but they are waiting for one more. The inclination is to go with the "middle of the road" bid which is from Edwards Equipment Company, a company which has been in the business for twenty some years and is a local business. A recommendation will be made when all bids have been received. The old system keeps getting false alarms (and the Association has to pay for these false alarms), there is no alarm system at the Annex Building as it was struck by lightening. The present system does not provide fire coverage at all. The cost would be prohibitive to add fire coverage at this time. A motion was made by Dr. Bailey that the committee be granted the permission to secure the system they feel would best meet the needs (rather than waiting for approval until the next meeting which will be in the spring). The motion, seconded by Clark Henderson, was approved.

Stan gave an update on the meeting of the Administrative Team. It was decided that a representative from each group will be the spokesperson for their respective group.

Bud Dotson gave the Financial Report as printed on Page 6 of the Program. Totals for 2006 show a deficit of $12,435 which reflects approximately $1000 monthly deficit due to a shortfall in receipts to the budget for the year. The Association was able to meet expenses due to a reserve which the Association had on hand. The Gayle D. Brown Ministry Center Debt Balance as of 12/31/06 is $152,642.40. If this debt were retired, the Association would have $2743 monthly to put into church starts and other areas of need within the Association—thereby focusing on kingdom building rather than debt retirement. A motion was made and seconded to approve the formation of a committee made up of five to nine members to develop and proceed with a plan for the debt retirement of this facility.

Dr. Craig Bailey brought attention to Norma Melton's report on Church and Community Ministries which was accepted as printed on page 3 of the Program. Dr. Bailey expressed how fortunate the Buncombe Association is to have Norma as Director of the Church and Community Ministries. Craig reported that Edwina Messer will serve as Director of the Christian Women's Job Corps as well as the Associational WMU Director. Funding has been received from the State Convention to help with the expenses for the Job Corps Director.

Craig presented information about the ongoing work of Church Planting. The New Buena Vista Church which had been meeting in rented space at Asheville Dodge, has combined with South Buncombe (a church which had experienced a decreasing membership but had a facility). These two churches combined under a new name—Mills Gap Baptist—and began meeting in November Several churches in the Association may, in the future, combine ministries or become satellite churches for growing churches in need of additional space and/or facilities. Please pray that the

Lord would lead in these areas. Craig suggested the churches have an Associational Support Sunday and take up a love offering for the work of the Association.

Gordon Wilson, leader of the Recreation Team, stressed the importance of fellowship and good time rather than the competition of the teams involved. We have sixteen basketball teams at the present time. The hope is that all athletic ministries will become a witnessing tool for those involved.

James Lamb, Membership Committee, brought as information the combining of the New Buena Vista and South Buncombe Churches. The committee has discussed whether or not they need to come through the Membership Committee as a new church. The Committee recommends that they go through the process of a name change and come into the Association under the membership of the South Buncombe Church (which is already in place), therefore, there will be no need for the new member process.

Prayer requests were taken and information was shared regarding the Summer Missionaries application process. Unless there is an additional need, the next meeting will be the Spring Meeting will be held on Monday, May 7, beginning with a supper meeting at 5:00 p.m. prior to the general meeting at Newfound Baptist Church.

There being no further business, Clark Henderson led in prayer and the meeting was adjourned.

MINUTES

Those present: Craig Bailey, Susie Black, Terry Hollifield, Nancy Owen, Steve Harris (New Life), Wayne Higgins, Stan Willet, Chris Reese, Edwina Messer, Cathryn Kinser, Bud Dotson, Kyle Carver, Norma Melton, Jim McCoy, Kevin Bennett, Jim Holmes

The evening began with dinner. Stan Willet, Moderator, called the meeting to order. He expressed thanks for the meal and to those who prepared and served it. Stan referred to the minutes of the last meeting. There being no additions or corrections, the minutes were approved as printed.

BUILDING DAMAGE REPORT

Craig shared with the group that a representative from Terminix had looked at the aluminum siding around the windows and had found some termite and water damage. Wayne Smith and others with Experiencing God through Missions had also looked at the windows and found that the inside wood was sturdy and would not need to be replaced. Volunteers working through EGTM would provide the labor to fix the windows. Materials and paint would need to be bought.

Craig also shared that there was damage to the atrium and that we would probably need to call a contractor to take a look at the damage and what it would take to repair it.

Kevin Bennett made a motion that Wayne Smith and EGTM be given the "go ahead" to fix the windows and that a contractor be called to look at the damage on the atrium. The estimate to repair the atrium would be presented at the Administrative Group meeting on Monday, May 21. Funds for these repairs would come out of the designated "Property Reserve Fund."

FINANCIAL UPDATE

Bud Dotson, treasurer, reported that we were approximately $9,000 behind in our budget receipts—approximately $1,000 behind where we were at the same time last year.

Leadership Council Meeting
Monday, August 13, 2007
Baptist Resource Center
11:30 a.m.

MINUTES

Stan Willet, Moderator, presided, calling the meeting to order and thanking the Associational Staff for making preparations for the meal. Minutes from the last meeting held at Newfound Church were distributed. There being no additions or corrections, the minutes were approved as presented.

The building report, outlining the progress that has been made on the building repairs and the timeline for completion of the work, was given by Susie Black.

Bud Dotson gave the Financial Update. Kyle Carver presented the proposed budget for 2008. Both items were printed and distributed to the Leadership Council. There will be a meeting next week to "fine-tune" the proposed budget. The proposed budget shows a "0" balance on the line item 609899—Interest Expense-Mortgage which was $28,900 for 2007. This will be possible, _if_ the debt reduction plan is successful. There is a new item, 601500—Partnership Missions Scholarship Fund with a proposed budget for next year of $15,000. This would allow us to offer some financial assistance to persons participating in missions trips.

An offer has been received from Andrew and Elaine Gordon who wish to purchase a small strip of land that lies between the adjoining lot, our lot and Nancy Street. A copy of the drawing of the strip of land in question along with the letter was distributed. The Leadership Council voted to accept the offer of $4,000 and apply it toward the debt retirement.

A request has been received to allow Bert Suttle, a Christian counselor, to use space at the Resource Center to provide counseling services to people who call the Center asking to be referred to a Christian counselor. A motion was made and seconded to allow a counselor to use space at the Resource Center to provide Christian counseling. After a discussion regarding liability, insurance, worker's comp, etc., it was recommended that the motion be tabled to give time to check with some other associations who provide a similar service to see how they have handled these issues. Kevin Bennett and Brian Smith will serve on a team with Dr. Bailey to investigate the possibilities. Dr. Bailey will contact Mr. Suttle to let him know that they are looking into the matter; it is being reviewed and they will be back in touch with him.

It was recommended that a Ruth Bell Graham Memorial Fund be established to receive funds for the Will Graham Celebration scheduled for 2009. Churches would be notified that this fund was available, if they would like to make a contribution in Mrs. Graham's memory for evangelism. It is estimated that $300,000 t0 600,000 would be needed to fund a crusade of this type. The motion was approved.

Norma Melton introduced Edwina Messer who gave an update on the Christian Women's Job Corps progress. This program provides someone to stand alongside a woman who is trying to move forward in her life and just needs some direction and/or encouragement to make this possible. Churches are encouraged to participate in this program. Women are needed who would be willing to serve as a mentor. There will be mentor training later on in September. These mentors would need to be willing to give about two hours a week to this program. Some of the men of the church might be willing to do some automobile repair, etc.

The Summer Missionaries have completed their work. The churches kept them very busy with Vacation Bible Schools, summer mission's camp, etc. The budget calls for a possibility of a fourth one next summer. We are now in the process of preparing for the Mountain State Fair Ministry. All shifts are filled for this ministry. The Bele Chere Ministry was a success. One story from Bele Chere—there was a youth group working at Bele Chere and one brought a homeless young man to the booth. He was wearing only blue jeans. It was cold and rainy that Friday evening. One of the young ladies had just returned from Caswell and had on a sweatshirt from there. She took off the sweatshirt and gave it to the young man. They then noticed he was barefooted. One of the youth ministers from one of our churches, took off his shoes and gave them to the young man (they fit perfectly). This young man walked away fully clothed and saw Christ's love in action. He wanted to talk about Jesus, so they were able to share with him.

Dr. Craig Bailey gave a report on a fantastic and busy year in the mission of the Association. Several mission teams were here this year for mission projects. There was a AKSIS team of college students from Arkansas who worked in our area. World Changers and Youth on Mission teams did an outstanding work through numerous churches and at the Resource Center during their time in Asheville. He also shared information about the Associational mission's trip to Wyoming where they worked with two churches.

We are looking forward to celebrating the 125TH Anniversary of the Association at the Fall Meeting on October 8, 2007, at New Morgan Hill. Emphasis will be given toward reducing the debt on the Resource Center. The group was encouraged to go back to their churches and encourage them to respond to the requests for participation in this endeavor.

Also at the Fall Meeting will be a Parade of Flags representing states and countries where our churches have sent mission teams. The Buncombe Baptist Chorale, under the direction of Don Welborn, will be singing, along with the New Morgan Hill's Choir. Dennis Thurman will be bringing the message.

The Associational staff is planning a one day retreat at the end of this month. The calendar for 2008 will be planned.

Norma reported on Children's Choir Camp, and Children's Mission Camp which had over 100 participants including children and counselors and counselors in training. There were twelve decisions.

Stan Willet commended the staff for all the work that takes place through this Association.
The next meeting of the Leadership Council will be held on Monday, October 8, 2007, at 5:00 p.m. at New Morgan Hill. This will be a dinner meeting. The fall meeting will begin at 6:30 p.m.

Dr. Jim Henry will be the interim pastor of Biltmore Baptist Church. Dr. Walker's last day was August 12. A transition team has been set up to serve during this period. Dr. Bailey asked the group to pray for Biltmore and also for Woodland Hills which is also in a transition period. Prayer was requested for Dr. Charles Shelton, Edgewood Church, who is retiring the end of this month due to health problems.

There being no further business, the meeting was adjourned with prayer.

MINUTES

Stan Willet, Moderator, welcomed the group. The meeting was opened with prayer. The minutes of the last meeting were accepted as printed. Steve Harris reported for the church planting team. Steve shared that the new church starts, Crux and Missio Dei, are combining and are meeting at Grace Baptist Church. Both groups are ministering to the downtown "urbanites" of Asheville. The pastors Kurt Hannah and Bryan Robbins are working together. Grace Baptist has graciously offered their fellowship hall for them to meet on Sunday Mornings. Steve Harris thanked Wayne Adkisson, Pastor of Grace Baptist for their support. This church now has about sixty adults and approximately twenty children coming every Sunday. The funding received through the Association has helped make this possible.

Steve shared that another new group sponsored by New Life Community is meeting in Hendersonville. Also, another church called Mosaic, pastored by Mark Houghton, is meeting in Asheville.

The Blue Ridge Cowboy Church which meets at the WNC Agricultural Center has approximately 180 people coming every Tuesday evening. Lewis Gibson has been working with Jeff Smith, Pastor of the Cowboy Church.

The Blue Ridge Cowboy Church, which is just under a year old, is going to help sponsor a Cowboy Church in North Buncombe area.

Craig shared that we are going to the board meeting of the Appalachian Church Planting (ACP) in October. Two things will be happening there: 1) John Davis, from Mills Gap, will be going to make a report to them, since Appalachian Church Planting put some funding into Mills Gap, and 2) we will also be talking about ACP helping us with whatever we will be doing in North Buncombe. They may also give us some funding, starting in January, to pay the salary of the church planter which works with the Cowboy Church and the other mission churches.

Steve knows of a pastor who wants to plant a Ukrainian Church and who would love to be a part of our association. Appreciation was expressed to the church planting and finance committee for establishing a budget for church planting.

The analysis of revenues and expenses (year to-date through August 2007) and the proposed budget for next year was distributed and presented by Bud Dotson and Kyle Carver. Currently, we have a deficit of $6,274.31. Special emphasis will be given at the fall meeting next month to retire the debt on the Gayle Brown Ministry Center. Bud noted that the new budget does not include a loan payment for the ministry building. The budget represents a rather substantial increase in the budget based on a budget without a loan payment. Bud requested that we make this a prayer concern that this debt can be eliminated. If it is not eliminated the budget will have to be reevaluated.

The Buncombe Baptist Resource Center has been contacted by a neighbor wishing to purchase a small portion of our property. Surveys are now being done and the papers are being drawn up to complete this transaction.

The main changes in the proposed budget are as follows:

601400	New line item for On Mission Celebration (OMC) ($4800 @ 12 payments of $400)—to be used for Missionary's expenses	$ 4,800
601500	Partnership Missions Scholarship (if debt is retired)	$18,000
603250	BSU (David Stone would like to expand campus ministry to include A-B Tech, Brevard and Montreat) $5400 to $6600 (increase of $1200)	$ 6,600
609890	2008 –We will have a full financial audit	$ 3,800
604160	Summer Student Workers (hope to increase to 4)	$ 2,000

A motion was made that the budget be recommended to the messengers at the fall meeting.

Kevin Bennett updated the group on the situation regarding Bert Suttles, a Christian Counselor, who had requested to use the office space in the ministry center to provide counseling services. After checking with other associations, it was learned that it had not been as easy a partnership as originally thought—the association would still assume part of the liability of the counseling services. It was recommended that a list be compiled of counselors that would be available to churches and that Kevin and Craig take the current list of counselors, review it and update it. The motion was approved.

Craig shared with the group that those meeting together tonight included the members of the association strategy planning team. This team has not been active; and in an effort to streamline the structure of the association, it was suggested that the Leadership Council do the work of the ASP team. Jackie Collins made a motion that the Leadership Council do the work of the Association Strategy Planning Team. The motion was seconded and approved.

The Constitution and Bylaws committee will be meeting several times before the spring 2008 meeting. They will work to align our present documents with our current format.

Next meeting for the Administrative Group is Monday, October 22, 2007.
Next meeting for the Leadership Council will be January 14, 2008.

Information about the fall meeting was given. A great celebration of the 125th year of Buncombe Baptist Association is planned. There will be a parade of flags—29 international and 17 state—which represent almost 2,000 people from our churches that participated in missions trips during the last. This represents only those churches that reported.

Steve Harris dismissed the meeting in prayer. The meeting was adjourned.

2007 SPRING MEETING
Monday, May 7, 2007
Newfound Baptist Church

MINUTES

The 2007 Spring Meeting of the Buncombe Baptist Association was held at Newfound Baptist Church on Monday, May 7, 2007, at 6:30 p.m. Mark Ball, host Pastor, gave the invocation and welcome. Stan Willet, Moderator, thanked Newfound for hosting this event and the Women's Ensemble for providing the music. Dr. Craig Bailey introduced new pastors and staff members in attendance: Rev. Stan Welch, Senior Pastor, West Asheville; Rev. Billy King, Senior Pastor, Beverly Hills; Rev. Bob Moon, Associate Pastor of Worship and Senior Adults, Newfound. In addition to the new pastors, Dr. Bailey recognized visitors which included Gayle Brown, NC Baptist

Retirement Homes and Gordon Benton, Mars Hill College. Rev. Larry Sprinkle who recently retired after a twenty-two year ministry at Victory Baptist Church was named (he was not in attendance.)

Dr. Bailey mentioned the emphasis on winning people to Jesus and baptisms last year through the Southern Baptist Convention. He sited a report released recently for the year 2004-05 by the Southern Baptist Theological Seminary who did a study of how many churches had a large number of baptisms, and quality growth, etc. Of Southern Baptist Churches, fewer than 700 churches of over 42,000 in the United States were in the top 1.5% in baptisms and growth. One of those churches was Trinity of Fairview, pastor, Steve Harris, of our Association. Trinity of Fairview and Biltmore Baptist were in the top twenty-five percent for baptisms in our state—Biltmore was second in the state in baptisms. Even though baptisms were down across the convention and the state, Buncombe Baptists increased their baptisms from approximately 940 to over 1100. Dr. Bailey thanked Buncombe Baptists for sharing Christ, for discipling people, and for winning people to Jesus. Other churches mentioned for the number of baptisms last year were: Mountain View, Bald Mountain, Barnardsville, Berea, Freedom, Inanda, Liberty, Mills Gap, New Life Community, and North Point.

The following Ministry Reports were presented: Kyle Carver presented the Administrative Group Report, which included the Financial Report as printed in the Program. He noted that this year there will be three Summer Missionaries working through the Associational Office. Jim McCoy presented the Nominating Report, which was approved as printed in the Program. The Senior Adult Team Ministry Team Leader and the Constitution Committee are incomplete at this time.

Susie Black presented the Partnership Missions Team Report and gave an update on the plans for a group of twenty- eight (representing nine churches in the Association) leaving on June 3, 2007, for a mission trip to Wyoming. Buncombe Baptists will be joining North Carolina Baptists in these mission projects. A time of prayer and commissioning of this group, led by Stan Willet, followed the report.

Norma Melton thanked Buncombe Baptists for their partnership in ministry. A report is printed in the Program which includes the following ministries: The Angel Tree Ministry, the Red Box Ministry, the I-26 Rest Area Ministry, Literacy Programs (reaching children and adults), and Christian Women's Job Corps. This summer three college students will be working through the Buncombe Association as Summer Missionaries. They are Angela Bollo, Merrimon Avenue; Caroline Burkett, Biltmore; and Jonathon Eller, West Asheville.

Dr. Bailey presented a slide program—"Countdown to Freedom—So the World May Know Him!"—a campaign aimed at retiring the debt on the Resource Center. If this debt is retired, $2700 per month (which is currently the monthly loan payment) could be redirected into ministry opportunities. The team volunteering to serve as a committee for the debt retirement was introduced.

After the offering and worship in music by the adult choir, Dr. Johnny Tiller delivered the message. Matthew 16 was the text. Two questions were asked: (1) Who are the Baptists? (2) What do they stand for? He stated that it is either providential or coincidental that the meeting is being held tonight in the oldest Baptist church in Buncombe County and on the eve of the 162nd birthday of the Southern Baptist Convention. Using the word BAPTIST as an acrostic, Dr. Tiller shared the following:

B—What do we believe in? Birth—Salvation—you must be born again.
A—Authority. The word of God is the authority.
P—Preaching. Preach the word of God.
T—Teaching. This teaching is not just for children but for adults, as well.
I—Immersion. Baptism by immersion, which pictures the death, burial and resurrection.
S—The Supper. The Lord's Supper is symbolic of the broken body and the shed blood.
T—Together. Working together to advance the kingdom of God.

Bud Dotson announced that the amount of the offering taken earlier was $2,475.11.
Gayle Brown led a prayer of commitment and the meeting was adjourned.

FALL MEETING
Monday, October 8, 2007
New Morgan Hill Baptist Church
6:30 P.M.

MINUTES

The 125th Anniversary Celebration of the Buncombe Baptist Association was held on Monday, October 8, 2007, at New Morgan Hill Baptist Church. The theme was "That the World May Know Him." After a pre-session Video presentation of missions and ministries, the meeting opened with an impressive Parade of Flags representing countries and states in which approximately 2000 Buncombe Baptists have participated in mission activities during the past year. Mike Cribbs, Minister of Music at Mount Carmel Church, announced each mission site as the flags were carried and displayed by a member of a mission team serving in each mission area.

The invocation and welcome was given by Host Pastor, Roy Houston. The Buncombe Baptist Adult Chorale, led by Don Welborn, minister of Music, Calvary Baptist Church, presented the Call to Worship. After a congregational hymn, Stan Willet, Moderator, declared the Fall Meeting in Session. Dr. Craig Bailey, Director of Missions, recognized all agencies setting up displays for the meeting.

Many of the banks representing the world with "Buncombe Baptists" imprinted on them for our "Countdown to Freedom" fund drive were presented at the meeting. This represents Buncombe Baptists' commitment to missions.

Woodland Hills was recognized for their giving to the Lottie Moon Christmas Offering-- giving the largest amount and the largest percentage in the Association and the largest percentage given during the past year.

Some special guests were recognized, including: retired Director of Missions: Gayle Brown and his wife, Stella; Former interim Director of Missions, J. Billy Graham, Barbara Wright, former financial secretary; Betty Orr, former secretary/receptionist; former officers in association were recognized; those who are currently serving or have served in the past as an officer of the association; Sue Bailey, Dr. Bailey's wife; present staff—Norma Melton, Director of Church and Community

Ministries; Susie Black, Administrative Assistant and Communications Secretary, Nancy Owen. Nancy was recognized for 25 years of service with the Association. In attendance were husband, Dr. Ronnie Owen, pastor at Mt. Carmel, Nancy's mom, sister, daughters, sons-in laws, and grandchildren. Nancy was presented with a gift and a bouquet of roses.

Dr. Bailey recognized Don Welborn, who--in addition to being minister of Music at Calvary--is the director of the Buncombe Baptist Chorale. The 29th of October the entire Chorale will be in concert at 3:00 p.m. at Beverly Hills Baptist Church and will hold two concerts at the Grove Park Inn during the Christmas season.

Stan Willet, Moderator, expressed appreciation to all the staff of the Association.

Jim McCoy, Vice Moderator, presented the Nominating Committee recommendations as printed in the program on pages 2-5 with one addition, Jamie Johnson was added to the Partnership Team. The report was accepted as presented.

Bud Dotson presented the Financial Report as printed beginning on page 17 of the program. There is a deficit at this time of $6,274.31. We believe the Lord will provide. Bud gave a brief financial history report of the indebtedness of the Association for the Gayle Brown Ministry Center over the past few years. On October 13, 2003 (when Bud became Treasurer) the balance for the Ministry Center was $236,614.25 with a monthly payment of $2,700. On Friday, October 5, 2007, the balance on this loan was $92,527. Already this evening $2,500 in checks and many filled banks have been turned in to reduce this debt.

Kyle Carver presented the budget as printed on pages 24-25 of the program. All the requests from team leaders have been reflected in the budget. Line item 601400, "On Missions Celebration," is new. Four hundred ($400) per month will be set aside in order to have funding available for this event. Line item 601500, "Partnership Missions Scholarships," is also new. An amount of $18,000 has been budgeted anticipating that the debt on the Gayle Brown Ministry Center will be paid in full and money will be available to help send people from your churches on mission trips. Line item 609700, DOM Compensation, a 10% increase in salary is recommended. Line item 609800, CCM Director Compensation, an 8% increase in salary is recommended. Line item 609910, Administrative Assistant Salary, and line item 609960, Communications Secretary Salary, a 7% increase in salary is recommended. The total proposed budget for 2008 is $395,497 which reflects an overall increase of 8%. The budget was adopted as presented.

Steve Harris presented the Church Planting and Membership Report. God is doing a great work in our Association by raising up people who have a vision to create something out of nothing. They are reaching people who are, often times, not reached in other areas. As listed on page 15 of the program, the following churches recommended were received into watchcare of the Association: Missio Dei, Pastor Rev. Kurt Hannah, meeting in the fellowship hall of Grace Baptist Church; Mosaic Church, Pastor Rev. Mark Houghton, meeting at Haywood Street United Methodist on Sunday evenings.

Wayne Higgins, Chairman of the Countdown to Freedom effort, led the prayer before the offering. For 125 years Buncombe Baptists have been working together to share the love of Jesus Christ to the uttermost parts of the world.

Norma Melton gave the Church and Community Ministries Report as printed on pages 13 and 14 of the Book of Reports. Quoting from a video clip shown at the Billy Graham Library in Charlotte, Norma began her report as follows: "When you love Christ, you have a supernatural power to love your neighbor." Thank you Buncombe Baptists for loving your neighbor. Who were your neighbors this past year?

- the couple who stopped at the rest area whose son had died that day, received the blessing of prayer from Buncombe Baptists
- the inmate at the Black Mountain Correctional Center who needed a hug;
- the lady who was encouraged because Christian Women's Job Corps mentor helped her find clothing to wear to a job
- the inmate at Craggy Prison who had expressed appreciation in a letter for someone who took a gift to his child on his behalf at Christmas
- the homeless young man who received a shirt and shoes from a couple of volunteers at the Bele Chere Booth
- three teen-aged boys who received Jesus into their hearts after listening to the gospel at the Fair
- the person in the pew on a Sunday afternoon who was encouraged by the worship experience made possible by the Buncombe Baptist Chorale
- the children who look to counselors at missions camp to give them guidance;
- the young lady who can now read labels at the grocery store because her English as a second language teacher took time to help her learn to read and speak English
- the young waitress from Hungary who expressed she had never had anyone ask if they could pray for her
- the senior adult who usually spends a lonely afternoon by herself enjoyed a nice meal and singing at the senior adult fellowship
- the carnival worker whose tears from the pain of an abscessed tooth turned into a smile after the tooth was pulled—according to another carnival worker, it was his first smile in three years
- the two boys at a picnic table in Wyoming who listened to a Bible story about Jesus and asked Jesus into their hearts and, after sharing with their mother, she too became a believer
- the ten carnival workers who raised their hands at the Fair break tent indicating they wanted someone to council them about receiving Christ
- the hundreds who filled out prayer cards at the fair booth (some of these requests are in a basket at the front of the auditorium. The audience was asked to take some of these requests and pray for them).

Jesus replied to the expert in the law, "Love the Lord your God with all your heart and with all your soul and with all your might", this is the first and greatest commandment and the second is like unto it, "Love your neighbor as yourself." Thank you for giving, thank you for going, thank you for loving your neighbors through Church and Community Ministries.

Dr. Bailey's report is found on pages 11 and 12 of the Book of Reports. How can a person or a church involve themselves in one mission's gift that would go to fifty or more missions or mission opportunities? Support your local Baptist Association. He encouraged members to support their local association and thereby be a part of, and support, all the ministries in which Buncombe Baptists are involved. Dr. Bailey shared some of the ministry work in the Association highlighted in his report (i.e., Missio Dei; church planter experiences and the addition to the family's home as they prepared for a new addition to the family; mission trips; materials for these trips; a hunting lodge damaged by hurricane which is being turned into an orphanage in Mexico; seeds being planted to build a church to reach the Wyoming population with the message of Jesus Christ. The opportunities are there for each of us to be involved in ministry whether in Asheville or to the ends of the earth. New ministries include the Cowboy Church which is less than a year old and has already baptized more than twenty people. .

Dr. Bailey introduced Dennis Thurman, Pastor of Pole Creek Baptist and expressed appreciation for the missions heart of Pole Creek Church. After a number by the chorale led by Don Welborn, Rev. Thurman brought an inspiring and challenging message based on Phillipians 3: 7-10. After prayer and a video presentation which emphasized the vastness of the number of those who are lost across the world, Reverend Thurman gave three keys to unlocking the door to the world of evangelization. 1. "Know"--I must know Christ (not just facts about Him, but know Him as Savior), if I am to introduce Him to someone else. 2. I must "Show" Christ daily in my life if my witness is to be credible. 3. I must "Go" to the world with the message of Christ.

Jonathon Eller, summer student worker, dismissed the meeting with prayer.

- Reduce Audit Fees to $1,800.00 item #609890 no full audit in 2008
- On Mission Celebration item #601400 hold for now

- Reduce Property Custodial/Lawn Maintenance item #609980 to $7,000.00 staff will continue cleaning the buildings and will do month-to-month assessment

There was discussion on ways to reduce the mortgage payment with the possibilities of refinancing or modifying the original loan. Wayne Higgins reported that he had talked with Christine Dozier of HomeTrust bank and that the loan could be extended to ten years at a 4.75% interest rate (the same as the current loan). Payments would be $807.00. Wayne made and Jim McCoy seconded the motion that the loan be negotiated for the ten-year period.

The Leadership Council requested that the Administrative Group monitor month-by-month the receipts for 2008. That these recommendations be prioritized and that any budget line item would be reinstated if receipt of funds improved.

Missionary Report
Dr. Craig Bailey

We began our 125th Anniversary Year last October at New Morgan Hill Church with a spectacular parade of flags and worship that most of us will never forget. It kicked off a year of innovation and inspiration in ministry unlike any year before. We continue to start new churches (see Steve Harris report) and look for ways to revitalize our existing congregations. Two new churches (Mosaic of Asheville and Missio Dei) finish their year of watch care and the North Asheville Baptist Church came under watch care in May. But we are most excited about how so many of our churches joined in ministry.

Operation Inasmuch mobilized our churches into our mission field unlike anything we have seen in a long time. Although most of our churches tackled some kind of project or projects on April 19, mission work continued throughout the year. I would encourage every church to plan similar projects for the coming year. Don't wait for some state convention program, just "lift up your eyes, and look on the fields; for they are white already unto harvest" (John 4:35).

Our **Church Health Team** has grown and assisted several churches this year. Although we lost one of our key leaders when Ryland Whitehorn accepted a position with Dallas First Baptist in Texas, we have added several new members. We hosted the regional training for Church Health Consultants this year. Four Buncombe Baptists were trained with the group. If you would like to have the **Church Health Survey** in your church, you may call on one of the team members licensed to assist you. Team members qualified to give the survey are: **Skip Fendley, Terry Hollifield, Bob Moon and Charlie Cole.**

This year we celebrated **Thirty Consecutive Years of Missions Camp** in our association. Our 2008 camp was so successful, we are planning to have two camps next year. A children's camp for grades 3 through 6 will meet at Camp Truett, followed by a youth mission adventure camp the following week. Details will be forthcoming, but if you are looking for a good quality, affordable alternative to the high-priced camps, take a serious look at your associational camp. It may be just the balance you need to inspire your young future leaders and still fit the budget.

Buncombe Baptists also took their missionary spirit around the world, and our **Partnership Missions Scholarship Fund** was able to help. So far this year we have been able to sponsor 28 people from seven churches to go to eight different destinations as short-term missionaries. In the United States this included Wyoming, Florida, Montana, and Alaska. International destinations included Nicaragua, Canada and Mexico. We look forward to assisting other Buncombe Baptists in 2009 as we carry the ministry and message of Christ to a hurting world.

Although we kept our promise to end our debt freedom campaign at the end of 2008, we have still received some funds designated to eliminate our debt. As I am writing this article, we still owe around $57,000 on the **Gayle Brown Ministry Center**. If this debt is satisfied, it will release more funds for ministry and missions, so keep praying that God will speak to individuals and churches about BBA debt freedom. I would love to see our **Partnership Missions Awards double** in the coming years.

The Miracles of Mission Work can especially be seen in our **Wyoming Partnership.** Keep in mind that in 2005 North Carolina Baptists did just one thing in Wyoming – **Prayer!** The prayer covering started a series of events that has resulted in a spiritual revival in this key western state. This year over 160 people worked and shared with the people of Wyoming. An April **Prayer Conference** featured many from North Carolina including **Will Graham, Carl Setterlind** and an entire Praise and Prayer Team. Vacation Bible Schools and Share Your Faith Workshops resulted in real people giving their hearts to Christ. **Kim Jenkins and Dale Reece** helped make these happen.

The most visible miracle, however, was the construction of the **Opal Baptist Church.**

Wayne Smith of our Partnership Missions Team and President of Experiencing God Through Missions helped organize this amazing feat in which the entire church was built in sections right here in North Carolina. Stored and transported to Wyoming courtesy of **Wayne Campbell and Union Transfer,** the sections were assembled and the entire church completed in just **nine working days!**

Lynn Nikkel, Executive Director of the Wyoming Southern Baptist Convention wrote, "Thanks so much for your personal and associational passion that God has given you all for Wyoming. I can say confidently that we all appreciate the dedicated efforts of the folks of your association and Experiencing God Through Missions. God Bless..."

2009 will hold many more adventures in missions for Buncombe Baptists. We will travel to Wyoming again, this time to build two more churches and conduct prayer/witnessing projects in every county in Wyoming. Other teams will go to Canada, Mexico and other places of need as our churches make their gifts and abilities available to others. I hope you will pray about how your church can be involved in missions in 2009. Start in Buncombe County, but let your vision stretch around the world!

Church and Community Ministries

Norma Melton

October 2007—September 2008

On Saturday April 19 Buncombe Baptists met the challenge given by North Carolina Baptist Men to participate in **Operation Inasmuch**. Twenty-one of our churches were involved in a hands-on mission blitz in their communities. Through Operation Inasmuch the love of Christ was shared by 1,520 persons involved in 162 projects on April 19. Four other churches have also participated at later dates. "And the King shall answer and say unto them, Verily I say unto you, Inasmuch as ye have done it unto the least of these my brethren, ye have done it unto me." (Matthew 25:40)

In November of 2007 and in March of 2008 I had the opportunity to participate in **On Mission Celebrations** sponsored by the North American Mission Board. One was in Thomasville, NC and the other in Pisgah, Alabama.

Under the leadership of Edwina Messer, site coordinator, **Christian Women's Job Corps®** has had four participants this year with four active mentors. CWJC gives a hands-up approach in ministering with Bible study being an integral part of the ministry.
Hopefully one of the current participants will soon graduate from the CWJC program. Also, plans are underway to increase the number of participants and that means a need for more volunteers to serve as mentors.

On November 5 the **WMU Leadership Team** sponsored the Baptist Women's World Day of Prayer. During December Baptist Women prepared 365 Red Boxes which were distributed through various agencies. Also WMU groups prepared over thirty "Birthday Party in a Bag" gift bags for the local ABCCM Women and Children's Shelter.

Our churches continue to furnish lunches on Thursdays for the **Baptist Student Ministry** at UNC-A.

Under the direction of Don Welborn the **Buncombe Baptist Adult Chorale** led in a worship service in October and shared the Christmas story through song at the Grove Park Inn.

Expanding the **Rest Area Ministry** to a weekend in October has been very successful in reaching out to those passing through Asheville during the leaf season. Easter and Memorial Day Rest Area Ministry provided a time to share about our risen Lord! Not only are we able to bless those who do not know the Lord, we bless other Christians who stop by and share prayer requests.

Buncombe Baptist Association hired Jonathon Eller and Morgan Haynes as **College Student Missionaries**. They did a great job serving in about fourteen churches in various outreach efforts. They also assisted with the administration paper work for our Children's Mission Camp and served at camp as counselors.

This year **Children's Mission Camp** celebrated thirty consecutive years of summer camp for children. Thirty years ago Pastor Steve Harris of Trinity of Fairview Baptist Church started a camp for boys. The next year Edwina Messer joined forces to coordinate one for girls. It is exciting to see children attend camp whose parents went as children. Also, it is exciting to see adults now involved in missions who were a part of camp years ago. Twelve children made various decisions this year at camp.

The Buncombe Baptist Association **Ministry Booth at Bele Chere** always provides an excellent opportunity to share the love of Christ to the thousands of people who are on the streets in downtown Asheville.

This year the **WNC Mountain State Fair** celebrated fifteen years. Buncombe Baptists have been involved in ministry for all of those years plus the three years prior when it was a county fair. Through the years we have welcomed other associations to join the ministry. The Fair Ministry has provided hundreds of opportunities to bless carnival workers and well as fairgoers. But also those of us who have served in the ministry have been blessed. This year about thirty people received Christ at the fair. Three years ago a new carnival group came to work. The first year we noticed they watched us from a hand's distance wondering if we were for real. The second year they reached out for a handshake. This year they opened their arms and embraced us with smiles realizing it was the love of God flowing through the volunteers. Our consistent presence makes a difference!

Thanks to Swannanoa First Baptist and Trinity of Fairview Baptist churches for hosting our **Senior Adult Luncheons** in September 2007 and 2008.

Thank you, Buncombe Baptists for going, giving, and praying!

Church Planting/Membership Team Report

Steve Harris, Team Leader

The Church Planting/Membership Team of the Buncombe Baptist Association has been very active this year, working with six new church starts. There are two Cowboy Churches, including Blue Ridge Cowboy Church and Land of the Sky Cowboy Church that have been working towards establishing core groups and leadership as they reach out to the horse riding segment of our community. By the way, did you hear about the Horse Ranch in Texas? It had a sign that said, "Triple Q Horse Ranch. We have horses for everyone. For tall people we have tall horses. For short people we have short horses. For skinny and fat people we have skinny and fat horses. For people who have never ridden a horse, we have horses that have never been ridden!"

Mills Gap Baptist has been receiving funding from the State Convention as part of a restart. This will continue until the end of the year. New Life of Hendersonville is doing well with over forty people in attendance every Sunday evening. North Asheville was received under watch care at our spring meeting.

We are in discussion with two church planters who are looking into starting a church for outdoorsmen and a church for bikers. Pray for these two works that will start in 2009.

Missio Dei and Mosaic, two church starts, are reaching a younger segment of our community that desperately needs a relevant witness. In October 2007, they were voted into membership under watch care for one year. The Church Planting/Membership Team recommends that the Buncombe Baptist Association receive Missio Dei and Mosaic into full membership of the association.

CHRISTIAN LIFE & PUBLIC AFFAIRS ANNUAL REPORT – 2008
Gail M. Harding, Consultant, 667-4899

Ten monthly INFO PAGES were e-mailed during this year. The lengthy March Info Page was devoted solely to the subject of homosexuality.

The social/moral issues facing our society seem to increase rather than be resolved - thus our increased need to be salt and light. The greater the darkness the brighter shines the light.

Items of continuing concern, which will be influenced greatly by the November election results, include:
- Returning the "fairness doctrine," which could ultimately shut down small Christian broadcasting stations because of the requirement to give free time to the other side.
- Hate crimes legislation. This, with the fairness doctrine, could muzzle pastors in their pulpits.
- The future of Roe v. Wade
- Recognition of life beginning at conception.
- Protection of born-alive aborted babies.
- The definition of marriage in the United States - in both U.S. and state constitutions.
- The acceptance and teaching of homosexuality as a valid life-style, on a level with heterosexuality.
- Maintaining religious liberty.

My ongoing challenge to Christians is that they realize their responsibility to shape public policy (from the context of their Christian world-view) through the people they elect to public office and their own involvement by holding office-holders accountable. This is a call to prayer for God's mercy, forgiveness, wisdom and guidance for America, her citizens and her leaders.

Please notify me of any issues you would like to see addressed in future INFO PAGES.

UNC-Asheville Baptist Campus Ministry

138 Sevier Street Asheville, NC 28804 (828) 252-3817

Things are starting off well at UNCA this year. We have many new students and the opportunities for ministering to our campus continue to increase. We have around 50 active members in our ministry. Our worship service, Encounter, is using monthly themes like sharing your faith, prayer, discipleship, and worship.

This past year we have gotten involved in our Baptist Retirement Homes, Baptist Children's Homes, Habitat for Humanity, and our local ABCCM. For our Fall Break Mission Trip we will return to Oak Ranch Baptist Children's Home in Sanford, NC to continue to help them build their ministry. We are excited about the continued growth in ministry here in Asheville and Christin and I are glad to finally be living in the Asheville area. We feel it has made our ministry much more effective. We ask for your continued prayer and financial support as we endeavor to make disciples at UNC-Asheville.

Report for 2008 Book of Reports

Office of the GuideStone Team of the Baptist State Convention of NC, Inc.

The GuideStone Team of the Baptist State Convention of North Carolina exists to educate and inform key lay leaders who are the decision makers in our churches, and to facilitate the delivery of important products and services to the employees of the more than 4,000 churches affiliated with our state convention. Specifically, we use a variety of delivery methods to enhance the procurement of the following for church employees: **Insurance Products** (Life, Accidental Death & Dismemberment, Medical, Disability, Dental, and Long Term Care), **Retirement Products** (Church Retirement Plan, Traditional and Roth IRAs, Personal Investments, etc.), **Compensation Planning for Church Employees, Tax Issues**, etc. In addition, we work closely with GuideStone Financial Resources in Dallas to provide financial assistance to those elderly ministers and widows of ministers who live under financial duress and need ongoing and/or one time assistance through the **Mission:Dignity Ministry** which is the new term for the very successful Adopt an Annuitant Ministry.

To personalize the importance of our work please consider the following vignettes. First, consider Pastor A, who had emergency heart bypass surgery this year with no medical insurance. The overwhelming cost of this surgery has placed a tremendous financial burden on him and his family. Furthermore, this pastor was not an active participant in the church retirement plan until recently. With the state convention protection benefits that come with monthly contributions to the retirement plan this pastor, as a retirement participant, now has a survivor and disability benefit in place for himself and his family in case of a debilitating illness, accident or death. Since no underwriting is required to prove evidence of good health, this pastor, his family, and the church he is serving is now protected from another catastrophic event resulting in disability and/or death. In 2007 working with GuideStone we paid the following disability and survivor protection benefits to North Carolina church employees and/or their families: 111 Disability Benefits Totaling $606,708.68 and 39 Survivor Benefits Totaling $391,254.53. This is a powerful example of **CARING** by our state convention by providing these much needed financial resources for those in need.

Secondly, please note that all church planters who receive financial assistance from the Baptist State Convention of North Carolina are now required to be an active participant in the Church Retirement Plan. With this change in policy we have the assurance of protection for all of our church planters, their families, and the churches they are starting in case something happens to them. By **DARING** to move in this direction our state convention has provided a safety net for those who have stepped out in faith to begin much needed new churches in our state.

Thirdly, consider Pastor C, who has now retired because of poor health. During this past year we qualified him to begin receiving monthly financial assistance from GuideStone through the Mission:Dignity Ministry to supplement his paltry monthly income. In fact, his wife shared with me recently that they would be in deep financial trouble without that monthly financial assistance from GuideStone. As of June 30, 2008, we have 206 persons from North Carolina who are receiving financial assistance through Mission:Dignity. **SHARING** in this way fulfills the mandate of scripture to provide for those in need. Please assist us in identifying other persons who might qualify for this assistance.

Finally, we wish to serve all of our churches and their employees with the appropriate information and products to meet their needs. For more information call the Baptist State Convention of NC at 1.800.395.5102 extensions 5594 or 5595, visit our Web site at www.ncbaptist.org, call GuideStone at 1.888.984.8433, or visit the GuideStone Web site at www.GuideStone.org.

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA

(July 2007-July 2008)

Kasey . . . The life Kasey lived was a sharp contrast from the life she was actually living at school where she was popular and a cheerleader. An abusive stepfather, a distant mother, and the responsibility of caring for her two younger brothers were too much for the young teen. Kasey moved in with her grandmother believing it would help. Instead, as she grew older, she acted out and made dangerous choices that put her at risk.

Kasey's grandmother knew about Baptist Children's Homes and made a call. The teenager now lives at BCH's Oak Ranch near Broadway, becoming the first girl ever admitted into the residential facility that had before only served boys. Today, she is one of seven girls in care.

Kasey likes living at the 755-acre ranch. She loves taking care of the horses. She is taking responsibility for her actions. Kasey is involved in theatre at the Harnett County school she attends. Recently, she played a fish in "Seussical the Musical," and she is a member of the school's photography club. Her favorite subject is English.

Kasey reads her Bible and says she prays a lot. "I am a Christian. I have given my heart to the Lord. I tell Him everything."

Kasey is only one of nearly 1,500 children who find hope and care each year at Baptist Children's Homes. Each one has a story. Each one is given an opportunity in the name of Jesus. Thank you, North Carolina Baptists, for remembering "the least of these."

President Blackwell Marks 25th Year . . . BCH president Michael C. Blackwell observed his 25th year overseeing the statewide child care Institution on July 1. Blackwell has led BCH to become family-focused and child-centered while never losing sight of the ministry's core Christian values. His accomplishments are too numerous to list here, but the reader is referred to the July 2008 Commemorative issue of ***Charity&Children*** for a complete summary. Complimentary copies are available by calling 1-800-476-3669, ext. 1211. Under Blackwell's leadership, BCH now operates facilities in 16 North Carolina cities.

New Transitional Service . . . BCH introduced a new residential service to specifically aid older children as they prepare for life as independent adults. Transitional living provides care, counseling, and life-skills education to older children in a less restricted residential setting. The service was created in response to the growing need in North Carolina to help transition children from residential care to productive and self-sufficient adult lives. In

January, Noel Home in Lenoir became BCH's first transitional living cottage followed by Huffman Cottage at Mills Home in Thomasville.

Developmental Disabilities Ministry in Sanford . . . On May 18, 2008, more than 300 supporters and BCH staff members gathered for the dedication ceremony of two new Developmental Disabilities Ministry (DDM) homes for developmentally disabled adults in Sanford. The Lanier Home and Mercer Home will provide residence for six special needs adult women and men respectively.

Food Roundup Reaches New High . . . The annual "Food Roundup" in April exceeded its goal, setting a new mark in the amounts of food, supplies, and gift cards given to BCH. North Carolina Baptists across the state, with the coordination of church leaders and association directors of missions, came together to deliver more than $300,000 in donated items. Another high was set in the month of May when almost 3,000 volunteers and guests visited BCH facilities for work days and special events.

Mills Home Church Renovation . . . Renovation of the Mills Home Baptist Church in Thomasville was completed with the help of North Carolina Baptist volunteers and a generous estate gift. Church groups renovated the fellowship hall installing new carpet, recess lighting, and expanding and refurbishing the kitchen. Upstairs rooms were painted and new carpet and lighting were added.

BCH Reaccredited . . . BCH has been reaccredited by the Council on Accreditation of Services for Family and Children (COA). Accreditation through COA means BCH meets the highest national standards and is delivering the best in quality services. BCH received its first accreditation in 1987. The institution has been accredited ever since.

Five Star Rating . . . Three BCH centers received five star ratings, the highest possible rating, from the North Carolina Division of Child Development. The on-site daycare at Care House in Lenoir, a group home providing care and education for single teenage mothers and their babies, received its license in May 2007. The Fleshman-Pratt Education Center for infants to three year olds and Robert Idol Child Development Center for three to five year olds received five star ratings last summer. Both centers are a part of BCH's Weekday Education program in Thomasville.

Truett Home . . . A special open house on February 3, 2008 celebrated the opening of the Truett Baptist Association Children's Home in Hayesville. The home represents one of the most unique relationships in North Carolina Baptist life as BCH provides residential child care services at the facility and Truett Association provides funding and leases the property. Truett Association and BCH have partnered to provide help to children and families living in Cherokee, Clay and Graham Counties.

Girls Wilderness Camp . . . On May 20, 2008, President Blackwell made the long-awaited announcement of the establishment of a wilderness camping program for girls. With a major lead gift from the Haskell and Gay Duncan Foundation, BCH has begun fundraising efforts to build Phase One of the camp, which is located near Aberdeen in Moore County.

THE NORTH CAROLINA BAPTIST FOUNDATION, INC.
2007 ANNUAL REPORT

The mission of the North Carolina Baptist Foundation since its inception in 1920 has been to assist the Convention and its institutions and agencies in increasing an awareness among North Carolina Baptists of Christian estate stewardship principles as a means of financially undergirding churches, institutions and mission endeavors on a permanent basis. The uniqueness of the ministries and services provided by the institutions and General Board staff merits increased financial support. The Foundation accomplishes these objectives by offering assistance in estate planning counsel, Will preparation, planned giving, charitable remainder trusts, endowment funds and church fund management.

Accomplishing this mission does indeed involve Caring, Sharing, and Daring. The Caring of the Foundation manifested itself in 2007 as individuals were assisted in establishing 35 endowment funds and 8 charitable remainder trusts totaling $1.8 million and received $4.8 million in contributions to existing endowments, all of which will ultimately benefit countless Baptist causes on a permanent basis. Programs were provided for churches and associations during the year to promote Make Your Will Month, Christian estate stewardship and church fund management. Approximately $445,000 from churches and institutions came under management to enhance numerous ministries including scholarships, building funds, cemetery funds, benevolence funds, general operating funds and other various mission causes. Overall, the Foundation received just over $7 million in contributions during 2007 for Christian causes.

And, how is this for sharing? During 2007, our distributions totaled $13.9 million, with charity receiving $11.6 million and individuals, through trusts, receiving $2.3 million. During the 86-year history of The North Carolina Baptist Foundation, Inc., $33.9 million has been distributed to individuals and $70.8 million to Baptist churches, institutions and mission causes for a grand historical total of $104.7 million.

The Daring is seen in our investing Kingdom money in such a way as to grow the assets while at the same time protecting the principal. To this end, the Foundation employs professional money managers to invest these funds according to an investment policy adopted by its Board. Four investment pools are offered: a growth fund, a balanced fund, an income fund and a fixed income fund. The Foundation uses the services of Citi Institutional Consulting, a division of Citigroup Global Markets, to help select top money managers and evaluate performance. As of December 31, 2007, the Foundation held $156.9 million under management.

THE SCHOOL OF PASTORAL CARE: EXTENDING THE MINISTRY OF NORTH CAROLINA BAPTISTS

Our partnership with North Carolina Baptists extends the ministry of churches and enlarges our mission of **"providing ministries of growth, hope and healing in the Spirit of Christ."** We are thankful for the support of Cooperative Program giving and the life-changing impact of what we accomplish together in God's Kingdom.

Baptist Hospital's CareNet Counseling Centers extend the ministry of churches through compassionate, faith-integrated counseling to thousands of hurting individuals, marriages and families.

- Over 28,000 hours of counseling will be provided in 2008, with ministers being among the largest referral sources.
- Our statewide network of 21 CareNet centers covers 80 counties in North Carolina.
- New ministries include services to military personnel and families to help them cope with the stress of combat and extended deployments; residencies to train the next generation of pastoral counselors; and education services to strengthen our care for churches.

The Center for Congregational Health enhances the ministry of churches through Christ-centered consultation and leadership development programs for clergy.

- Our consultants serve nearly 25 churches a month with ministries of conflict reconciliation, strategic visioning and planning, and team development.

- Nearly 600 ministers and church leaders will be better equipped for service in 2008 through the Center's educational programs.
- Over 2,000 ministers have been trained to serve churches through interim ministry.
- *"Our church has come through a painful, divisive conflict to renewed hope and excitement for our future thanks to the Center for Congregational Health."* – a Baptist deacon

The Chaplaincy and Pastoral Education department provides life-changing education for ministers and compassionate spiritual care for our patients, families and staff.

- *"The pastoral education at Baptist was the best training I've ever had in my life."* – a Baptist minister
- *"I could never say thank you enough to the chaplains for helping me through my husband's illness and death."* – a patient's wife
- 62,215 ministry contacts were made by Baptist Hospital chaplains in 2007.
- In 2008, 45 students will complete accredited units of training in Clinical Pastoral Education.

THE MOTHER'S DAY OFFERING: SHARING CHRIST'S LOVE WITH PATIENTS IN NEED

Thanks to the generous compassion of North Carolina Baptists, the Mother's Day Offering received **$727,884 in 2007**, a new record! Every dollar helps patients in financial need pay hospital bills for care received at Baptist, in the name of Jesus Christ and his love. These patients have no other means of assistance, having too much to qualify for government assistance but not enough to pay their hospital bills. They feel the hand of God lifting their burdens through you, and their gratitude is life-changing.

> *"Thank you, North Carolina Baptists, for paying my hospital bill at Baptist Hospital. I had just lost my job after working 30 years and didn't know what I would do. God answered my prayers through you. I know he guided you to help me and I praise him for you."*

> *"My wife and I are thankful beyond words for this gift!"Our world changed after the accident. We were so worried about her hospital bill. The kindness of good Baptist people lifted our burden and helped her healing process. They strengthened our faith in God's care."*

THE MINISTER'S SUBSIDY

The minister's subsidy covers up to 25% of the hospital bills of ministers (and their dependents) serving N.C. Baptist churches for care received at Baptist Hospital. $85,151 was provided in 2007 to these ministers, made possible by the Hospital's W.K. McGee Patient Service Fund and the Mother's Day Offering.

CLOSING WORDS FROM THE PRESIDENT

At Baptist Hospital, our mission of healing is a sacred privilege and responsibility. We bring the best care possible to those who entrust their lives to us, combining medical excellence and simple compassion for those we serve. We see God's healing power at work every day, and we are thankful. We are grateful to North Carolina Baptists for being our partners in the mission that God has given us.

2008 Annual Report
Baptist Retirement Homes of North Carolina
to the Baptist Churches

"Lord... you have made my lot secure. The boundary lines have fallen for me in pleasant places: surely I have a delightful inheritance." Psalm 16:5-6

Thank you, North Carolina Baptists!

Because of your generosity in 2007-2008, Baptist Retirement Homes will be able to provide more than $2,000,000 in funding for benevolent care.

Their lot has been made secure.

Forty percent of our residents are financially unable to pay the cost of the care they are receiving. Month after month, year after year, many of our Assisted Living and Nursing Care residents receive financial assistance from you. Furthermore, our promise to each of our residents is that care will last for as long as they live. The financial support of North Carolina Baptists helps Baptist Retirement Homes to keep this promise.

Their boundary lines have fallen in pleasant places.

At the Western North Carolina Baptist Home in Asheville ... at the Brookridge Retirement Community in Winston-Salem ... at The Taylor House in Albemarle ... and at the Gardens of Taylor Glen in Concord, beauty, security, comfort, and compassionate care are found in full measure.

They have a delightful inheritance.

At each of the Homes, the ministry of a Baptist chaplain lifts the hearts of our residents. The enrichment and recreational activities at each Home make for an enjoyable lifestyle. Day after day the high quality of care that is given speaks of a loving Heavenly Father, helping to make life for our Aging Saints... *The Best of Times!*

Ads for Heartbeat—Craig Bailey

Buford Adcock with Business Forms & Supplies, wants to place his business card in our newsletter.
It could generate interest from other businesses who might want to place business cards in the newsletter.
Cost would be $50.00 per ad.

Staff would decide on an-issue basis. Probably, no more than four business cards per issue would be used and no business card would be used repeatedly. If necessary, pastors would be contacted in the event there were some questions about the business.
It was suggested that a list of standards be provided to those interested businesses to ensure some type of accountability. Motion was made by Wayne and seconded by Kyle that we allow businesses to place ads in *The Heartbeat*. Motion was approved.

One-day mission blitz where a church ministers in their community. The Baptist State Convention has set aside April 19, 2008 as the day for churches to minister in their communities.
Approximately 25 churches in our association are interested in participating in this mission opportunity.

Financial Update—Wayne Higgins

As of December 31, 2007, the deficit is $7,157.16. Approximately $4,200 was deposited last week, but was counted for the year 2007. A transfer of $2,000 will be made from the designated Property Reserve Fund. This will bring it to a break even point.

Craig stated that many of our churches will increase their giving in 2008 and that several of our new church starts are making donations to the association.

Administrative Group Report—Kyle Carver

Below is a printed list of recommendations from the Administrative Group that was given to the Leadership Council.

A motion was made by Wayne Higgins to rescind the action previously voted on in October to use the $4,000.00 from the sale of the small parcel of land, to pay toward the debt retirement. The money would, instead, be put into general funds to help offset the budget deficit. The motion was seconded by Bobby Peek and was approved unanimously.

A motion was made by Wayne Higgins to take money from the Property Reserve designated fund to balance the budget at this time. The amount used would not exceed $2,000. The motion was seconded by Dianne Braddock and was approved unanimously.

There was discussion on ways to reduce the mortgage payment with the possibilities of refinancing or modifying the original loan. Wayne Higgins will call Christine Dozier at HomeTrust Bank to discuss what can be done. There may be some individuals who would agree to make a month's mortgage payment.

The following are recommendations from the staff as ways to adjust the 2008 budget.

- Freeze salaries at 2007 rate—item #609710 through 609970.
- Reduce Partnership Missions Scholarship Fund to $8,000, item #601500
- Reduce Summer Student Workers to $6,000.00, item #604160 (hire only 2)
- Freeze Property Reserve Fund, item #609590
- Reduce Audit Fees to $1,800.00, item #609890, no full audit in 2008.
- On Mission Celebration, item #601400, hold for now.

- Reduce Property Custodial/Lawn Maintenance, item #609980, to $7,000.00. Staff will continue cleaning the buildings and will do month-to-month assessment.

Two other budget items that were adjusted were

Funds were not transferred for October, November and December 2007 from the Fair Ministry general budget (item #604200) to the designated Fair Ministry (#800805) line item. No further funds for the remainder of the year were made from the John G. Hicks Scholarship Fund (item #602800)and sent to the North Carolina Baptist Foundation.

The Leadership Council affirmed the decisions that had been made by the Administrative Group.

The Leadership Council voted to direct the Administrative Group to monitor month by month the receipts for 2008. That these recommendations be prioritized and that any budget line item would be reinstated if funds improved. One exception would be the amount for Student Summer Workers. Because applications are due March 17, there would not be time to reinstate these funds. This means that the budget allows for only two student summer workers.

Loan Modification Agreement—Wayne Higgins

The new loan would be extended to ten-years with a 4.75 % interest rate (same as current one). The payment would be $807.00 per month.

Wayne made and Jim McCoy seconded the motion that the loan be negotiated for the ten-year period. The motion was approved.

Kyle suggested that there might be persons who would agree to make a one-month loan payment. No official request would be made, but simple personal contacts. Interested persons could call and request a certain month they would like to pay.

Partnership Missions—Craig

Partnership Missions Team will meet Monday, January 28, 6:30 p.m. They will share at the Ministers' Conference on Monday, February 4. The first meeting of the Wyoming Mission Team was last Tuesday, January 8, at the Resource Center. They will meet the first Tuesday of every month.

In July a group will be going to build a church in Opal, Wyoming.
In April Craig and Sue will be going to the first-ever Prayer Conference.

Newbridge is still very much involved in Mexico.

South Carolina—Arms Around the Triangle. Scott Shields, North Asheville Baptist Church, is coordinator.

Property Maintenance Update—Susie Black

Susie referred to a report listing several projects requiring either carpentry, electrical or purchase of products to ensure good property maintenance.

For safety reasons when some staff or volunteer is in the building alone, it was suggested that a doorbell be installed at the front entrance. The electrician Susie contacted suggested that we purchase a battery-operated doorbell. One could be connected to the current security system, but it would be rather expensive. Wayne made and Terry seconded a motion that a battery-operated doorbell be purchased from Lowe's and installed at the front entrance. The vote was accepted.

Norma stated that the front entrance of the building is not well lit. The two bushes on either side really obstruct visibility. There are possibly other safety issues that need to be considered. It was suggested that the Administrative Group discuss this at their January 21 meeting and compile a list of safety issues.

Church and Community Missions Report—Norma Melton

Leadership Council Meeting
Monday, April 21, 2008
11:30 a.m.
Baptist Resource Center

MINUTES

The Leadership Council met at 11:30 a.m. on Monday, April 21, 2008, at the Resource Center. Stan Willet, Moderator, presided and welcomed the group. After the blessing and the meal, the meeting was called to order. Attending were Craig Bailey, Susie Black, Norma Melton, Kyle Carver, Jim McCoy, Clark Henderson, Stan Willet, and Steve Harris (New Life).

Basketball League Evaluations: There was a discussion of evaluations from the basketball league. The Leadership Council recommended that training be provided for the officials of the basketball league. It may be necessary to increase the entry fee in order to provide this training.

Summer Missionaries: The Summer Missionaries for 2008 will be Jonathon Eller and Morgan Haynes.

Norma shared about a young lady (Presbyterian PCA) from Gardner-Webb needing internship credit. There was discussion about her serving with the Association. However, Jim McCoy may be interested for Weaverville First Baptist Church. Jim will follow up with Gardner Webb.

Financial Update: Kyle Carver shared that 25% of the proposed raises (which had to be delayed due to budget restraints) was implemented April 1st. The financial situation will be re-evaluated in mid summer with the hope of an additional increment added at that time.

Partnership Missions: Craig shared about the Prayer Conference in Wyoming. Eight states and Canada participated. The Wyoming Mission Team meeting scheduled for the first Tuesday in May was changed because of the Baptist Men's Rally at Pole Creek.

Two scholarships were given out for the Nicaragua mission trip. People interested in the mission trip to South Carolina should contact Scott Shields. Clark Henderson shared information about missions in Mexico. There is a couple staying there now to coordinate the mission work. Prayer was requested for materials (used in these mission activities) as they are crossing the border.

Property Maintenance Update:

Outside Lighting—This work will be put off until later this summer.

Safety Issues—The staff will request that Bryan Smith do a walk-through of the building to help with the Emergency Plan.

Nominations: Nominations for Moderator, Vice-Moderator and Partnership Missions Team Leader were made. Other suggestions were given. Contacts are being made from the list of nominees. The motion was made by Steve Harris, seconded by Kyle Carver, and approved by the group to approve this suggested list of nominees.

Report from Association Staff: Norma Melton presented information on "Operation Inasmuch." Twenty-one churches in the Buncombe Association participated in "Operation Inasmuch" on April 19th. Reports are coming in from the participating churches. The NC Baptist Men's goal was to have an "Operation Inasmuch" project in each county of North Carolina. Final reports are just now coming in, but they believe that goal was met. Literally thousands in North Carolina were involved in ministry projects on Saturday, April 19. Some churches will be doing their ministry projects on a different date. Pictures and stories from this event will be presented at the Spring Meeting.

Dr. Bailey noted that the Association is hosting the regional training for Church Health Consultants this week. There are four members from churches in our Association who are participating in the training.

On Saturday of this week, the Associational Small Sunday School Training will be held at Westwood Church. This training session will include Sunday School workers, Pastors, and general leaders from the participating churches.

New church starts were discussed:

- Missio Dei has approximately eighty people meeting in the fellowship hall at Grace Baptist. Starting in July, they will be meeting in the Haywood Street United Methodist Church building downtown.
- Infrastructure, discipleship, and small groups are needs for both the Blue Ridge Cowboy Church and Land of the Sky Cowboy Church.
- The Mosaic church is meeting at the Resource Center on Sunday mornings.
- It was mentioned that the Leicester Methodist Church has closed (or merged with another Methodist Church in the community). That facility, which will accommodate about 200 people, may be a possibility for a new church start.
- New Life Community Church in Hendersonville has been started. They are still in the organizational phase, but there are about forty people meeting in a home at this time.

- On Monday, April 28, Ken Tan, from the Baptist State Convention will be meeting with Dr. Bailey to talk about how we can find people to help launch ministries to reach international groups

The next meeting of the Leadership Council will be September 22, 2008, at the Resource Center.

The meeting was adjourned with prayer.

Stan Willet, moderator, called the meeting to order.

Prayer requests were shared and Steve Harris led the opening prayer.

A copy of the compiled financial statements for the year ended December 31, 2007 was distributed.

At the meeting on June 23, 2008 of the Administrative Group, the group made a recommendation that the monies in the Property Reserve Fund be transferred to the North Carolina Baptist Foundation. The funds would be placed in one of the low risk categories which would yield a higher interest rate. The money would be available as needed. The recommendation would be presented to the Leadership Council for final approval. This recommendation was made, and approved by, the Leadership Council.

The Administrative Group approved the following budget changes. The following recommendations will be presented for approval at the fall meeting.

2009 Budget—There were very few changes in the recommended 2009 Budget which reflects an overall increase of about one and one-half percent.

601-Missions and Evangelism: Total increase of $2700
602-Education and Discipleship: Total decrease of $600
603-Membership and Fellowship: Total decrease of $300
604-Church and Community Ministries: Remains the same
609-Administration: Total increase of $3775

Note: the 2008 Salary figures reflect the 2008 proposed raises which were refused by the staff due to budget restraints. By July 2008, at least 50% of the proposed raises were being paid. The 2009 budget reflects the same salaries as voted on last year.

Property Update:
The trees have recently been trimmed.

There is a quote included in the handouts from Fairview Door Sales, Inc., for mounting and installing the door in the kitchen—the cost will be $670. Leroy Campbell did the frame work. When the door is installed, he will come back and patch any areas needing attention. He will not charge anything for this work. He was one of the recipients of a Missions Scholarship and feels this is something he can do in appreciation for the opportunity to go to Wyoming on the recent mission trip.

The carpet in the worship center will need replacing soon. It is recommended that tile might be used instead of replacing the carpet. There will be a recommendation regarding this in the near future. The staff will secure some recommendations and prices. It was recommended and approved that the final decision be made by the Administrative Group.

There being no further business, Kyle Carver dismissed the meeting with prayer..

Fall Meeting Order of Worship:
The Theme for the Fall Meeting will be "Arms Around A Changing World." Emphasis will be on mission work in the Association (i.e., "Arms Around Wyoming; Arms Around the Triangle (South Carolina); Arms Around Canada; Arms Around Alaska; Arms Around Internationals; and Arms Around Buncombe County).

Steve Harris, Pastor, Trinity of Fairview, will give a report on Mission Camps. Celebrating thirty years, this year's camp was probably one of the best considering the number attending and the number of decisions that were made. Steve Harris has been the director for all thirty years.

Regular items on the agenda include Nominating Committee Report and Election of Officers; Partnership Missions Report/Financial Report; Presentation and Adoption of the 2009 Budget; Church Planting/Membership Report; Constitution Committee Report; and Miscellaneous Business.

One item of information--usually the Moderator serves for a two-year term and the Vice-Moderator (who has also served in that capacity for two years) becomes the Moderator. Jim McCoy, who is the current Vice-Moderator, prefers not to move into the Moderator position. Therefore, it is recommended that Stan Willet serve another year as Moderator and Greg Metcalf serve as Vice-Moderator and then move into the position of Moderator after one year.

There being no further business, the meeting was dismissed in prayer.

SPRING MEETING
BENT CREEK BAPTIST CHURCH
MONDAY, MAY 6, 2008
6:30 P.M.

MINUTES

The 2008 Spring Meeting of the Buncombe Baptist Association was held at Bent Creek Baptist Church. The theme for the meeting was "Empowering Kingdom Growth" (seeking first the King and His Kingdom--based on Matthew 6:38). Autumn Wright and the Praise and Worship Team opened the meeting and provided the music for the evening. Dr. Craig Bailey and the Associational staff, dressed as doctor and nurses, brought in a small model of a church which was on a rolling medical cart. He illustrated "checking the church health" as he listened with a stethoscope for the heartbeat of the church. He emphasized that Buncombe Baptists have the privilege of working together to build healthy churches. Pastor Bridges opened the meeting with prayer.

Stan Willet, Moderator, gave the response and declared the Spring Meeting in session. The printed program was adopted as the agenda for the order of service for the meeting. Individuals representing state and local ministry agencies were recognized. Many had displays in the lobby of the church. Rev. Jackie Collins, who was unable to attend, was recognized for his thirty-seven years in the ministry. He served at Zion Hill for 20 years and has been at Ridgeway Baptist as Pastor since 1991. In addition, he has served in many ministries and on numerous ministry teams. Mike Stamey accepted the certificate in Rev. Collins' absence.

Dr. Bailey stated that the Association staff is dressed as medical personnel at tonight's meeting to emphasize the "EKG" theme of the meeting (Empowering Kingdom Growth). He challenged the group to recognize how important it is for the church to be healthy. Five people within the Association (including Dr. Bailey) serve as the Church Health Team and are trained and certified to give the Church Health Survey. Many churches have taken this survey to help assess the "health" of their church and to pinpoint areas that need to be addressed.

At this time, out of ninety-five churches and seven mission churches, there are only about five without pastors. No new pastors or staff members were present at the meeting.

Kyle Carver, Chairman of the Administrative Group Report, presented their report. In addition, he suggested that some individuals may be willing to make a payment on the Ministry Center. Several people have already challenged each other to make a payment a year. The financial situation of the Association would be helped tremendously by these contributions.

Wayne Higgins, Chairman of the Budget and Finance Group, presented the Financial Report as printed and distributed in the Book of Reports. Currently we are at about the same place financially as we were last year. At this time last year, the debt on the Gayle Brown Ministry Center was approximately $150,000. Currently the balance is $60,390. He thanked the churches and individuals who had a part in reducing this debt. The loan on the Ministry Center has been extended at the same 4.75% rate, thereby reducing the monthly payments to $807.

In order to help ease the financial burden, the staff chose not to accept the proposed raise in salaries this year. However, in April the Leadership Group restored 25% of the proposed raises. In the summer, they plan to add an additional 25%. Hopefully, by the end of the year, the full amount can be restored. The staff has also volunteered to clean the Resource Center, thereby saving the custodial costs. The staff has been providing this service since January.

Jim McCoy, presented the Nominations Report as printed in the Book of Reports. The nominations were accepted as proposed.

The Constitution Committee Report was given by Billy King. Copies of the proposed Constitution and Bylaws were distributed at the meeting. Because the old Constitution and Bylaws no longer match our current policies and procedures, the committee recommends that this revised version replace the current Constitution and Bylaws. The current Bylaws state that changes will be presented at the first session of the meeting with the vote being taken on the second day of the meeting. (Previously, the Associational Meetings were held on two consecutive nights.) Therefore, the proposed Constitution and Bylaws are dated October as the "second day" of this meeting will be the Fall Meeting in October. The recommendation was made that this document be considered and voted upon at the Fall Meeting. At that time there will be an opportunity for discussion and full consideration of the document. Any suggestions or amendments to the document should be made to the Constitution Committee or to the Director of Missions by early September.

The Church and Community Ministries Report is printed on page 3 of the Book of Reports. Norma Melton shared that twenty-one of our churches were involved in a hands-on mission blitz in their communities through "Operation Inasmuch" on Saturday, April 19, 2008. This project is based on Matthew 25:40—"Verily, I say unto you, Inasmuch as ye have done it unto the least of these my brethren, ye have done it unto me." There were 162 projects, involving 1,520 persons reported. An inspiring power-point presentation was shown highlighting many of the ways churches reached out in their communities.

The offerings taken at the meeting will be used to help with the travel expenses (cost of gasoline which will be approximately $1200) for getting a Winnebago RV (which has been donated for ministry work) to Wyoming. The RV will be used to transport missionaries from one mission field to another and be used in various ministry projects.

Clark Henderson gave the Evangelism Missions Report (pages 14-15 in the Book of Reports) highlighting the many areas around the United States and in many countries where Buncombe Baptists are sharing Christ. The purposes of the Evangelism Team are to: (A) Equip churches to do the work of evangelism; (B) Provide resources and training to do the work of evangelism; and C) Promote evangelistic events so churches can come together to evangelize our community. Several Evangelistic Training Conferences have been held in addition to revivals, rallies and/or crusades. Hundreds have come to the Lord as a result of these evangelistic events. The Evangelism committee has been meeting weekly to pray and to plan for a possible crusade at the Asheville Civic Center in 2009.

Dr. Bailey expressed appreciation to the staff of Bent Creek Baptist Church, and Pastor Tommy Bridges for hosting the meeting and to Autumn Wright and the Praise and Worship Team for the outstanding music provided. Dr. Bailey presented the Partnership Missions Emphasis and the Associational Missionary's Report as printed on page 2 of the Book of Reports. The Asheville Drive-In Church, formerly pastored by the late Rev. Robert Harris, will now be continued through the Association. Dr. Bailey highlighted many mission works going on all over the globe where Buncombe

Baptists are reaching people for Christ. He shared information about the planned mission trip to Wyoming the third week of July to build a church there. Walls will be constructed in a building and then moved to the church site and materials will be sent ahead, thus enabling the team to build a church in a two-week time period. In addition, there will be VBS and mission teams working all over Wyoming. He stated, "We are not just going to build buildings, we are going to change lives." There are many other mission opportunities to serve for one day, a week-end or several weeks at a time.

In the absence of Steve Harris (New Life Community Church), Dr. Bailey shared the Church Planting/Membership Team Report which is found on page 14 of the Book of Reports. The Church Planting/Membership Team has received a request from the North Asheville Baptist Church for membership into the Association. The Team recommends that the Association receive them into watchcare membership for one year. The motion was approved. Pastor Jimmy Dykes and members of the North Asheville Baptist Church present at the meeting were welcomed into the Association.

Dr. Bailey introduced Dr. Kenneth Hemphill, National Strategist for Empowering Kingdom Growth, Southern Baptist Convention, who brought the message. Dr. Hemphill stated that two-thirds of our churches have plateaued or are declining in membership. Giving is less (percentage-wise) than it was during the depression years. Twenty-five percent of the membership in the average church give over ninety percent of the resources for that church. Thirty-seven percent of those attending our churches at least once a month will not give "a single dime" to missions or ministry. Only three to four percent, of the 63 percent who give, actually tithe. In an average congregation of one hundred, there are 1.8 tithers.

Billions of people on planet earth are lost and will spend eternity in Hell unless we reach them. Many who are saved know what they have been saved from (from bondage, from sin, from hell); and know what they are saved to (we are going to the Promised Land—heaven), but do not know what we are saved for! God brought the Children of Israel into a covenant of obedience: "If you will obey, then you will move." What would happen if we took God into our "moveable place?" If you are a teacher--into your classroom, if you are a coach--to your team; if you work at Wal Mart or Kmart, etc.--you would become a Kingdom agent in that workplace. We have a three-fold task. (1) Embody His name, (2) Embrace His mission to the nations, and (3) Obey His Word. Our task is the same today. We must be a Holy nation, we have a Holy God! When we go out into our communities, we represent a Holy and sovereign God. God is not wanting to make a name for our individual churches, our Association, the Southern Baptist Convention, etc. He wants to make a name for Himself...when people see churches, associations, communities, etc. doing things so big they know that they cannot do it...they know God is at work! God does bless people! He wants to bless a people who will take His message to another...not so the individual or group can be wealthy, but so they can be evangelistic. "Then the Nations will know!" The message is the same for us today. "Repent, the Kingdom of God is approaching!"

After a hymn led by Autumn Wright and the Praise and Worship Team, the meeting was adjourned in prayer.

Buncombe Baptist Association
Fall Meeting
Beverly Hills Baptist Church
Monday, October 6, 2008

The Theme for the Fall Meeting was "Arms Around a Changing World." Rev. Billy King, Pastor of Beverly Hills Baptist Church, gave the invocation and welcomed the group. Rev. Stan Willet, Moderator, gave the Response and Declaration of the Fall Meeting. He thanked Pastor King and the congregation of Beverly Hills for hosting this event. The program was adopted as the agenda for the meeting. Musicians from Beverly Hills, under the direction of Dennis Goodwin, Minister of Music, provided the inspiring music for the evening.

Dr. Craig Bailey, Director of Missions, opened the meeting on a somber note--word was received today of the death of Rev. A. W. Jones, Pastor of Mount Olive Baptist Church for thirty years.

The following new pastors and staff members in attendance were introduced: Andy Tuttle, Youth and Children's Minister, at Grace; Mark Chase, Pastor, at Victory; Robert Oliver, Pastor, White Rock.

This year Buncombe Baptists celebrate thirty consecutive years of Missions Camp. Rev. Steve Harris, Trinity of Fairview, was presented a Certificate of Appreciation for his thirty years as director of the camp. Edwinna Messer was recognized for twenty-nine years of service as a nurse with the camp. Rev. Harris mentioned a number of people who are in missions work today as a result of decisions made at these camps.

Jim McCoy presented the recommendations from the Nominating Committee for the general officers and the ministry groups for the coming year. A recommendation was made that Stan Willet be elected Moderator for a third year. Because the vice moderator chose not to serve as moderator and because several persons asked chose not to serve, the committee felt it best to elect Reverend Willet for a third term as moderator. The committee's reported as presented in the Book of Reports and distributed to the group was approved.

Wayne Higgins presented the Partnership Missions Report and the Financial Report. These reports were approved as presented in the Book of Reports. The offerings from this meeting will be applied to the debt reduction for the Gayle Brown Ministry Center. Kyle Carver presented the proposed 2009 Budget. Several items were brought to the attention of the congregation. Under Missions and Evangelism (page 24)—Partnership Missions has been reduced from $4500 to $4000; and $1200 has been added to "On Missions Celebration." (Every request for missions scholarships received this past year has been filled through the Partnership Missions Scholarships line item.) Church Health has been reduced from $1000 to $500. VBS was increased by $300; Seminary Extension reduced by $400; Minister's Conference reduced from $800 to $500. Postage reduced by $1000; Custodial Supplies reduced by $200 (note was made that the staff assumed the task of cleaning the building in January of this year); Insurance and Liability reduced from $5600 to $3275; Staff Expenses reduced from $2000 to $1500; Travel Expense from $9000 to $8000; Medical Reimbursement increased to $2000; Property Reserve Fund— reduced to $250 per month (previously $500 has been added monthly). With the current balance on hand, the reduced monthly allocation should be adequate for any repairs, etc. Audit Fees—an increase in this line item. Last year the balance was $1800 and the actual audit costs were $2700. The current line item of $3800 may have to be increased as a full audit is scheduled for next year and this is more costly. The Mortgage line item was increased to reflect the current monthly loan payment cost of $807. The total increase reflects a 1.52% increase. Most of the recommended changes were based on actual spending in these line items. The budget was adopted as recommended.

Steve Harris, New Life Community Church, presented the Church Planting Report. In our new church starts report, we have 3 Hispanic Churches (there are 18,000 Hispanics who live in Buncombe County); two Cowboy Churches; Mosaic, meeting at the Buncombe Baptist Resource Center and reaching a younger generation; Missio Dei (Latin for Mission of God) meeting downtown in the former Haywood Street Methodist Church. Mosaic and Missio Dei have been under watch-care for one year and are reaching a younger generation. It was recommended and approved that they be received into full membership of the Association.

Billy King, Pastor of Beverly Hills Baptist and leader of the Constitution Committee, introduced the members of the Constitution Committee. The proposed new Constitution is to replace the current Constitution and Bylaws. Wherever possible, the committee tried to organize and simplify the efforts of the Association so that we may put ourselves in the best position to serve the Lord more effectively. The proposed Constitution was distributed at the Spring Meeting. Attendees were asked to read the document and to make any suggestions for revision by the fall meeting. Only one question was raised. Regarding membership—under Article III Membership, Section I--the Constitution defines a cooperating church as a church "that contributes regularly to the support of missions through the Association budget" (this is the same wording as previously). The question was asked, "Does this statement mean that a church that does not give to the support of the Association's budget will be automatically removed from the Association?" The answer to the question is, "No." The only provision for removing a church from the membership of the Association comes in Bylaw IV—Section III—Part D—Church Planting and Membership Team—which states in part, "the team is also responsible for recommending to the Association the removal of any member church from the BBA roll." In other words, no church could be removed from our rolls automatically; the procedure would require a vote of the Association. The motion to adopt the proposed Constitution was approved.

After the offering, Wayne Smith, President, Experiencing God through Missions, Inc., presented "Arms Around Wyoming." There is little Christian influence in this area--Wyoming, Utah, Nevada and New England. We are to be the catalyst to bring a strong Christian message from right here in Western North Carolina. On July 13-25, 2009, a team will be going back. The theme is, "Go boldly in Jesus' Name."

Scott Shields, Couples' Pastor, North Asheville, presented "Arms Around the Triangle (South Carolina)." A very aggressive church planting movement is taking place in Crosspoint Blufton in Blufton, SC (near Hilton Head). Churches are encouraged to partner and come together to share the gospel. This missions team has been involved in many areas of ministry including Sports Camps, Ministry in the Parks, totally redoing a skateboard park, working with Habitat for Humanity, etc. Three churches were commissioned this summer out of Crosspoint Blufton.

Stan Welch, Pastor, West Asheville, presented "Arms around Canada." Canada is a nation of about 35 million people, 75% live within 100 miles of the US border, but it is a very lost nation—with only 4% churched. In fact, they are very anti-Christian, anti-church, and anti-establishment. What will they become as only one, or maybe three, generations removed from a church? Three generations ago, Canadians decided to leave the church. They will talk with you, are not "mean", but barriers must be broken down. North Carolina Baptists have been involved for the past two years in sending teams.

Susie Black, Administrative Assistant, BBA, presented "Arms around Alaska." What a beautiful, majestic place! A few years ago, North Carolina Baptists had a partnership with Alaska. This fall, Norma and Susie had an opportunity to go together to Palmer, Alaska, partnering with a group from eastern Tennessee to serve at the Alaska State Baptist Convention. They provided child care for the children in grades 1-5and Norma shared her testimony at the WMU luncheon. They were present at the commissioning service for twelve missionaries from the International Mission Board.

Norma Melton and Craig Bailey, BBA Staff, presented "Arms around Buncombe County." This year, through the WNC State Fair Ministry more than thirty people received Christ. Norma read a note that was handed to her at the Fair (along with a $250 donation to be used in the Fair Ministry). The note read, "My family would like to give you this gift to say 'thank you' for what you have done this week. We do a lot of fairs and never have we seen a set up like yours where a church group does so much. We always see churches set up at the fair reaching out to the fair goers but this is the first time that we have seen people reaching out to the "carnies." You know the "carnies" don't get the chance to go to church much, if at all. I am sure this fair is the only time many of them hear about God and we are really blessed by your efforts. Given the chance, we hope to give to your ministry again. 'Thank you' is so small for all the work you have done. Be sure your rewards are laid up in heaven. God bless. The Smith Family"

Dr. Craig Bailey urged the group to get excited about missions locally and then maybe we will get excited about missions globally. There are opportunities for short mission trips to places like your own community; or to a neighbor state like South Carolina; or pick your distance and budget. There are Partnership Mission Funds available for scholarships for these mission opportunities. Dwight Williams, a Missionary with the International Mission Board, is serving in China and can give information about opportunities available all around the world.

Dr. Bailey introduced Rev. Clark Henderson, the speaker for the evening. Clark is not only the pastor of Newbridge Church but also serves as our Evangelism Team Leader. His church sponsors mission work in Mexico as well as promoting mission opportunities in our area including the "Ignite Crusade" that took place at Mars Hill College, and the "Ignite 09" coming in February.

Rev. Henderson brought a message entitled "Reaching the Lost Generation." He shared about the ministry taking place in Mexico. This ministry includes training Hispanics in their own country to go in and minister there. His text was John 4. Jesus meets the Samaritan woman at the well. In verse 11 she says, "Sir, thou has nothing to draw with." In other words, she said he had no bucket. The bucket is the "method" by which you get the water. She was so focused on the "bucket", that she never saw the Savior. We get so caught up in the temporary that we miss the eternal. We get so focused on the methods that we lose our focus on the gospel. We love our "buckets", big buckets (we've moved everything out to make way for the new), old buckets (old-fashioned), new buckets (21st century buckets), little buckets (convenient, doesn't take much time or effort). Southern Baptists have all kinds of buckets—evangelism buckets; missions buckets, disaster relief buckets, discipleship buckets, Sunday School buckets, lifestyle buckets, biker buckets, worship buckets; contemporary buckets—we have more buckets (or ways to share) than ever, yet we are trending down. We are focusing on the methods instead of the message about Jesus Christ. As long as it brings others to Christ, use those buckets but it must produce the "living water." To get back into proper fellowship, what do we need to do? 1. Clean ourselves up. 2. Get back into the Word of God. 3. Learn how to pray. 4. Learn how to worship.

After a prayer of commitment, the meeting was dismissed.
